RE: SEX OFFENDERS

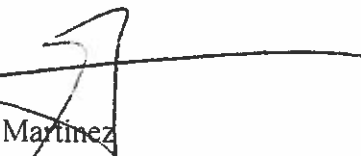

For all using UAII services.

We at United American Indian Involvement, Inc. strive to keep a safe environment for everyone, while utilizing our services. Due to the fact that we have a high school at our facility, and that we provide services to children, youth and families, we require any person who is registered as a sex offender to voluntarily disclose their status when present at our facility or when receiving services.

If you are a registered sex offender, please make an appointment to see me with the proper documentation specifying your restrictions, so we can try to accommodate your service needs. Information received will be kept confidential or utilized on a need to know basis for relevant staff members. Disclosures of a sex offender status will not result in a refusal of services. However, the time, place, and manner of providing services may be regulated and scheduled to ensure the safety of UAII employees and other clients.

**If you are a registered sex offender and you are identified through public information such as the Megan's Law Website, and you do not self-report, UAII has the right to refuse service.**

Respectfully,

  
Gene Martinez  
Interim Chief Executive Officer
