

# It's About Time

Hey, what time is it? Is it time yet?  
Ready, set, go!

## After

It's about time, Time!  
It's about time, Time!

Time is of the essence,  
All-- in-- good-----  
Time! -----  
Time is on our side,  
In the nick of time,  
It's a sign of the times,  
Ticking, ticking,  
Tick, It's about  
Time, Time!  
It's about time, Time!  
It's about time, Time!  
It's about time, Time!

Then Time stood still.

**All:** Naw, nope, uh-uh, no way.

## After

Time waits for no one,  
Be--- on----  
Time of your life!  
Party Time to do your  
Chores! No Time! High  
Time, Show time, on your  
Own Time, -----  
Not this time!

**All:** Time zone, time frame, time share, time test,  
Timelapse, timed release, time warp, timeless,

## ½ After

But we're running out of time,  
Running out of time,  
Running out of time,

**All:** Running out of time, we're out of time.  
It's about time!

## Morning

Well, we save time, take time,  
And we spend time, make time, Must admit we  
Waste time, but we keep time,  
Serve time-kill time, - and beat time.

Ticking, Ticking,  
Ticking, Ticking  
Ticking, Ticking  
Ticking, Ticking,  
Ticking, Ticking,  
Ticking, Ticking,  
----- It's  
time consuming,  
Clock and wrist watch,  
Ho-ur glass, time keeper, Calendar, sun dial,  
Timer, beeper. Daily, weekly,  
Monthly, yearly, eternity, infinity,  
-- In per-pe-tu-i-ty  
Time stood still

## Morning

Ticking, Ticking,  
Ticking, Ticking,

## ½ After

Running out time,  
Running out of time,  
Times Up,

## Morning

Ticking, Ticking  
Ticking, Ticking,  
Times Up,

# NINE TO FIVE

Tumble outta bed and stumble to the kitchen;  
Pour myself a cup of ambition,  
Yawn, and stretch, and try to come to life

Jump in the shower and the blood starts pumping;  
Out on the streets, the traffic starts jumping,  
With folks like me on the job from nine to five.

Working nine to five, what a way to make a living;  
Barely...getting by, it's all taking and no giving.  
They just use your mind, and they never give you credit;  
It's enough to drive you crazy if you let it.

Nine to five, for service and devotion;  
You would think that I would deserve a fair promotion;  
Want to move ahead, but the boss won't seem to let me.  
I swear sometimes that man is out to get me.  
Oooooo

They let you dream just watch the shatter;  
You're just a step on the boss man's ladder  
But you've got dreams he'll never take away.

In the same boat with a lot of your friends  
Waitin' for the day your ship 'll come in  
And the tide's gonna turn and it's all gonna roll your way.

Working nine to five, what a way to make a living;  
Barely getting by, it's all taking and no giving.  
They just use your mind, and they never give you credit;  
It's enough to drive you crazy if you let it.

Nine to five, for service and devotion;  
You would think that I would deserve a fair promotion;  
Want to move ahead, but the boss won't seem to let me.  
I swear sometimes that man is out to get me.

Nine to five, what a way to make a living;  
Barely getting by, it's all taking and no giving.  
They just use your mind, and they never give you credit;  
It's enough to drive you crazy if you let it.

Working nine to five!

# Seasons of Love

Five hundred twenty-five thousand six hundred minutes.  
Five hundred twenty-five thousand moments so dear.  
Five hundred twenty-five thousand six hundred minutes.  
How do you measure, measure a year?

In daylights, in sunsets  
In mid nights, in cups of coffee.  
In inches, in miles, in laughter, in strife,  
In five hundred twenty-five thousand six hundred minutes.  
How do you measure a year in the life.

How about love?  
How about love?  
How about love?  
Measure in love

Seasons of love  
Seasons of love

In truth that she learned or in times that he cried.  
In bridges he burned or the way that she died!

It's time now to sing out though the story never ends.  
Let's celebrate, remember a year in the life of friends.

