VAGABOND II

HOOSICK FALLS CENTRAL

Hoosick Falls, New York

Desiderata

You are a child of the universe, no less than the trees and the stars; you have a right to be here. And whether or not it is clear to you no doubt the universe is unfolding as it should. Therefore, be at peace with God, whatever you conceive him to be, and whatever your labors and aspirations, in the noisy confusion of life keep peace with your soul. With all its sham, drudgery and broken dreams, it is still a beautiful world. Be careful. Strive to be happy.

I do my thing,
And you do your thing,
I am not in this world
To live up to your expectations,
And you are not in this world
To live up to mine.

You are you
And I am I

And if by chance we find each other

It's beautiful.

If not,
It can't be helped.

It's a good life
For being together;
For sharing the days, one by one;
For doing what has to be done;
For going out, just to have fun.

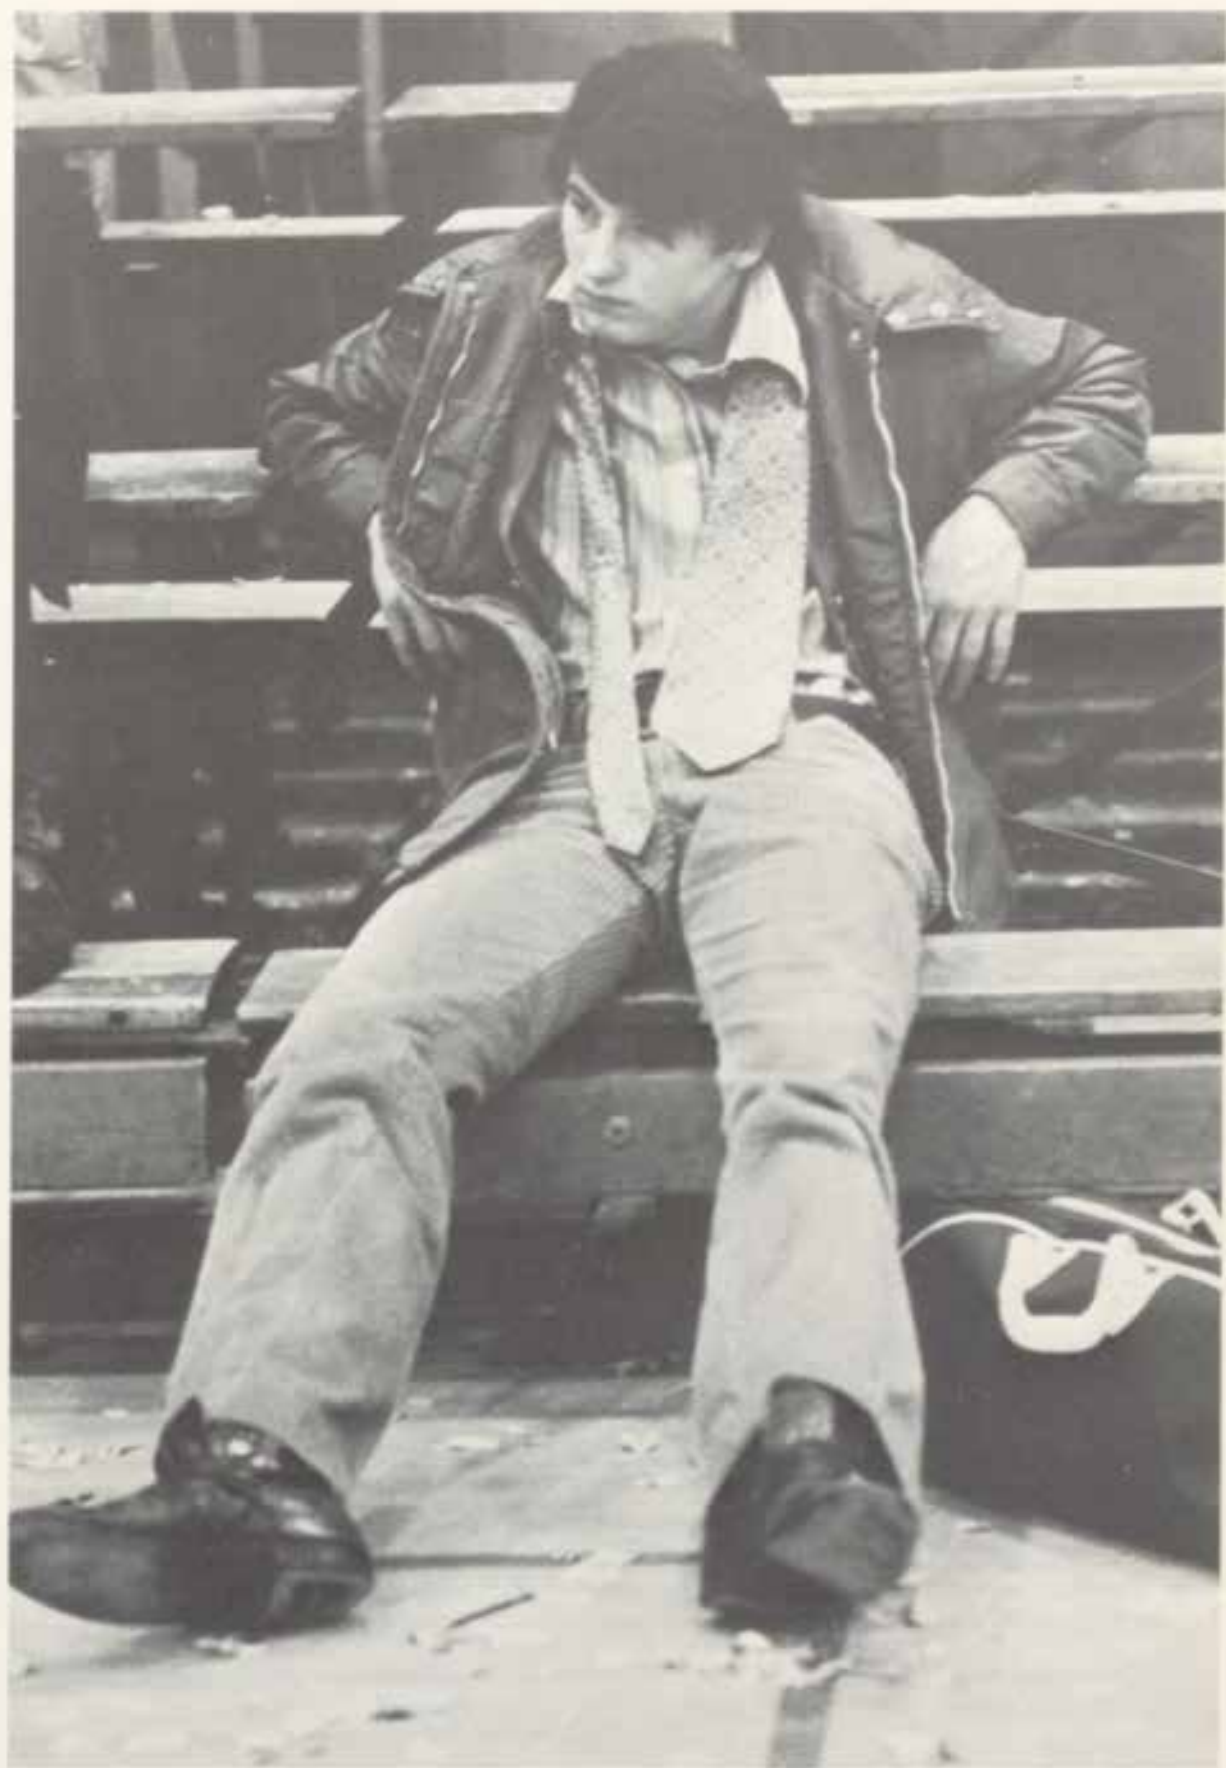

It's a good life
For good times and laughter;
For smiles that are honest or coy;
For dreaming dreams hate can't destroy;
For finding a place to make joy.

It's a good life
For moments of sadness;
For being alone in a crowd;
For facing the hurts, shoulders bowed;
For tears, and not crying aloud.

It's a good life
For finding new worlds to enjoy;
For seeing each day as the best;
For working to be a success;
For being yourself, nothing less.

“It's a good life . . .”

Altenreid Wins Arizona Title

HOOSICK FALLS — Richard Altenreid, a former member of the Hoosick Falls Central School varsity wrestling team, has won the 167 pound interscholastic wrestling championship of Arizona.

His team, Globe High School of Globe, Ariz., took fourth place.

His coach, James Richards, was quoted in the Arizona Record as saying:

"It's one thing to win a state championship in football, basketball or baseball, but Altenreid won a state championship on his own, as an individual, and that is really something to be proud of."

