This year I am looking for new ways to involve you in the fight for families. The first of these events is an opportunity to eat lunch at Hope Harbor. I am looking for groups or individuals who can come on Wednesdays to help provide and then eat lunch with the staff and students. This is open to churches, professional groups, or individuals who want to serve and connect. **Call or email us to find out what dates are open, 918-343-0003 info@hopeharborinc.org.**

As a report on the business portion of Hope Harbor, **you did it! You gave over \$1 million dollars in 2021.** These dollars are invested into keeping kids connected to their families. The impacts of childhood trauma are many and negative; however, the worst is when it causes a child to lose connection to their family. You are providing the tools and support kids and families are asking for to help keep them together.

Thank you for being a champion for families. I look forward to serving alongside you this year as together we fight for families and look for new ways to support kids impacted by trauma.

2021

Mr. Wade Miller won the drawing for the Rock Island Armory VRBP-100 12 gauge Bullpup Shotgun donated by an anonymous person on the day of the tournament.

You all our amazing when it comes to supporting Hope Harbor and the families we serve. This year's Give Kids a Shot sporting clay tournament was no exception to that rule. We had 11 teams of four join us on November 5th at Snake Creek Shooting Sports. It was a fun-filled day of competition and commendatory. We had an anonymous person buy a new rifle and gave it to us to auction off. What an amazing surprise!

The funds raised by this event provided support for children and families. Hope Harbor only exists because of you, our loving donors. The success of this ministry will always happen because of you. We can't wait until next year's tournament! What a great way to heal families and have fun! We plan on the tournament being in November again in 2022. Check our website events calendar for more details throughout the year.

YOU RAISED OVER \$20,000 TO HEAL FAMILIES! #GivingTuesday 2021

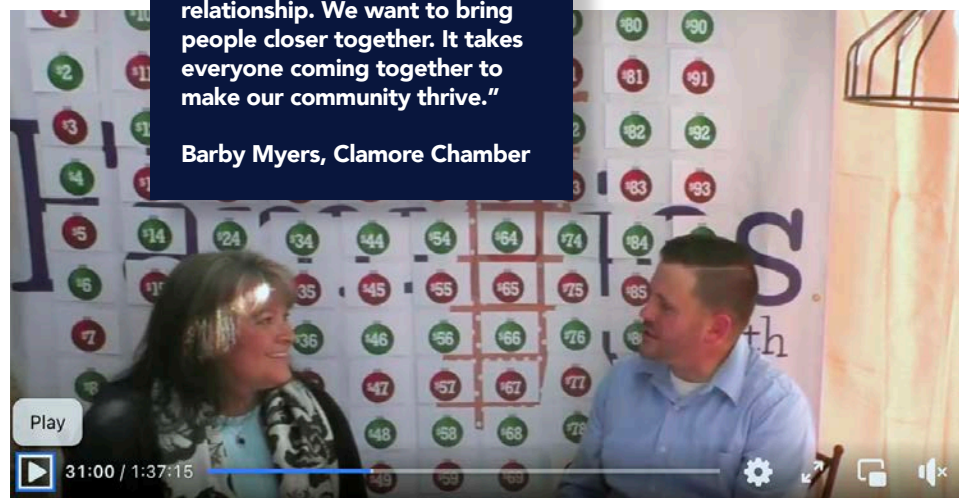

AMAZING is the best word that describes what you were able to accomplish for families on #GivingTuesday 2021! We went live from Thrift Harbor and visited with the staff there as well as Barby Myers, our Claremore Chamber President. Claremore is a

city who is very interested in supporting local families. We are honored to be a part of the Claremore community. Thrift Harbor is one of the greatest resources we have to connect and give back to our community. Thank you for being a part of it and for supporting it for over a decade!

#GivingTuesday Highlights

"It's all about connection & relationship. We want to bring people closer together. It takes everyone coming together to make our community thrive."

Barby Myers, Claremore Chamber

Claremore has an amazing Chamber of Commerce who are always working to make our city a better place to live. Barby Myers spoke with us about how she sees the community of Claremore.

