## Foreword

Watching a flower bloom one notices that not all the petals emerge simultaneously. The outer petals give the flower its beauty for a while only to recede into the background and yield their prestige to others. This process continues with every petal at some time reaching its zenith and fruition.

A comparison can be drawn between this flower and the school year. Each facet of the school life emerges, gains eminence and then recedes to become an integral part of the school history. But like the petals of a flower, each club, sport, or class activity does not proceed at the same rate in this cycle. A short synopsis of the first half of a typical year will illustrate this point clearly.

At the start of school everyone is concerned with the election of officers and representatives to Student Council. This excitement soon succumbs to the business of organizing the various clubs and planning the agenda of each for the new year. Of course, in the fall the Satur-

days are reserved for the ever enthralling football games. But with the approach of cold weather the gridmen yield their place of glory to the indoor seeking cagers and matmen. Soon the Christmas season is upon us and many activities are arranged, the most prominent being the Christmas Concert and the Winter Ball. The new year arrives and as ironic as it may seem it ushers in a period of tension and gloom to the students. The cause, of course is that yearly menace, mid-terms. No matter what the results a sigh of relief issues forth from the entire student body when these are concluded and they settle down peacefully for the second semester.

In hopes of a true representation of the student life at Hoosick Falls Central the 1966 Vagabond has recorded the events of the past year as they are unfolded.

## In Appreciation of Mr. Ralph S. Bullock . . .

"Prof"

We thank you, Mr. Bullock, for your 38 years of service--for the many students that have left this school better prepared to face the world because of their contact with you. We thank you for that, but perhaps more, we thank you for that ready smile that has brightened the halls and the hearts of our school and which will, without doubt, forever brighten our memories and the memories of all those who have known you.

# Superintendent's Message

To the Class of 1965:

On behalf of the Faculty and staff I congratulate you on the successful completion of your secondary education.

This present achievement is an accomplishment of which you can be justly proud. This is, however, only the beginning in the never ending process of education. Whether or not you continue your education in a formal sense, this world of ours daily challenges our learning.

This class of 1965 has established some noteworthy achievements here. May all of you continue in success. We all wish you a full measure of contentment, whatever your endeavor.

## High School Principal

It is a rare moment when Mr. Leonard is caught sitting at his desk. He is usually found hurrying about the halls solving the ever-present problems of the principal's job.

### Board of Education

We owe a debt of gratitude to our Board of Education for their splendid work throughout our years at Hoosick Falls Central. They are the people who see that the school runs smoothly and according to plan. These elected officials must accept with their position many serious duties and responsibilities. To cope with our expanding enrollment, the Board presented the public with a plan for an addition to the elementary division. The plan was widely accepted and construction will begin next year.

We wish to thank you for this and all of your help in making our school a well-run institution. We have confidence that you will continue to do as fine a job for those who come after us as you have done in the past.

## Freshman Class

Assisted by Mr. Dorn, Mr. Waltz, and Mr. Altobell, the Freshman Class officers planned their first dance, the "Frosh Flop," which was successfully held on November 20th. The freshman class also sponsored a dance after the first home basketball game on December 18th.

The class elections resulted in a victory for W. Robson, President; G. Reynolds, Vice-President; P. Scaglione, Secretary; and C. Pitt, Treasurer. The students elected to represent the ninth graders on the student council were G. Reynolds, W. Miller, and D. Fowler.

## Student Council

Student Council member S. Reynolds works over the plans for a foreign exchange program sponsored by the council.

Guided by Mr. Eastwick, the Student Council, which is composed of class officers and elected homeroom representatives, launched its important project for 1965. The group is sponsoring a student-exchange program. Under this program, a student from H.F.C.S. would be able to spend two months of his summer vacation in a Latin American country, and likewise a student from Latin America would be able to spend part of his summer vacation here. Since summer vacations occur at different times, each of the participants will attend classes in the countries they are visiting.

During the year the student governing body also presented an assembly program and several dances. The council enjoys the position of being one of the most important student organizations in the school, for it serves as a common media for the student body and the administration.

