

World Council  
**for Health**  
New Zealand

# There is a better way forward in health.

Are you a Healthcare Practitioner who believes there is a better way forward in health? Join the World Council for Health New Zealand as we enable a network of Practitioners to 'practice with integrity and curiosity in uncertain times.'

**Represent** - global principles of truth, integrity & compassion

**Connect** - mainstream and complementary approaches

**Foster** - collaboration & shared experiences

**Share** - resources and evidence-based insights
