

King of Kings

Verse 1

The blessed and only ruler
Victorious in his own time
Flashes from the east to the west
We will know its time
Visible and sudden, every eye will see
The holiest of holy, we will all bow to our knees

Chorus

King of Kings, Lord of Lords
King of Kings, Lord of Lords
King of Kings, Lord of Lords
King of Kings, Lord of Lords

Verse 2

He's awesome and he's mighty
Sent to bring us back to peace
Returning like a lion, roaring like a beast
written on his thigh and written on his robe
The truth has come to save us into heaven, let's go!

Chorus

Bridge

Jesus here to take us home
What a glorious sight it will be!
The holiest of holy, we will all bow to our knees

Chorus
