How to customize chandeliers

1. Send us a clear picture of the chandelier you want to customize, along with your requirements to our professional sales consultant.
2. Our sales consultant will discuss with our designers to optimize the design and appraise the price.
3. Reach a consensus, then arrange the following schedule.
4. Confirm all the detail information, then pay the deposit (usually 30%).
5. Manufacture chandeliers after receiving the deposit. (usually 30 days)
6. When completed, we ask you to inspect the goods, or we will send you some photos for approval.
7. Pay the balance, and provide the payment proof.
8. Arrange delivery, or you can ask your agent to pick up goods from our factory
9. After the goods are received, if any damage occurs during shipment, within 3 months, we will send you the broken component pieces for free.
