

Don't Give In

Temptation Violation
Always testing You
Relentless Persistent
Tranquility overdue
Conflict Friction

Truly challenging You
New Normal Old Normal
Black & White becoming Grey

(Pre Chorus)
The time has come for all to remember
All that's taught and lessons that were given
The time has come for all to remember
right and wrong is not a competition

The time has come for all to remember
Evil is alive and seeking recognition
The time has come for all to remember
Just to ask and all will be forgiven

(Chorus)
Dont Give in
You still can win
Always with You
Through thick & thin

Remorseful Ever Sorrowful
Too late to take it back
Distracted Unperceptive
Securing life back on Track
Resolution Absolution
Primed for Submissiveness
Unescapable Convictions
Healing Peace shall Follow You

(Pre Chorus)

(Chorus) x 2