## Varsity Football

Varsity football at Hoosick Falls has reached its zenith this year under the direction of Coach Kenyon and Coach Decker, the new line coach. The strong running game of the Hoosiers rolled up 138 points. This was not done with any so called get rich quick plays, but with the hard quick-hitting ground attack that the Hoosiers are famous for. The team set a new defensive record of only allowing 27 points in league competition. No one will ever forget the exciting climax to the 6-1-1 season with the fantastic Greenwich game ending in a tie. Thus the powerful team captured the co-championship of the Washington County Football League.

As the season progressed, proud coaches Harold "Bud" Kenyon and assistant coach Richard Decker take time out to pose with their hard-working co-captains Don Marsh and Taylor Rowland.

# Power was supplied by a great team;

Happy cheerleaders run out to congratulate an even happier team after a typical Hoosier victory.

At half time the enthusiasm displayed by H. F. C. S. cheerleaders is a mark of credit both to the school and to the art of good sportsmanship.

Another opponent bites the dust under the able hands of star players, B. Higfield and D. Marsh.

After a grueling practice, manager Bob "Eli" Seney brings chuckles to the team with his clowning.

spirit by the crowds and cheerleaders

Outstanding back J. Arnold is brought down on top of fellow Hoosiers but only after a gain of several yards.

Quarterback D. Marsh sheds his helmet for a moment's rest and a short talk of game strategy with Coach Kenyon. This was a typical sight throughout the season.

An unidentified Hoosier wields a broom menacingly above a witch in a skit prior to the game. This was just part of the planned program which included a motorcade through town.

Eluding three opponents Frank Carelli races downfield gaining needed yardage for the Hoosiers.

## The Greenwich Game

Tom Chapman blasts on his trumpet, and Senior band members B. Clipperly, S. Eddy, and K. White emit a deafening howl.

Football is a game that requires a 100 per cent effort from each individual member of the squad. A team can not function properly if even one of the eleven members fails to do his share. The last game of the season in which the undefeated Hoosiers met the undefeated Witches to vie for the Washington County Championship was an illustration of football at its greatest. Both teams gave their maximum and provided the immense crowd of spectators with one of the most exciting football games ever. Our tremendous record setting defense was able to halt one of the finest offenses the league has seen in years. Although the climax brought a 13 to 13 tie, our school should be proud to have a football team that produced such an outstanding season and at the same time did this in the best traditions of sportsmanship.

Tumbling, balancing, and dancing are all very important to a sound intramural program. B. Ellis, C. Davendonis, G. Cornell, L. Bedard, M. Miller, S. Eddy show their tumbling ability by becoming a human pagoda. This is the way the girls spend the winter months when outdoor sports are impossible.

## Fall finds female Hoosiers in competition.

### Girls' Intramurals

During the past year and the present year the girls have participated in a number of exciting and interesting sports. These sports begin after the opening of school in September and end in June. In this time period, the girls enjoy playing and competing in the wide variety of activities.

Field hockey and soccer are the two main sports in the fall months. Teams are set up and each week there is exciting competition.

When the weather becomes too cold for outdoor sports the girls retire to the gym where they enjoy basketball, volleyball, and modern dance. These various sports are played in a series during the winter months in which weather makes outside sports impossible. In the late spring attention turns to another exciting sport, softball. This continues until just before graduation.

During the year our school also participates in interscholastic games with the local schools and sportsdays which all the area schools participate.

No matter what the time of year is, Miss McIntosh, the gym instructor, has an exciting schedule planned for the girls of HFCS.

Gail Buswell returns the serve from her opponent during the badminton tournament in February. Gail and her partner Marge Gardner went on to win this five week elimination contest.

## Work is the main ingredient in a good yearbook.

Much hard work and many long hours have been put into this yearbook but all members agree that the experience of working together has been rewarding. The final satisfaction will come when the yearbooks are presented to the Senior Class at the Junior-Senior Banquet.

## Le Cercle Français

Le Cercle Français, under the guidance of Miss Goewey, was formed to further the members' understanding and appreciation of the language of France.

The members, all at least second year French students, try to conduct their short business sessions and cultural programs totally in French. This constant use of their language gives the students a greater flexibility of usage and comprehension in their classroom studies.

After each business meeting, cultural programs are presented by committees of members. These are designed to help the students achieve a better understanding of the culture and traditions of the French people. Their interest in French traditions has led to their plans for the near future -- a plan to use the money in the treasury to spend an enjoyable time dining at a French restaurant.