Dick received a gold medal as state champion and also received an offer to be assistant wrestling coach at his high school next year.

ath·let·ics (ath-let'iks) *n.* Competitive activities of set form and rules that rely on persons with agility, strength and endurance, serve as energy outlets, and often become objects of *diverging* opinions.

Varsity Baseball

With a Washington County League register of 6 wins and 8 losses and a second place status in the class C contest, the Varsity baseball team exhibited firm will and plenty of enthusiasm. The Hoosier team executed Stillwater and Tamarac and triumphed over Greenwich, 13-5; Schuylerville, 9-0; and Salem, 11-2. Winding up a challenging year, the Varsity players met Draper in the sectionals, and narrowly missed attaining the championship by a score of 3-2.

Varsity Football

Opening the season, the Hoosiers managed to crush Queensbury and tally a 28-12 score. After suffering serious and costly setbacks in their following three encounters with Mt. Anthony, Greenwich, and Schuylerville, the team retorted against St. Peter's for a 16-0 win. Concluding the football year was a clash with Stillwater and the popular but unfortunate Cambridge game.

On the home field, Hoosier Varsity player, Steve Bradley, plunges forward to hit an escaping Schuylerville Horse.

Quarterback Kevin Buck maneuvers around falling bodies, and charges through an empty space for a sizable yardage gain.

Glad of the chance for a breather, mud-covered Hoosiers size up the situation and the next play.

1970 VARSITY FOOTBALL TEAM: **FIRST ROW:** J. Monahan, D. Lassar, T. Thurber, M. Kovage, R. Marchand, J. Shaw, J. Cipperly, B. McGuire (manager), G. Luke, D. St. Hilaire, F. Cabana, D. Fowler, K. Dowling.

Center Bruce Hansen snaps the football to quarterback Mark Folger for a sprint towards the goal line.

After receiving a pass, halfback Keith Buck scurries to avoid the oncoming rush of antagonists.

In a fierce struggle, Hoosier Freshmen surround and dive upon the foe preventing advance for a first down.

During half-time, Coach Reeve gives some careful instruction for improvements and a few pointers for the rest of the game.

Freshman Football

Carrying an undefeated season, with a 5:0 standing from the previous year, into 1970, the Freshman Football team shut out Greenwich 26-0 in the new year openers. The Hoosier Freshmen then proceeded to topple Schuylerville, 34-24. Ending an already exceptional season, the Freshmen pushed over Cambridge twice to finish another year with a perfect record.

The Cross Country team spent its third year laying groundwork for the future. They placed third in the Washington County League. Many of the runners showed promise. Bob Downing was the outstanding runner this year, and was selected to represent the Section II, Class C cross country team at the state meet, where he placed 26.

Steve Steller expels a final burst of energy in the grueling 2½ mile run.

In a meet at Hoosic Valley, Bob Downing surges forward to victory.

Coach Harrison congratulates Bob Downing, who placed second in the county this year.

Varsity Basketball

Varsity basketball players finished the 1970-71 season winning almost all of their games. The Hoosiers manipulated success by one point over rival Mt. Anthony. Mark Harrison earned the status of leading scorer with total points over 300. The Hoosiers were put out of competition for first place when they lost a televised game with prime opponent Hoosic Valley.

J.V. Basketball

The H.F.C.S. Junior Varsity Basketball team ran another winning streak this year. Coach Greenberger and his crew worked diligently to beat out more than three quarters of their rivals. Since most of the team are freshmen, the J.V.'s can look forward to another promising season.

Unwilling to surrender the ball to Lake George, Mark Folger pivots to evade his guard.

Varsity Wrestling

Sometimes called the "blue and white machine", the Hoosier wrestling team continued its winning ways throughout the 1970-71 season. They took on a new identity with Princeton style haircuts. Spectator buses were taken to the matches and a rallying Pep Club was organized. Honors such as "Fastest Pin", "Most Takedowns", and "Wrestler of the Week" were awarded. They earned second place in the Saratoga Christmas Tournament and, with another league championship tucked under their belts, the Varsity Wrestlers came out of this year still Number One.

Varsity Cheerleaders

Under the direction of new advisors, Miss Cufari and Miss Farara, this year's cheerleaders tested different proposals and modified a number of last year's cheers. Besides raising money for new uniforms, they spent many hours inventing and perfecting cheers for the upcoming games. They also introduced the new practice of alternating captains.

