

## ROOMMATE MATCHING PROGRAM

### Travel Solo Without the Single Supplement!

At **Phenomenal Escapes**, we believe that unforgettable travel experiences shouldn't come with a hefty price tag—especially for solo travelers. Our **Roommate Match** program connects like-minded travelers who want to share accommodations and avoid the extra cost of a single supplement.

### How It Works:

- ✓ **You Sign Up** – Select the **Roommate Match** option when booking your trip.
- ✓ **We Pair You Thoughtfully** – We consider travel styles, preferences, and personalities to find a great match.
- ✓ **You Connect Before the Trip** – We'll introduce you to your roommate so you can get acquainted before your adventure begins.
- ✓ **Enjoy Stress-Free Travel** – No more worrying about the added expense of solo accommodations.

### What If We Can't Find a Match?

While we do our best to pair every traveler, a match isn't always guaranteed. If we're unable to find a suitable roommate, you'll have the option to:

- ◆ **Pay the Single Supplement** to keep your private room.
- ◆ **Cancel for a Credit for Future Travel** (subject to the trip's cancellation policy).

## Why Travelers Love It:

- ✦✦ **Cost Savings** – Enjoy all the perks of group travel without the added expense.
- ✦✦ **Built-in Travel Buddy** – Experience the journey with a like-minded traveler.
- ✦✦ **Stress-Free Planning** – We handle the logistics so you can focus on enjoying the trip.

## Connecting with Your Roommate

Once **75% of your reservation is paid**, you will begin receiving email notifications from **Phenomenal Escapes** with the name, email address, and description of other solo travelers on your tour who have also expressed an interest in finding a roommate. Your information will also be shared with them.

We encourage you to connect, have conversations, and ensure compatibility before finalizing your match. Once both travelers agree, you must **notify Phenomenal Escapes within two weeks** so we can update your booking.

Ready to join a **Phenomenal Journey** and find your perfect travel roommate? Let us handle the details so you can focus on making unforgettable memories.