During the year, they have had many activities. Among these have been a dance after a basketball game, the viewing of slides taken in France by Miss Goewey on her recent tour, and a party at Christmas.

Officers elected for this year were C. Fink, President; S. Reynolds, Vice-President; S. Busby, Treasurer; S. Davison, Secretary.

BOTTOM ROW: C. Fink, S. Davison, S. Busby, S. Reynolds.  
2nd ROW: C. McNeilly, L. Cappellino, M. Bisson, L. Weeden, N. Nelson, B. Bisson. 3rd ROW: C. Petersen, M. McCart, L. Jones, D. Smith, E. Sprague, J. Richards, N. Steller, D. Harrison, and Miss Goewey.

## French Club is the first to organize in the fall.

Enthusiasm and interest are shown on the faces of these French Club members, during one of their regular Tuesday meetings.

## Basic theatrical procedures are explored.

Mr. Fink lectures in some of the different phases of acting. During the year an attempt was made to hit upon many topics.

### Drama Ensemble

This year the Drama Ensemble was fortunate enough to have as its advisor Mr. Paul Fink, H.F.C.S. alumnus and theatrical student at Bennington College. Through him the members learned the mechanics of the theater and the fundamental techniques of acting.

The year was divided in half to enable the members to get a taste of both the mechanical aspects of theatrical work, as in adapting to situations through "action improvisations," and the production of a play, by first doing scenes from various plays and finally staging an entire production.

Although the membership was quite large at first, many found that acting was not as easy as it sounded, and by the end of the first semester a comfortable group of twelve remained. Those people with that certain love of theater and hard work deserve much credit. They are: D. Bushey, S. Busby, S. Davison, C. Fink, D. Fowler, L. Paquette, C. Petersen, B. Sausville, G. Hall, G. Harrison, J. Helft, and M. Rice.

Different skits are tried, some serious and some amusing as this one! L. Paquette, G. Harrison, S. Davison, and B. Sausville are taking part.

## Library Club

The Library Club is a very necessary part of our school library and enables us to get the full benefit from the facilities open to us.

The Club members are under the supervision of Mrs. Kelly and learn the duties and responsibilities of the hard working librarian. These numerous duties include organizing magazines, checking out books, supervising the Junior High department and creating colorful and interesting displays in the Library display window to be seen by all at various times. Although there is much work, it is fun and the girls enjoy it.

This year the Library Club members have also participated in the activities of the Elementary Library, lending a hand where it is needed, and making the practical knowledge which they have learned in Library Club of use.

The officers this year include: President, A. Pudvar; Vice-President, M. Schmigel; Secretary-Treasurer, G. Cornell.

Mrs. Kelly is hard at work as usual. She takes time out from her many duties to supervise the Library Club girls.

### CLUB MEMBERS:

## The Hoosiers provided many exciting moments

Frank Keyes is still "up in the air" after shooting for two points in the Greenwich game.

### Varsity Basketball 1964-65

Despite a mediocre season as compared to other years, this year's varsity proved themselves worthy representatives of our school. All of the games were hard-fought and provided many anxious moments for players and spectators alike. Perhaps the most exciting game was a non-league contest against Averill Park played on the home court. Overcoming a 16 point halftime deficit, the boys had tied the score at the end of regulation play. The score was still deadlocked after the first 3 minutes overtime but a rally in the second overtime brought the Hoosiers to victory, winning finally by 2 points.

In the Mechanicville Christmas tournament we reached the finals for the second year in a row and came home with the second-place trophy.

Each game, win or lose, was played with the desire to win strong in the hearts of the players but, unfortunately, the slump that plagued the team stayed with it most of the year. The team finished with 7 wins and 9 losses. However with many of this year's players returning, next year's squad should prove to be a real threat to other teams in the league.

This year the "New Management" sign was up on the J. V. locker room as Coach Wheeler took over coaching the "Little Hoosiers." The boys were mostly the same though; a little more experienced and playing a little better ball this year. The new faces added to last year's squad gave this year's team a little variety and map and helped to make this year a relatively successful one with 5 wins, far surpassing last year's record. The boys worked hard and both they and Coach Wheeler deserve to be congratulated on the team's improvement.

