Hope Harbor Honors JOE & JONITA THOMAS

BY DR. BOB WHIDDON, JR.

We are proud to have honored Joe and Jonita Thomas of Harrah, OK as the 2018 Hands of Hope recipients. The Hands of Hope Award honors those who have invested substantially of their time, energy, and talents to go above and beyond, not just as donors but as supporters, for the children and families served by Hope Harbor. Joe and Jonita Thomas exemplify our vision of Restoring hope, Transforming lives, and Reconciling families. Joe and Jonita have been involved with Hope Harbor across the decades in ways too numerous to count, and demonstrate heart and enthusiasm in their commitment to our work - a commitment which has influenced many others to support the work here as well. Their many projects at Hope Harbor have in recent years included contributing to the Joe² disc golf course, the procurement of a kiln, and the outfitting of the Tucker House kitchen. However, the project for which the Thomas' are most well-known to the residents of Hope Harbor is heading the group that creates Welcome Bags. These handmade bags are filled with useful essentials and given to new residents on their first day at Hope Harbor. A resident's first day at Hope Harbor is often a tear-filled and challenging time, and these Welcome Bags offer tangible care and support for chil
