SPR & PROMOTIONS

SPR & Promotions streams interactive metaverse stage shows live from Las Vegas. Enabling established and emerging productions to deliver amazing next-generation fan experiences.

We work closely with the producers to design and mint NFTs to personalize and enhance the fan experience whilst generating new and direct revenue for the production.

PARTNERSHIPS

SPR & Promotions is focused on serving multiple stakeholders across the event ecosystem, including fans, SPR, Shows & Producers.

We will partner with studios in London, New York, Miami, LA and San Francisco to record metaverse stage shows. We provide a turnkey solution for productions to safely take the leap into streaming in all major metaverse platforms.

WHAT IS AN NFT?

A non-fungible token is a non-interchangeable unit of data stored on a blockchain, a form of digital ledger, that can be sold and traded. Types of NFT data units may be associated with digital files such as photos, videos, and audio.