## The Senior Band brings the gaiety of the holiday

### Senior Band

No other organization in this school requires of its participants more work, time, skill, and concentration than the Senior Band, and at the same time returns to the member such enjoyment and sense of accomplishment. To the students in the group and its director, Mr. H. Luther Everly, a lot of credit is due, for the organization has attained a reputation which is not only respected by the school and community, but also by the entire county.

This year the band held its annual Christmas concert with a very favorable outcome. A tape was made at the concert and was used as an audition for the opportunity of playing at the World's Fair. This audition was a complete success, for not only did the band play at the New York Pavilion on April 22, but the group had the immense honor of playing at the United States Pavilion on April 23.

In the last two competitions the band has achieved a "B" rating in the most difficult level of music. Each time the "A" rating was missed by only a few points.

The aim of the Senior Band is to develop each student both musically and mentally so that he will be able to take his place in an adult world with a sense of cultural value and a mature mind.

We, the members of the senior class who have worked in band with Mr. "E" since our freshman year, the first year he taught at HFCS, take this opportunity to express our appreciation to him for his help and understanding these past four years.

## Senior Chorus

On every Tuesday and Thursday, A and B lunch hour, the more than fifty members of the Senior Chorus gather together for rehearsals in the auditorium. Due to this devoted practice and the direction of Mrs. Eloise Canzeri, the group has attained area recognition for fine tonal quality and choral balance.

At Christmas the Senior Band and Chorus had their own concert. This concert was a success both in terms of public attendance and musical effect.

In late spring the chorus participated in the Tri-State Choral Festival at Bennington and the N. Y. S. S. M. A. Competition at Cambridge. These competitions allow the students to compare their performance with that of other choral groups and to learn various ways of improving their own style.

The finale of the year for the chorus was the Spring Concert at which an impressive program consisting of a wide variety of musical selections was given.

Much of the success the group has attained is due to the experience and capabilities of its director, Mrs. Canzeri.

## There's impressive winter excitement as H.F.C.S.

This year under the leadership of Coach Decker the wrestling team captured the first Washington County Wrestling League championship, not to mention a 12-2-1 overall record and six individual championships at the first Washington County Wrestling Tournament. This would have been a record worthy of any team, but in light of the improvement over last year's record it is particularly outstanding. The success of the squad can be attributed in part to the long hard hours of practice and drill every afternoon from 3:10 to 6:00. This year marked the first time that a crowd gathered in the gymnasium at H. F. C. S. to see the "grapplers" demonstrate their know-how.

Next year we can look forward to an even better record from the eleven returning members of the first string and the many supporting members of this year's squad. It is hoped that a flock of new blood will also be out for the team, and that the public interest and school support will grow along with the team. The boys should be congratulated for a fine year's performance.

The officers, under the supervision of Miss Hulihan, Mr. Peckham and Mr. Eastwick planned a dance after a basketball game. They made arrangements for several dances and fund raising activities. All this hard work was climaxed by the annual sophomore trip to New York.

## Winter Ball

J. Filkins and G. Pine pose for a picture under the archway. This opportunity was available to all couples attending the "Snowflake Sonata."

On Saturday morning, December 19, the school cafeteria was the scene of much activity. The windows were washed and then frosted with artificial snow. A huge blue spruce was bedecked with ornaments, lights, and icicles. Snowflakes which the students had made from tin can covers were suspended all about the walls, and an archway of evergreen was erected about the entrance. The tables were arranged and then covered with tablecloths and centerpieces constructed by the students. To add a finishing touch a sprig of mistletoe was hung from the center of the ceiling under which all couples were bound to dance. Although the students were tired, they left at noon well pleased with their morning's work.

When night came their efforts were rewarded for the cafeteria was truly beautiful. The blue lights of the Christmas tree gave a cool and relaxing atmosphere to the room. The snowflakes glistened and a scent of spruce was present in the air. Approximately forty-five couples attended and danced to the music of the Paul Kreiger orchestra. Refreshments were served and couples had the opportunity to have their picture taken if desired. The senior class wishes to extend their thanks to Mrs. Von Haggin who worked so hard to make this winter ball a success.

