April Showers Bring May Flowers

By Dirk O'Donnell

I am noticing the wildflowers starting to show off their beauty in the ditches beside campus more each day. The rains we received during March and April were just right to start their blooming. The same can be said for your partnership in our **2021 Spring Campaign**. In March I set the goal of **\$150,000.00** to raise in the first half of the year. *With the help of matching dollars, you have gotten us over half way there!* As of the date of publication you have provided almost **\$90,000.00** towards this goal!!

Continued on page 2

Because of your great partnership, we are taking steps to allow more children and families to receive the tools and support you provide in 2022!

The first big step is filling 1-2 open staff positions by the end of 2021. These positions are directly connected to the counseling and education the kids and families receive while they are here.

Looking to summer and warmer weather I am excited to restart our annual golf scramble this year. **The 2021 "Tee Off Against Trauma" golf scramble** will be held at **Heritage Hills Golf course in Claremore, Ok** on **June 18**. Lunch will be at 11:30 with a shotgun start at 1:00. **There is more information about the updated golf course and event on pages 6 & 7.** I look forward to meeting many of you for the first time at this

event and sharing a meal with you. Please come out and eat lunch with us and meet many of the Hope Harbor board members and staff who will be there as well.

Thinking back to the wildflowers I see driving to campus each day I want to end with this. Just as God sends the rain to care for His wildflowers, your partnership with Hope Harbor is providing for kids and families that desperately need the love, attention, tools and support you make possible.

Thank You

“And if God cares so wonderfully for wildflowers that are here today and thrown into the fire tomorrow, he will certainly care for you. Why do you have so little faith?”

Your monthly donation allows us to take a planned, long-term approach to our budget. This allows us to use your gifts in the most effective and wisest ways.

INVEST IN THE FUTURE

When trauma is left unresolved it causes depression, anxiety, and loss of concentration. These effects may last into adulthood. You provide the tools and support needed to help. Your investment changes lives.

PARTNER WITH US

Hope Harbor is your ministry. You are the most important part of the healing process for these children and families. We need you and we want you to not only be a donor but also a partner in the fight against trauma. Change a child's life today!

