HELLO EVERYONE:

The 2020 Season will be our 25th year of Travel and we are very excited! After overwhelming requests for this tour, we are going back to Ireland! I love the itinerary that includes all the great activities and places that a traditional Ireland tour does, and the price is well below national companies. Pair that with an amazing cruise that takes in London and ports in Spain and Portugal. Book either trip individually or stay in Europe for this great back to back combo. Getting almost as many requests is our Icelandic Cruise. We are giving you a sneak peek at this tour scheduled for 2021. John had a great trip to Utah this year and has another exciting itinerary that includes some new Parks such as Bryce Canyon as well as a much requested repeat of Antelope Slot Canyon. One of my personal favorites is the San Francisco and Redwoods Tour. And don't miss our Washington DC and Williamsburg Tour. Look for an exciting destination this year on the Mystery Tour and sign up early, since it is likely to sell out!

Happy Traveling,
Dave

SAN FRANCISCO, MONTEREY and the REDWOODS

AIRFARE INCLUDED

APRIL 18-23, 2020 (#C0041801) 6 Days

\$1899 pp/Double \$2299 pp/Single \$1799 pp/Triple (\$500 Deposit)

This Northern California tour visits three unique areas – the coastal town of Monterey, the cosmopolitan city of San Francisco, and the awe inspiring Redwoods.

DAY 1 – Today we will fly to the **Bay Area in Northern California**. We will head over to **Monterey** located on California's rugged central coast. Its Cannery Row, one-time center of the sardine-packing industry, was immortalized by novelist John Steinbeck.

DAY 2 – We will take the famous **17 mile drive today**, a scenic road through Pebble Beach and Pacific Grove on the Monterey Peninsula in California, much of which hugs the Pacific coastline and passes famous golf courses, mansions and scenic attractions, including the Lone Cypress, Bird Rock and the 5,300-acre Del Monte Forest of Monterey Cypress trees. In the afternoon, we will spend time at the famous **Monterey Bay Aquarium**, often voted among the best aquariums and family attractions in the country. There are thousands of marine animals and plants on display in underwater and interactive exhibits.

DAY 3 - We will head to the “**City by the Bay**” today, San Francisco. A **local guide** will join our coach and give us a

guided tour of this beautiful city. We'll visit many picturesque sights in this remarkable city, including the **Golden Gate Bridge** and **Lombard Street**. Our hotel will be in the **Fisherman's Wharf** area, so you will be close to many of the sights that have made this one of the greatest cities in the world. You'll be able to explore the area attractions, including **Fisherman's Wharf, Pier 39**, a historic **cable car** ride and **Ghirardelli Square**.

DAY 4 – This morning, we'll take a **boat ride** and a **self-guided tour** of **Alcatraz Island**. This small island, now a national park, was once a fort, a military prison, and a maximum security federal penitentiary. Afterward, we will start heading north to **Garberville**, our gateway to the **Redwoods**. We will visit the **Korbel Champagne Cellar** where we'll have a **tour and tasting** on the way.

DAY 5 - Today we will drive down the spectacular **Avenue of The Giants**. This world-famous scenic drive is a 31-mile portion of old Highway 101 with its 51,222 acres of redwood groves. It is by far the most outstanding display of these giant trees in the entire 500 mile redwood belt.

DAY 6 – We will continue our sightseeing back to the Bay area where we will catch our flight home today.

THE AMERICAN SOUTHWEST National Parks & Historic Lodges

Sept 9-14, 2020 (#C0090905) – 6 Days

\$1999 pp/Double, \$2479 pp/Single, \$1899 pp/Triple (\$500 deposit)

Join John & Gina Kitchen on a journey through the amazing natural beauty of the American Southwest. We'll be exploring and/or staying in some of our most iconic national parks – The Grand Canyon, Bryce Canyon, and Zion. The historic lodges in these parks offer a glimpse into the past, and when staying there, give us a chance to experience a rare treat - the parks without the crowds. Our days will also be full of activities such as a Navajo led tour of Antelope Canyon, a private guided tour of the Zion Canyon Scenic Drive, and a scenic boat ride on Lake Powell. Treat yourself to some historic memories!

DAY 1 - This morning we fly to Las Vegas, Nevada where we will pick up our motorcoach and begin our journey. We'll be spending the night in St. George, Utah.

DAY 2 - Today we finish our drive to the less-traveled **North Rim** of the awe-inspiring **Grand Canyon**. This is one of the **Seven Natural Wonders of the World** and we will experience this natural wonder away from the hustle and bustle of the south rim crowds. We'll be visiting the historic **Grand Canyon Lodge** which sits on the edge of the canyon walls and offers stunning views from the large terrace area as well as through the 4-story glass windows. Later this afternoon, we'll travel to **Utah's Little Hollywood, Kanab**, where we'll spend the next 2 nights.

DAY 3 - Today we travel to **Page, Arizona** and the banks of **Lake Powell**. Our first stop will be a Navajo-led tour of **Antelope Slot Canyon**, an amazing natural wonder and one of the most beautiful places on earth. The mysterious, magnificent colors of this Canyon make it the most photographed slot canyon in the Southwest. Later, we'll take an **afternoon cruise** on Lake Powell to enjoy these remarkable canyons

from a totally different perspective. We'll also visit the **Glen Canyon Dam** with the scenic backdrop of Lake Powell and its canyons before returning to Kanab for the evening.

DAY 4 – This morning we depart for **Bryce Canyon National Park**. This park is a natural wonderland of towering spires and colorful, erosion-sculpted rocks called **hoodoos**. We'll be staying in the historic **Bryce Canyon Lodge** tonight! This gives us all day to take in the amazing geologic formations, join ranger programs, take a **sunset stroll** on the rim (just a short walk from the lodge), or just relax on your own private porch with your own private fireplace. This area is also one of the best in the country to experience the **night sky**. Be sure to venture outside after dark to enjoy the view.

DAY 5 – Today is again filled with stunning beauty as we venture to **Zion National Park** through the **Zion-Mount Carmel Tunnel**. The drive through Zion Canyon is nothing short of spectacular with its towering white, pink and red sandstone cliffs. Climb aboard our **guided open-air tram** for a private tour along the **Zion Canyon Scenic Drive**. Tonight, we'll be staying at the historic **Zion Lodge** in the heart of the park! Have dinner tonight with a toast to the largest sandstone monoliths right in front of you.

DAY 6 – After a return drive back to Las Vegas, we fly home today after sharing some of our country's most amazing and scenic natural wonders with new friends.