## Blue Keys

The study of radio-electronics has been shown to be an important factor in today's world and will definitely prove to be of increasing significance in the future. Therefore, radio clubs have been organized throughout the nation to stimulate awareness of the subject in the minds of youth. At H.F.C.S., the three year old Blue Keys radio club was organized to give students the opportunity to become acquainted with others who share their hobby all over the nation. The club has produced several licensed operators who work the school station - WB2ESO - as well as their own "rigs" at home.

Blue Keys advisor, Mr. Wahler, instructs members in Morse Code and prepares them for a license. With the powerful Ranger II transmitter and SX 120 receiver, students have made well over 300 contacts with "hams" in this and other countries, including Canada and Italy.

The club is constantly looking for new members to send the name of Hoosick Falls across the nation and the world.

M. Gottschalk and D. Hall send out a C. Q. from The Blue Keys Radio shack, station WB2ESO. In the past year the Hoosick "Hams" have made an impressive list of contacts.

### F.T.A.

Advised by Mr. Folgert and Mrs. Cunningham, the Hoosick Falls chapter of the Future Teachers of America enjoyed a very active and successful year. Officers elected in the Fall were: R. Pitt, President; B. Sausville, Vice-President; L. Cappellino, Recording Secretary, S. Busby, Corresponding Secretary; and B. Bushey, Treasurer.

One of the first activities undertaken by the club was the acting as guides at the annual "open house" for parents of high school students. Some of their activities include having movies and individual speakers at monthly meetings and going on field trips to various colleges. This Christmas the F. T. A. had a party for the special class. In March the officers also attended the F. T. A. convention in West Syracuse.

## Junior Library Club

Junior Library Club, assisted by Mr. Bruce Wheeler, elected the following members as officers: A. Stetson, President; B. Wilson, Vice-President; S. Elliot, Secretary; B. Sausville, Treasurer. This group learns the fundamentals which enable them to not only become fully aware of the uses of the library but also the principles behind the operation of the library. To fulfill the requirements of membership, a member must spend a certain amount of time assisting the librarian. Thus he is learning by one of the oldest means, apprenticeship.

Club officers are: R. Crowley, President; N. Lohnes, Secretary; and L. Shaw, Treasurer.

A dance to raise money for club activities and a field trip to the state library highlighted the year.

## Midterms

Concentrated reading of notebooks, reviewing of past tests and quizzes, quickly covering textbook material, and perhaps even saying a few prayers are all part of the midterm enigma. The above statement may give a brief explanation as to why midterm week is most often voted the longest week of the school year.

Besides preparing for a series of ninety minute exams taken on Thursday and Friday, midterm week presents an opportunity to glance back on newly acquired knowledge. An appropriate analogy could lie in a gasoline station. A gasoline station serves to refuel cars and help them to continue their journeys. So, too, does midterm week help a student "refuel" and continue on to the last half of the year.

S. Ingraham finds it necessary to study diligently for his midterm examinations.

### National Honor Society

The Hoosick Falls chapter of the National Honor Society was chartered in 1944 with the prime purpose of giving recognition for true leadership, service, character, and scholarship, to all eligible sophomores, juniors, and seniors. Tapping takes place in late February and the eligibility of a student depends upon his academic as well as social achievement.

Students to be tapped are chosen by the faculty and to be considered for membership sophomores must have a minimum average of 90%, juniors 87%, and seniors 85%.

Annually an Honor Banquet is held for all students in grades seven through twelve who have attained an average of 90% at least once during the academic year.

J. Helft pins a rose on Steve Taber as he is inducted as one of two juniors to be thus honored this year.

One does not run before one walks and this simple truth applies to music also. This in Junior Band which is composed of junior high students, each young musician learns to develop the skills and techniques that are necessary before he may tackle a piece by Berlioz or Shostakovich.

## Spring yields us a Championship Team.

### Varsity Baseball

Coached by William Gilchrist, this year's varsity baseball team concluded the season with a victorious record, second to none. The well controlled pitching of Dick Lassar, Bill Highfield, Paul Harrison and the consistent hitting of Paul Kipp and Rick Dowling contributed greatly to the success of the team. Taking first place in the Washington County league and playing in the Class C sectionals, the team showed the results of a vigorous training program. The fine ball playing and good sportsmanship of these champions attracted enthusiastic crowds to the games. With the prospects of the returning lettermen, the team hopes for another rewarding year.