Remember the love  
Remember the love  
Remember the love  
Measure in love

Seasons of love  
Seasons of love

# Rock Around the Clock

One, Two, Three O'clock, Four O'clock rock,  
Five, Six, Seven O'clock, Eight O'clock rock,  
Nine, Ten, Eleven O'clock, Twelve O'clock rock,  
We're gonna rock around the clock tonight!  
Put your glad rags on, join me, Hon,  
We'll have some fun when the clock strikes one.

## **CHORUS:**

We're gonna rock around the clock tonight,  
We're gonna rock, rock, rock, 'til broad daylight.  
Gonna rock, gonna rock around the clock tonight!

When the clock strikes two, three and four,  
If the band slows down we'll yell for more.

*Repeat CHORUS*

When the chimes ring five, six, and seven,  
We'll be up in seventh heaven.

*Repeat CHORUS* (no "We're" at the beginning of chorus)

When it's eight, nine, ten, eleven too,  
I'll be going strong and so will you.

*Repeat CHORUS*

When the clock strikes twelve we'll cool off then,  
Start a rockin' 'round the clock again.

*Repeat CHORUS*

# I'm in a Hurry

## Chorus

I'm in a hurry to get things done.  
Oh I rush and rush until life's no fun  
All I really gotta do is live and die  
But I'm in a hurry and don't know why.

## Verse 1

Don't know why  
I have to drive so fast  
My car has nothing to prove  
It's not new  
But it'll do 0 to 60 in 5.2.

## Verse 2

Can't be late  
I leave in plenty of time  
Shaking hands with the clock  
I can't stop  
I'm on a roll and I'm ready to rock. Oh

## Bridge

I hear a voice  
It say's I'm running behind  
I better pick up my pace  
It's a race  
And there ain't no room  
For someone in second place.

# IT'S MY TIME

Seasons keep changing, life rearranging,  
Coming and going, pace never slowing.  
Stop for a minute, embrace all that's in it.  
Don't rush on past, make the good last.  
There's only one life time to live,  
So I'm gonna breathe it all in.

It's my time, I'll take every moment.  
Run with the wind, wild and free.  
It's my time to make my tomorrow  
More than a wish or a dream.  
It's my time.

I'll look for the blessing, stop second guessing,  
Take time explaining, less time complaining.  
Be helpful and gracious,  
Treat loved ones with patience,  
Life up my brother, compliment others,  
As I look for the good all around,  
There's nothing that can keep be down.

It's my time, I'll take every moment.  
Run with the wind, wild and free.  
It's my time to make my tomorrow  
More than a wish or a dream.

It's my time, I'll take every moment.  
Run with the wind, wild and free.  
It's my time to make my tomorrow

More than a wish or a dream.  
It's my time.  
It's my time.

# The Time Warp

It's astounding, time is fleeting  
Madness takes its toll.  
But listen closely.  
Not for very much longer.  
I've got to keep control.

I remember doin' the Time Warp,  
Sleeping those moments when  
The blackness would hit me  
And the void would be callin'.  
Let's do the time warp again!  
Let's do the time warp again!

It's just a jump to the left.  
And then a step to the right.  
Put your hands on your hips.  
And bring your knees in tight.  
But it's the dancing moves  
That really drives you insane.  
Let's do the Time Warp again!  
Let's do the Time Warp again!

It's so dreamy, oh, fantasy free me,  
So you can't see me, no, not at all.  
In another dimension,  
With superstitious intentions,  
Well secluded, oh I'll see it all.

With a bit of a mind flip,  
You're doin' the time slip,  
And nothing can ever be the  
same.

You're spaced out on sensation  
Like you're under sedation.  
Let's do the Time Warp again!  
Let's do the Time Warp again!

Well I was tappin' down the street,  
Just a-havin' a think,  
When a snake of a guy  
Gave me an evil wink.  
It shook-a me up, it took me by surprise,  
Had a pickup truck & some scary eyes.  
He stared at me and I felt a change,  
Time meant nothin', never would again.  
Let's do the Time Warp again!  
Let's do the Time Warp again!

It's just a jump to the left.  
And then a step to the right.  
Put your hands on your hips.  
And bring your knees in tight.  
But it's the dancing moves  
That really drives you insane.  
Let's do the Time Warp again!  
Let's do the Time Warp again!
