Dear Hiring Manager,

Ryland Alms has been a trusted design partner during my time as VP of Apparel Design at Yeezy. He is a talented and skilled apparel designer who is always ready to help and find creative solutions. Ryland has been an invaluable team member, supporting many designers and dealing directly with Ye for specific design tasks.

Ryland excelled on projects that needed a high level of creativity and organization, producing our technical sketches, setting up line plans and tech packs, photoshop illustrations, and working hands-on with samples. He works well with a team and creates an atmosphere of inclusion and creativity.

I highly regard Ryland and wholeheartedly recommend him for any future role.

Yours Faithfully,