### Boys' Intramurals

Again this year the gymnasium came alive with excitement on Tuesdays and Thursdays as volleyball and basketball intramurals were held.

The five team volleyball league consisted of the Pollocks, Whirlybirds, Last Ones, Tool & Die, and the Jetsons. The league developed into a two way battle between the Pollocks and the Whirlybirds with the Pollocks crowned champions with an overall record of 43 wins, 2 losses, and 2 ties.

The basketball league consisted of four teams: the Horn Trompets, Bird's Boys, Retouchables, and the Happy Birds. The league was extremely close and the final outcome was not determined until the final day of competition when the Happy Birds were crowned as the champions.

The games were usually close and provided many thrills. The boys also realized the value of team play and good sportsmanship.

With the assistance of Mr. Roy, Mr. Rodak, and Mr. Wahler, class advisors, the junior class has experienced a year filled with many new and different activities, as well as the old and familiar ones.

The fall elections proved victorious for; W. Ingram, President; B. Cipperly, Vice-President; R. Allen, Treasurer; and T. Beckstein, Secretary. Student Council representatives chosen by the junior class were; S. Harrington, D. Scott, and R. Danforth. T. Bowman and G. Harrison were chosen to represent the class at the Citizenship Education Conference at Syracuse University.

Upon receiving the results of their Preliminary Scholastic Aptitude Tests, many Juniors looked to Mr. Folger for help in interpreting them. Mr. Folger, who is never too busy for private discussions with pupils, helped many learn more fully about colleges and requirements.

Following the Cambridge football game, the Juniors sponsored a dance which was attended enthusiastically by the many who were still jubilant over the victory.

With the help and co-operation of faculty members, the class of 1966 is planning and working toward a wonderful prom which will end the school year perfectly.

## Fun in planning a Junior prom turns to

K. Gorman, M. Rice, G. Buswell, and D. Brundige work with streamers to achieve the overall effect that transformed the gym into a Holland tulip festival.

On prom morning, Miss Hulihan, helps create the "Rainbow Room" in the cafeteria. Without her assistance the prom could not have been such a success.

Queen Roxy Pitt is seated with her court in attendance. The queen and members of her court are chosen from a poll of the junior class. The girls are C. Rancourt, R. Philpott, E. Bennett, D. Brundige, B. Le Barron (1963 queen), R. Pitt, N. Rowley, S. Reynolds, A. Pudvar, and G. Buswell.

sheer ecstasy in seeing it come alive.

A moment to be anxiously awaited is the start of the grand march. Class vice-president P. Harrison, his date L. Cappellino, class secretary D. Marklewicz, and her escort R. Cutler are enjoying a front row station.

#### JUNIOR PROM

Tulips reigned supreme as the class of '65 presented "Tulpenfeest" - the festival of tulips. Windmills, giant wooden shoes, and streamers galore collaborated with the music of the Dave Jarvis Orchestra to create an atmosphere of revelry in the land of the Zuider Zee. At the eleventh hour a poignant silence enveloped the room as the court entered followed by their queen Roxy Pitt. The "Tulpenfeest" ended in a majestic manner as all joined the Grand March.

Many tired and hungry couples found refuge in the Rainbow Room where a buffet style dinner was served. The previously reserved tables were complete with linen tablecloths, candles and even favors for the ladies.

There were many innovations in connection with this Junior Prom. This year marked the first use of the gymnasium as the site which in turn permitted the reinstatement of the Grand March after a lapse of many years. The unprecedented finale of the evening was set by the banquet served in the cafeteria. It is hoped that future classes will adopt this idea and make it a tradition in the school.

The success of "Tulpenfeest" was due not only to hard work done by members of the junior class but to the invaluable guidance of Miss Hulihan and Mr. Brostoski. The class of '65 takes this opportunity to give its sincere thanks to these people.

## In Memory of . . .

'Tis sweet, as year by year we lose  
Friends out of sight, in faith to trust  
How grows in paradise our store.

John Keble

Harold Blake Robson

"Harry"

Although Harry is no longer with us, in the hearts of everyone who came in contact with him is etched a picture of a happy and trustworthy friend that time cannot erase.