VARSITY BASKETBALL CHEERLEADERS: Colleen Pierce, Carol Pine, Cindy Kaukas, Patty Sherman, Shirley Surdam, Wendy Waterhouse, Lynn Sutton, Patsy Hayes.

Girls' Basketball

For the first time, girl's basketball has gone interscholastic. Games were played against other girls' teams, which are at this time few in number. Only two seniors were on the Varsity team. The rest were juniors, sophomores, and freshmen. This system was used so that next year only two people will be missing and the team will have a firm foundation.

Junior Prom

In June, 1970, the Class of '71 presented "A Midsummer Night's Dream." Under Mrs. Clintman, Juniors bustled to fabricate a plan and then worked steadily to produce exceptional results. The participants were embraced by an atmosphere of fantasy complete with billowing clouds, a shadowy castle and placid landscapes. The coronation was celebrated by dancing to music of The Haze.

Student Council

This year's Council members rejected a proposal for a dress code and discussed a change in election of class officers. Besides their representative duties, they displayed Christmas trees in the lobby and supplied refreshments at the concert. Student Council also sponsored dances during the year and contributed funds to the Foreign Exchange Program.

Kathy Stevens, Student Council president, leads the pledge at the Christmas assembly.

During an FTA meeting, Debbie Atwood and Sue Taber laugh at a good-natured joke.

FTA

Since she organized the FTA in 1960, Mrs. Norma Cunningham has watched the organization grow in size and effectiveness. This year, as Mrs. Cunningham retired from her position as advisor of the Future Teachers, Miss Roxy Pitt, one of the original Hoosick Falls FTA members, returned to HFCS as a teacher and the new assistant advisor to FTA. As Miss Pitt demonstrates the results of the group, the members show their determination to reach a similar status. This year, for the first time, all the members of the FTA are working as teacher assistants. As in the past, the group is also involved in many community projects.

Sheila Ogilvie and Betty Sharkey listen attentively as a guest speaker, Mr. Gilbert Crandell from Charleston School for Girls, relates experiences teaching emotionally disturbed children.

Vagabond II

Having spent many, many hours working hard for perfection, the Yearbook staff is considered one of the most active groups at H.F.C.S. Busy throughout the week days and nights, and often on weekends, members engaged themselves in preparing a memorable book and planned new school projects. Layout and Literary people assembled the draft while Photography took and processed all the pictures. Business personnel handled all finances and arrangement for things such as dances and trips. Special recognition is given to Mr. Peckham, Photography Advisor; Fred Leonard, Editor; and Robert Isherwood, Photography, for all their efforts to make this Yearbook successful.

Managing Editor, Cindy Kaukas, checks over some layouts for corrections.

Editor Fred Leonard arranges some draft sheets and points out good form of a layout.

Carol Volkheimer finds working late to meet a deadline causes plenty frustration as she tries to concentrate on writing copy.

Several staff members tackle the difficult task of creating interesting pages for the yearbook.

Bob Isherwood, Photography Editor, focuses his camera for a shot of the Grand March.

Drama Club

This year the H.F.C.S. Drama Club again presented a delightful musical, "The Music Man". Weeks were spent constructing colorful and imaginative scenery. Every Friday night the entire cast met for an evening of practice and pleasure. Both of the two performances bloomed with the added attractions of firecrackers, Grecian urns, "Gary Indiana" and for the first time, a specially arranged pit band.

"Ice Cream, Ice Cream . . ." echoes when four prominent River City Men (Bob Shaw, Jerry Barber, Warren Rowlands, Bob Reed) begin their sequel of songs together.

Townpeople listen attentively to Professor Harold Hill as he sets a fast pace of dialogue on their own River City.

Chorus

Junior Chorus

After spending long hours learning the fundamentals of music, the 55 members of Junior Chorus climaxed their efforts with three concerts. Two of the concerts were the annual winter and spring concerts at H.F.C.S. The third was a special Christmas concert at the Health Center, a performance which hopefully will be continued as a yearly event.

Fifty-five voices pour forth in unison to the delight of all who attended this Christmas concert.

Senior Chorus

Behind the auditorium doors, 135 resounding voices are heard every Tuesday and Thursday. Senior Chorus spends A and B lunch periods exercising vocal capacities by singing anything from polkas to oratorios. This year they again performed at the Christmas and spring concerts, participated in All-State and All-County programs.

Senior Band

Directed by "Mr. E.," the H.F.C.S. Senior Band, composed of 109 members, achieved another 6A rating at NYSSMA competition last May. This brought the number of successive 6A ratings to a total of four. Among the annual events, members of the Senior Band performed at the Christmas and spring concerts, and presented their Pops Concert in February.

