Enjoy the best Hawaii has to offer with visits to the three most popular islands – Maui, Kauai, and Oahu.

DAY 1 - This morning we will fly to the **Hawaiian Islands**, our 50th state. We will start our tour on the **island of Maui**, the Valley Isle at the resort area of **Kaanapali** where we'll spend the next 3 nights.

DAY 2 – We will start this morning by visiting one of the most scenic spots in Maui. The **Iao Valley State Park**, nicknamed Yosemite of the Pacific, a lush tropical landscape. You will see the **Iao Needle**, a spire that rises 1200 feet from the valley floor. Then for a real taste of Hawaii. And by taste, I mean you will sample 14 of Hawaii's most popular fruits at the **Maui Tropical Plantation** and store. We will take a tram tour of the 60 acres of papaya, guava, mango, taro, macadamia nuts, and coffee. This is a great chance to ship some of these delights back home. On our way home, we will visit **Lahaina**. We will arrive back in time to put on our best Hawaiian attire and join the festivities at Maui's number one **Luau**. Fortunately for us, this is located at our hotel on our very own beach.

DAY 3 – Today will be a **free day** to do as you please. A trip up to see the sunrise at Haleakala may be in order, a round of golf, hanging out at the beach or shopping at Whaler's Village or Lahaina. We can help you plan your activities. One of the most popular excursions we can plan for the group is the road to Hana. This is an all-day adventure that will take you to some of the most beautiful and remote parts of Maui.

DAY 4 - After checking out of the hotel, we will head to the North shore of **Maui** and visit the world famous wind surfing beach at **Ho'okipa Beach Park**. Watch as locals and professional surfers take on the giant waves. Grab a lunch and explore the shops at the quaint town of **Paia** before heading to the airport. This afternoon we will be flying to the **island of Kauai** where we'll be staying the next 2 nights.

DAY 5 – Kauai is known as the "**Garden Isle**" and you will see that first hand today. Our first stop will be the spectacular **Spouting Horn Blowhole**, one of the most photographed spots on Kauai. The Poipu surf channels into a natural lava tube here and releases a huge spout of water that can reach as high as 50 feet into the air. Then it's off to see the beautiful and **Waimea Canyon**, also referenced as the Grand Canyon of the Pacific. The canyon is 10 miles long and 3,600 feet deep and is a sight to see.

DAY 6 – This morning we will take a **boat ride** and see the **Fern Grotto**, an unusual fern-covered cave set in a tropical garden. This afternoon we will fly to the island of **Oahu** where we'll be staying the next 2 nights in the heart of **Waikiki**.

DAY 7 - Today will be a **free day** to do as you please. Your escort will be available in the morning to help you plan your activities. There are many things to do while in Oahu. A great choice would be to visit the **Polynesian Cultural Center**. Arts, craft, dance and music of the Pacific Islanders are presented. Included in the package is the canoe pageant, a narrated tram tour, a Hawaiian film, buffet dinner, and the spectacular evening show. Or you may want to visit the Battleship Missouri or fly to another island for the day to see a Volcano.

DAY 8/9 - Today we will have a **guided city tour** where we'll see sights like **Punchbowl** and downtown **Honolulu**, the capitol of Hawaii. We will also visit **Pearl Harbor** and the very inspirational **USS Arizona Memorial**. Relax and dream of palm trees and warm breezes as we fly back home. Flight schedules vary depending on your home location.
