## HOPE HARBOR 2021: The Future for Your Minsitry.

BY DIRK O'DONNELL

**Y**ou did it! Because of you, Hope Harbor ended 2020 in the BLACK for the first time in many years. Your commitment to providing tools and support to children and families affected by trauma is overwhelming. As we start 2021 I seek to honor your commitment by laying out 3 specific goals for Hope Harbor.

### GOALS FOR 2021

#### 1. Increase Partnerships with Hope Harbor:

In addition to reducing cost to address the deficit, I am working to increase the partnerships with Hope Harbor. Specifically, I am seeking

200 new individuals, churches, and or businesses to be part of the mission of Hope Harbor in 2021. You can help by sharing this newsletter with others at your church, place of business, or social club. Let others know about the mission you are part of at Hope Harbor.

#### 2. Clearly Communicate the Mission of Hope Harbor:

This starts with me being clear about Hope Harbor's mission.

**You make it possible for children and families who have experienced traumatic events to receive the tools and support they need to move forward in life.**

I want to tell others what you are doing. Hope Harbor belongs to you and I have the privilege and responsibility to be the best steward of your resources.

#### 3.Reduce Overhead Costs:

We will do this by utilizing digital communication more and save \$10,000.00 - \$12,000.00. This newsletter will be emailed out primarily, beginning in March. What this means is, if we have an email address on file for you, we will automatically send the next newsletter electronically. If we do not have your email address and you would like to help us in saving printing and postage cost, please contact the office and we will update your information. Also communication

Hope Harbor's Beautiful Campus.

about upcoming events will be sent out via email and / or text messages, and social media outlets.

Hope Harbor has overspent its income for a number of years and is now faced with addressing a projected deficit of \$250,000.00 for 2021. I share this with you in an effort to be transparent. This ministry is yours and I want to do everything I can to make the best use of the resources you have given. Additionally, we will continue to track and identify cost saving measures as part of the daily operations on Campus. From items as small as energy conservation, to making decisions around program scope and scale as we close the gap.

2021 holds so much potential for your ministry at Hope Harbor. I am honored and excited to see what we can do together this year. Additionally, I look forward to getting to meet with you in person this year as we anticipate the day we can have you back on campus for an Open House and hopefully other events.

You make it  
possible for  
children and  
families  
who have  
experienced  
traumatic events  
to receive  
the tools and  
support they  
need to move  
forward in life.

# 2020 BLESSINGS

It's safe to say that the year 2020 didn't pan out like anyone had planned. Hope Harbor was no exception. In January of 2020 we had so many fun activities and fundraisers planned but by March, all those plans were pretty much gone. However, not all of 2020 was bad. One of our greatest blessings this year was to hold our first Give Kids a Shot Clay Shooting Tournament at Snake Creek Shooting Sports in Beggs, Oklahoma. The event took place on November 6th and I am happy to say that it was a huge success.

We had several teams of four compete in the tournament and enjoyed spending the day with them all. The funds raised by this event provided support for children and families. Hope Harbor only exists because of you, our loving donors. The success of this ministry will always happen because of you. We can't wait until next year's tournament! What a great way to heal families and have fun! We plan on the tournament being in November again in 2021. Check our website events calendar for more details throughout the year.

## YOU RAISED OVER \$14,000 TO HEAL FAMILIES!

PHOTO BY MARY HENDRICKS

## We Asked for Your Help on #GivingTuesday for our FRIEND-RAISER & You Made It a Great Success!

**A**MAZING is the best word that describes what you were able to accomplish for families on #GivingTuesday 2020! By giving to the virtual basket auction, donation wall and matching funds, you helped us surpass our fundrasier goal for that day!

## #GivingTuesday Highlights

### VIRTUAL BASKET AUCTION

Usually the basket auction is held at Hope Harbor's Annual Open House & Fish Fry. However, with the COVID pandemic, we were unable to have that event. This did not stop our supporting churches though! Several churches put together baskets and donated them for our virtual auction.

The baskets were a big hit with our bidders and we are so thankful to everyone who participated. Thank you for supporting Hope Harbor. We loved that we were still able to do the auction but we are hoping that we can have it at our 2021 Open House & Fish Fry in September of this year.

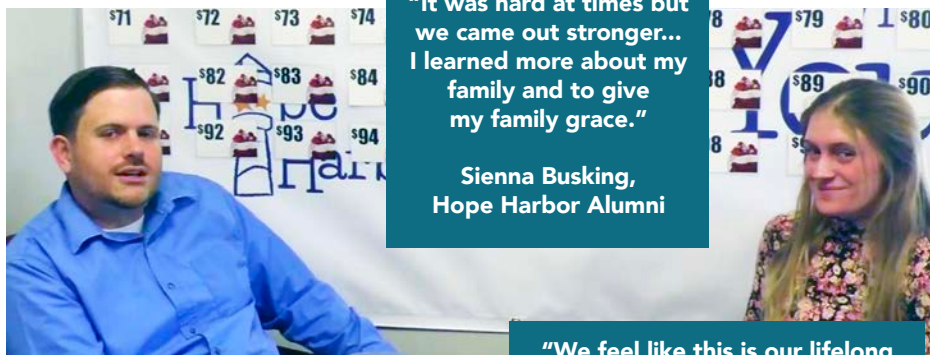

## DONATION WALL

This year we decided to try something fun and new for our Give Kids a Shot Clay Shooting Tournament and our #GivingTuesday FRIEND-RAISER, a donation wall! We put cards numbered from \$1-\$100 on a banner and asked everyone to pick the amount they would like to donate. For example, if you picked \$20, you would take down the card that says \$20 and then donate that amount. We also had two generous donors agree to donate matching funds for the wall at each event. The wall was a success and we enjoyed being able to give updates throughout the event at how close we were to our goal of a clear wall. Thank you to everyone who participated. You made every dollar count!

## COFFEE TALK WITH DIRK

We wanted to give all of you an inside look at the work you are providing here at Hope Harbor. What better way to do this than hearing from the staff and Hope Harbor graduates themselves? Dirk sat down with all of the staff members as well as Sienna Busking, a Hope Harbor Alumni to find out just exactly what goes on here on campus. These interviews are available to watch on our FaceBook page at [www.facebook.com/HopeHarborClaremore](http://www.facebook.com/HopeHarborClaremore) if you would like to see the complete interview.

"It was hard at times but we came out stronger... I learned more about my family and to give my family grace."

Sienna Busking,  
Hope Harbor Alumni

"We feel like this is our lifelong mission...We get to see the kids grow and learn about God. It makes us feel good."

Diane Lynch, RLS

"The best part of this job is witnessing the moment when a person realizes they have hope for something better in their life."

Jennifer Bristow Cain,  
Client Services Director

"I love that I am able to use faith & science into my lessons & blend them together for the students."

Mary Hendricks, Teacher

"I believe Hope Harbor's program as a whole shows the love of Jesus...from the Thrift Harbor workers to our supporters, If it were not for Jesus, Hope Harbor wouldn't exist."

Bill Hartsock, RLS