Senior Band members hold their final note and await a cutoff from Mr. Every.

Cindy Kaukas and Pam Green concentrate on counting the remaining measures before their entrance.

With horns blaring in front, Steve Volkheimer stops the rumble of the timpani and awaits the next cue.

After their annual Christmas concert, three first clarinets (Sheila Ogilvie, Debbie O'Neill, and Sue Brandalik) take their final bows.

Mr. Everly indicates the tempo to be taken before band plays "The William Tell Overture."

Administration

MR. PHILIP LEONARD
Superintendent

Administration

Contact with the student body is one of the most outstanding features of the total staff of HFCS. With so many business problems, budgets to prepare and new programs to work on, the Administration has again taken admirable interest in most student activities and affairs. When questions have arisen from changing attitudes, they have taken a stand, but respected student rights, such as the dress code situation. This has made the distance between Administration and students smaller.

Science and Math

Seniors this year did very well in their S.A.T.'s in math and science and excelled in their achievements. Mr. Waltz continued his in-depth teaching of chemistry with Mr. Phelps, a new faculty member, taking over physics. Mr. Altobelli switched to the new experimental state curriculum in Earth Science. New equipment was obtained this year for the type of experiments used in this new approach to learning.

Mr. Hager arrived this year to teach eighth grade math and Mr. Greenberger took over teaching Math 12. Math 12, in turn, has been changed from a catch all course to an introduction to the concepts and applications of finite mathematics, with such topics as logic of statements and functional notation.

The junior high science teachers have been working together in an effort to study the I.S.C.S. curriculum in which students learn their material by doing experiments in class. It is hoped that it will be started in the seventh grade next September.

Teachers

"The whole art of teaching is only the art of awakening the natural curiosity of young minds for the purpose of satisfying it afterwards." This quote from Jaques Thibault rings true, as seen in the many classrooms. Teachers quiz students minds in many ways. They hold attention with things all the way from ABC's and mathematical induction, to playing basketball with the seniors and singing "The Twelve Days of Christmas."

English and Social Studies

English and Social Studies teachers worked on curriculum change during the summer. These new ideas and approaches were put into effect during this school year. Miss Harmon was the new addition to the English department and Mrs. Schenone replaced Mrs. Thornton for one year. Many new texts were purchased for use in the non-regents sections and more student center activities were planned.

Mr. Idleman planned a new curriculum in seventh grade social studies including many speakers from all over the community. A T.V. play, written and directed by students, was tried in one group of Mr. Holloway's eighth grade social studies. The seniors, for the first time, left traditional American History and spent the entire year studying current events, that is, history as it is lived and created.

Business

Under the able teaching of Mr. Wahler and Miss Hulman, the Business Department continued the same curriculum. With the increase of 10 to 12 students in the future and a third room in the new construction curriculum, plans are being made for secretarial and office practice, as well as possible offerings in data processing. The Shorthand II students competed at Cobleskill in the fall and four students placed in the top ten. In the spring, secretarial majors worked at different local offices during one morning a week in order to get actual experience.

Industrial Arts and Homemaking

Exploring the real world of trades and home living was again emphasized in the curriculum of industrial arts and homemaking. Mr. Wright increased his section of advanced machine. Mr. Sargood taught Woodworking-II which emphasized home building. The number of units in shop has increased this year, as well as choice of two in general shop between mechanics, wood or machine.

The sewing course of Mrs. Frazier was very popular. Not only could girls take the regular curriculum of homemaking, but they could also study home nursing and child care. Mrs. Thompson again had the girls making cookies and cakes and the wonderful smell made many of us wish we were taking cooking.

Service

Maintenance, kitchen, office, and health personnel have greatly assisted everyone in running school smoothly and making it more pleasant. Friendly smiles, ready aid and interesting conversation break the day's monotony. At HFCS there seems to be someone always there to turn to for quick information, keys to locked doors, twisted ankles and hunger.

Nature's first green is gold,
Her hardest hue to hold.
Her early leaf's a flower;
But only so an hour.
Then leaf subsides to leaf.
So Eden sank to grief,
So dawn goes down to day.
Nothing gold can stay.

Robert Frost

The Class of 1971 dedicates this memorial to Mr. William Gilchrest, Miss Karen Gilchrest, Mr. Walter Sprague, and Mr. Robert Thorpe.
