DID YOU KNOW?

Children Who Enter Adulthood without a Connection to their Family Have a

20% Chance of Being Homeless

25% Chance of Spending Time in the Criminal Justice System

42% Chance of Not Graduating High School

97% Chance of Not Earning a College Degree by Age 25

The children at Hope Harbor are not here because they have no families or their families do not want them. Rather, they are here because their families are asking for help. Help for their child to heal from traumatic events. Help for the parents to connect with them and overcome the impact of trauma in their family. Help to be the support system their child needs to become a productive member of society.

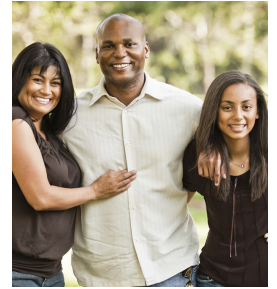

The heartbeat of Hope Harbor is Connection. We utilize Trust-Based Relationship Intervention (TBRI) and other evidence-based practices as we walk with children and families on their journey toward healing. Our foundation, and our history, are tied to the importance of faith and family.

Since 1947, Hope Harbor (formerly Turley Children's Home) has been a place where committed donors offer hurting families connection to God and other people.

Cottage life is home-like, warm, and safe. Our House Parents are trained professionals who provide a positive environment for children, and offer the opportunity to try new patterns and behaviors. Our Academy features low student:teacher ratios, the opportunity to connect with teachers, and learn to love learning again, or even for the first time.

Our counseling services are provided by licensed mental health professionals, and are evidence-based; our counseling staff are also TBRI practitioners. Every child participates in individual, group, and family counseling.

Our program is deeply rooted in family work. We believe the connection to family is among the most important connections in life, and is the foundation of growth and healing. Children do not participate in our program alone—every family commits to walking this path together, leading to change for the entire family.

“God is our refuge and our strength, a very present help in times of trouble.” -Psalm 46:1

THE PROGRAM

FAITH

We believe that true healing begins with Jesus. **For we are God's masterpiece. He has created us anew in Christ Jesus, so we can do the good things he planned for us long ago. -Eph. 2:10**

COTTAGE LIFE

We strive to make our campus welcoming and inviting. Our cottages are set up to be an “home like” environment. We want children to feel safe and secure during their stay at Hope Harbor.

ACADEMY

The academy at Hope Harbor is designed to help the child stay up-to-date with their studies while they work the program.

COUNSELING

Our residents participate in individual, group, and family therapy. We use only evidence based practices.

FAMILY

Families are the focus at Hope Harbor. This approach creates life altering changes for the entire family.

ADMISSIONS

The first step to a new future is now! We are committed to walking with families from admission day to graduation day and beyond.

Thank You

We would like to thank the **Blue Starr Church of Christ, 29th & Yale Church of Christ, Wilburton Church of Christ, Downtown Bixby Church of Christ, Red Oak Church of Christ, North Sheridan Church of Christ, Drumright Church of Christ, The Park Church of Christ, Central Church of Christ in Haskell, Crowder Church of Christ, Stigler Church of Christ, Legacy Church of Christ, Harbor Church, Hope Harbor Academy, Thrift Harbor, Express Personal, The Celebrate Recovery Group at The Park, Mrs. Sharon O'Donnell, and Mrs. Diane Lynch** for donating all the lovely baskets for the auction.

We would also like to thank **Mrs. Evelyn Haysler, Mrs. Debbie Schroeder, Mrs. Rachel O'Donnell, Mrs. Becky Busby, The Pink House, MAD EATS, Wildflour Baking Co., Front Porch Bakery, and Hammett House** for all the wonderful desserts for the dessert auction.

Congratulations to **Mrs. Kim Prock** for being awarded our Hands of Hope award and for upcoming retirement from her many years of service at Thrift Harbor.

Lastly, thank you to everyone who donated to our donation wall and to the board member and their company who provided the matching funds for the donation wall. We are so humbled by everything that was done to make this day the success that it was.
