

# Rebuild Boomtown Playground

Join us in funding our playground to create a vibrant and inclusive play space for our children and surrounding communities. As you consider helping us, we have two levels that most people choose:

**Friends of the Playground:** gifts ranging from \$250 to \$2,499. They will be recognized via social media, newspapers, and our website.

**Partners in Play:** gifts range from \$2,500 and up. They will also be recognized on the donor wall at the playground marking their contribution for years to come.

How would you like to support us? (Please check box below)