TEE OFF AGAINST TRAUMA

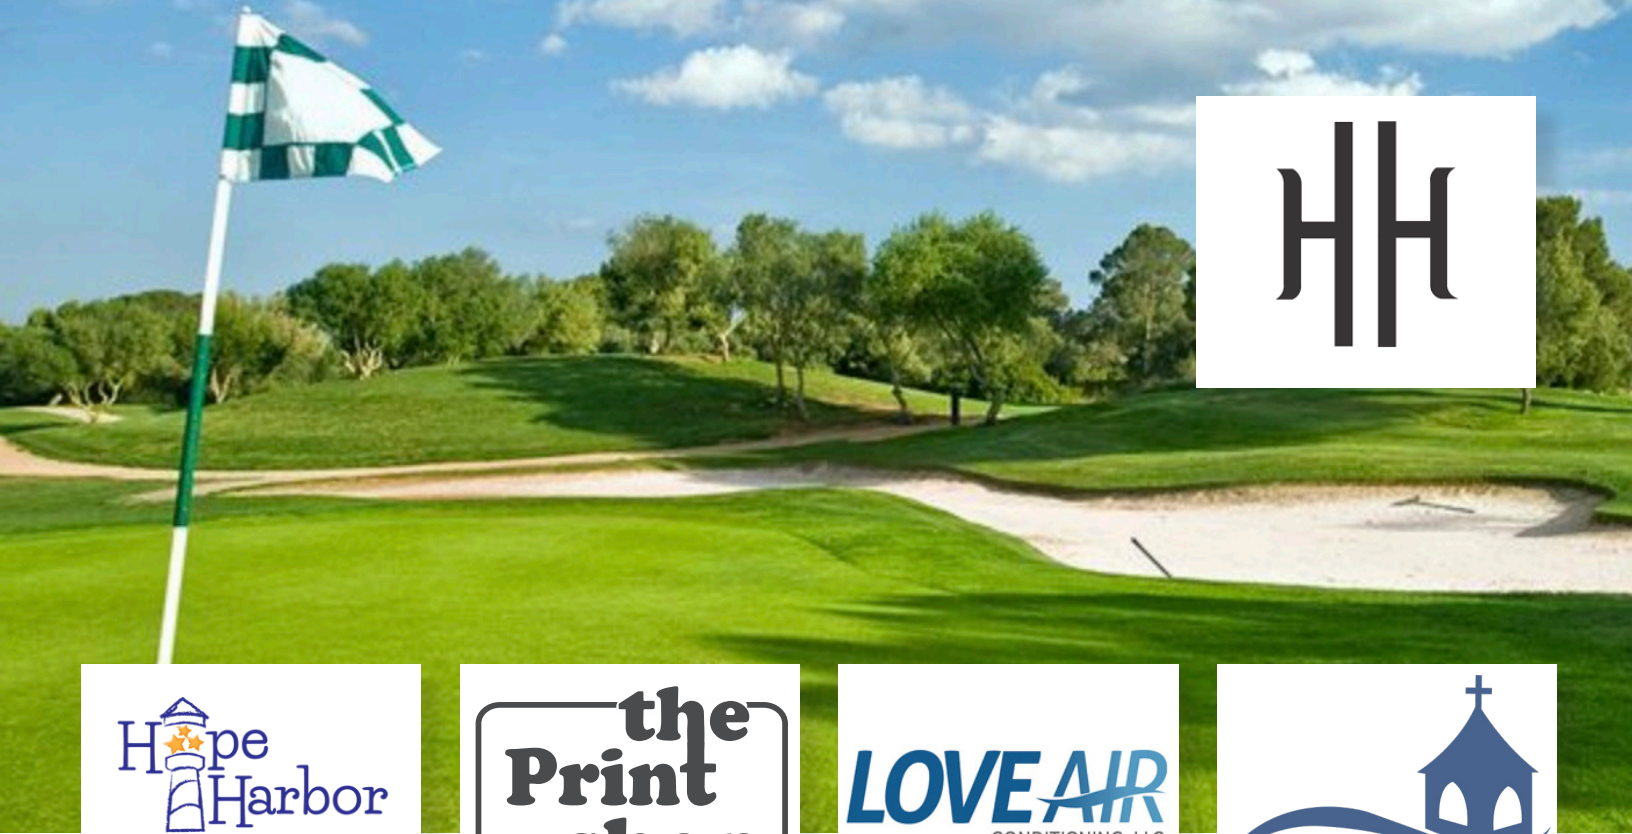

Hope Harbor's Annual Golf Scramble

By Stephanie Steward

We are so excited to announce our **Tee Off Against Trauma** golf scramble. Last year we were unable to hold our annual golf tournament. We missed seeing all our loyal golfers who join us each year. Thankfully on **June 18th** we will get to see all of you again. We would love to add new friends as well.

This year's tournament will be held at the newly renovated **Heritage Hills Golf Course** in **Claremore**. The course features 18 holes and measures 6,701 yards from the longest tees for a par 71. Heritage Hills offers fantastic rolling terrain and is the perfect spot to hold this community event.

Continued on page 7

Continued from page 6

This year's scramble begins with **lunch at 11:30 a.m.** with a shot gun start at **1:00 p.m.** We have several wonderful sponsors. Our snack cart is sponsored by our **Hope Harbor Ambassador's Club.** We will also have several door prizes that are sponsored by **The Print Shop** of Claremore, **Love Air Conditioning, LLC** and **Loomis Insurance Agency, Inc.** So if you are a golfer, or like to pretend to be a golfer, join us for this fun event.

Hope Harbor is your ministry. The children and families you provide tools and support for have new hope in their lives. Traumatic events shaped their past but you have provided a way for them to reshape their futures into a life full of purpose, promise and potential. Thank you for all that you do for these children and their families. We are honored to be in a partnership with you. *See you on the course!*