Continued on page 11

"At first I was worried that I wouldn't be able to do this but this ministry has been such a source of fulfilment in my life. I prayed a lot to God to help us make this work. We have been blessed in so many ways. You hear stories that just touch your heart."

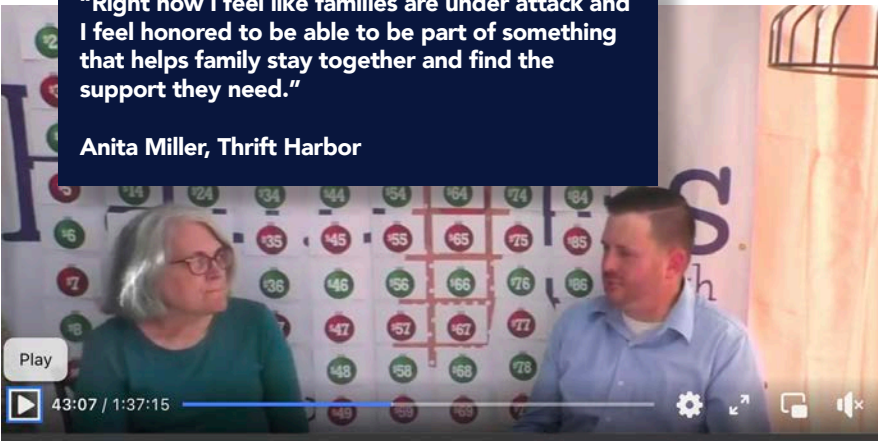

Kim Prock, Thrift Harbor

Kim Prock has been the manager of Thrift Harbor since it's beginning in 2011. After 11 years of service she is retiring. Kim's leadership and guidance helped Thrift Harbor grow from a small store front location to one of the best Thrift stores in the Lilac District. We are so proud of all the work she and her staff do for Hope Harbor and the children and families we serve. We wish her the best on her next chapter in life.

"Right now I feel like families are under attack and I feel honored to be able to be part of something that helps family stay together and find the support they need."

Anita Miller, Thrift Harbor

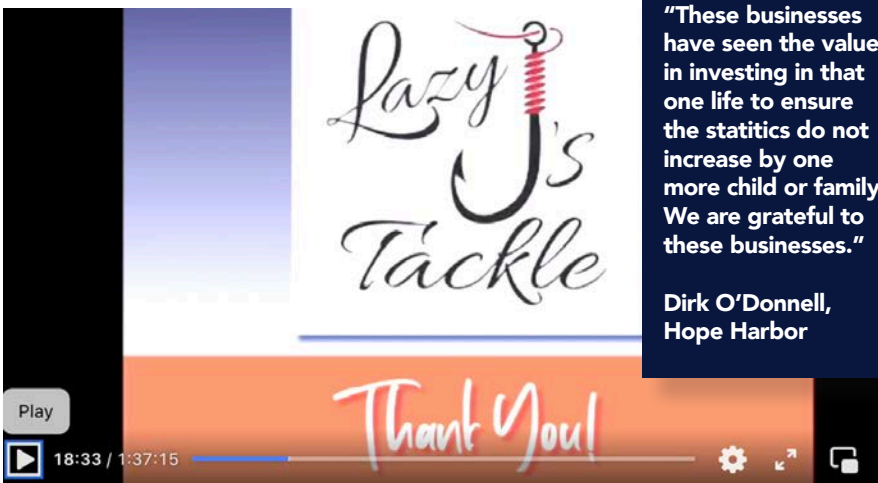

Anita Miller is the new manager of Thrift Harbor. We are so excited to see what the future of Thrift Harbor holds and we know it will continue to grow and be an amazing resource to the community of Claremore.

Lazy J's Tackle

"These businesses have seen the value in investing in that one life to ensure the statistics do not increase by one more child or family. We are grateful to these businesses."

Dirk O'Donnell, Hope Harbor

Claremore businesses are so supportive of Hope Harbor. We wanted to take the time to publically thank them on our #GivingTuesday live event. Partnerships are so important for Hope Harbor to thrive and we love our local businesses and all they do for us and for the families we serve.
