VAGABOND II

All artwork done by: Jay Pokines

All are architects of Fate,
Working in these walls of Time;
Some with massive deeds and great,
Some with ornaments of rhyme.

Nothing useless is, or low;
Each thing in its place is best;
And what seems but idle show
Strengthens and supports the rest.

For the structure that we raise,
Time is with materials filled;
Our todays and yesterdays
Are the blocks with which we build.

Truly shape and fashion these;
Leave no yawning gaps between;
Think not, because no man sees,
Such things will remain unseen.

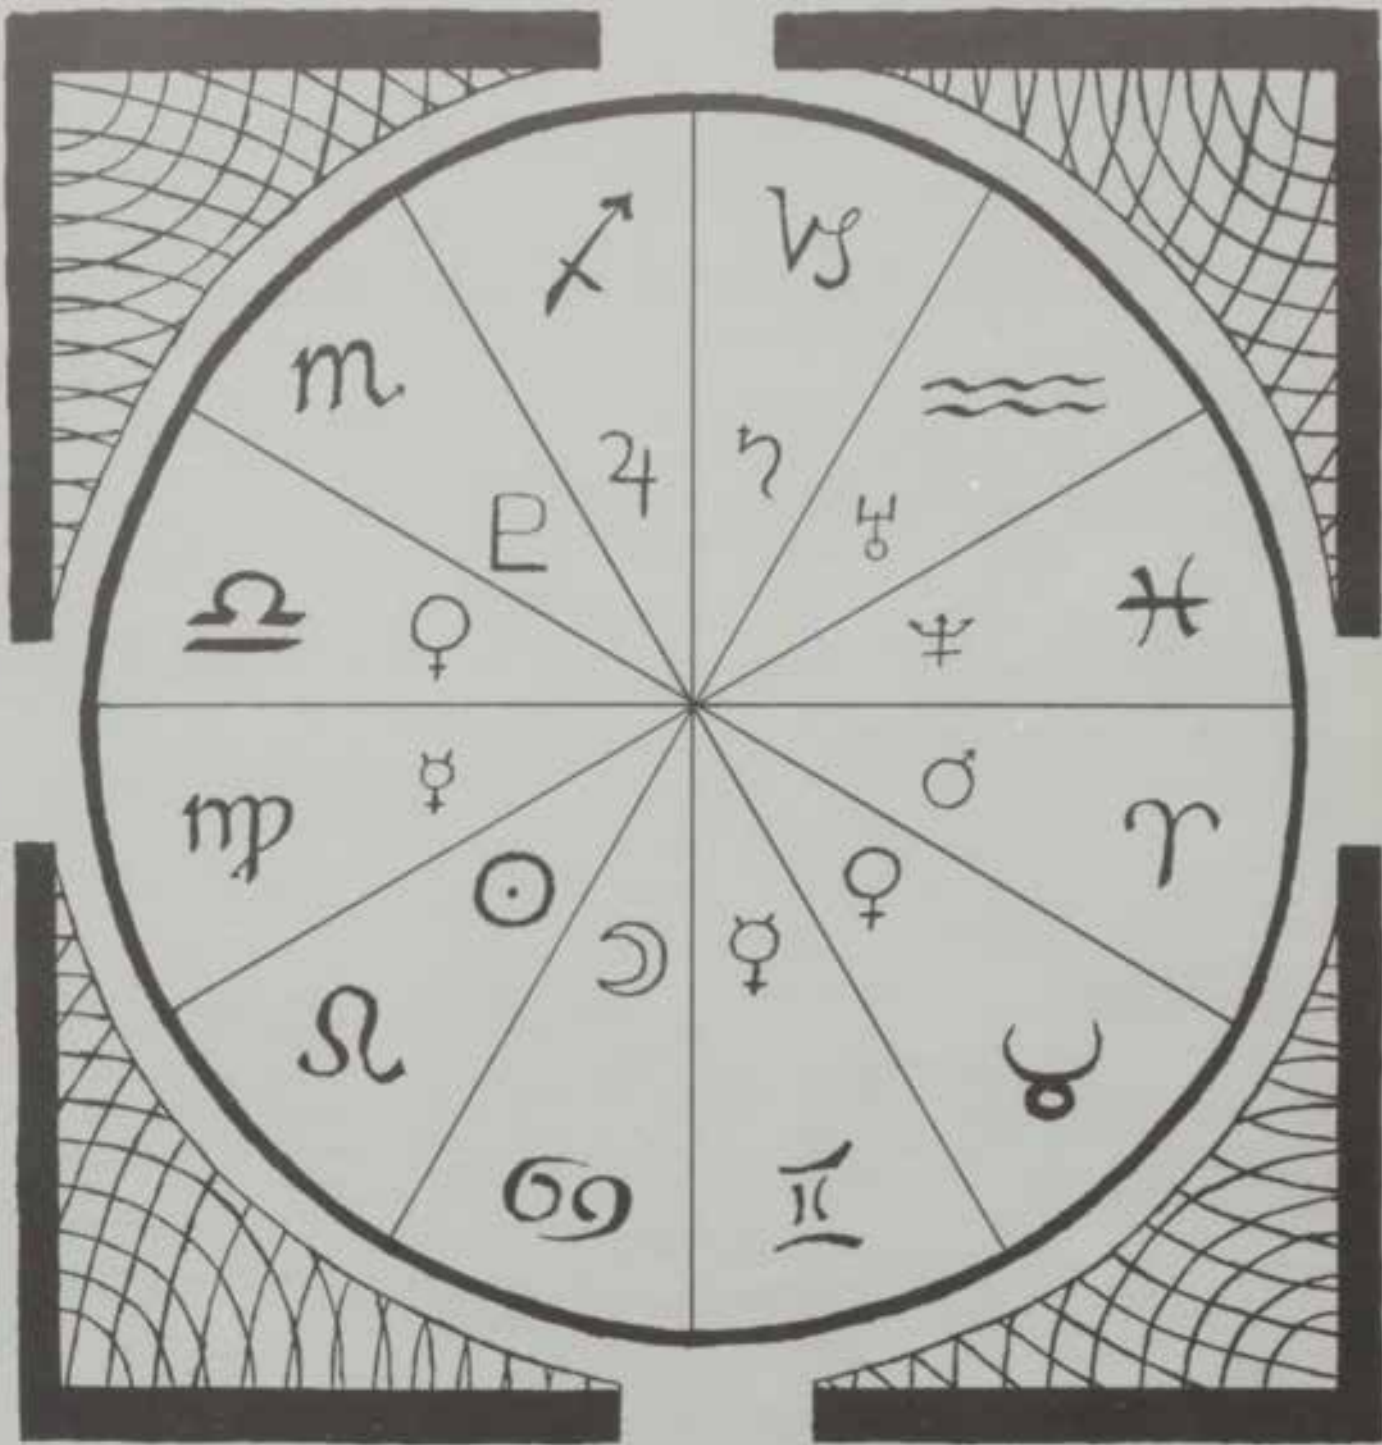

In the elder days of Art,
Builders wrought with greatest care
Each minute and unseen part;
For the Gods see everywhere.

Let us do our work as well,
Both the unseen and the seen;
Make the house, where Gods may dwell,
Beautiful, entire, and clean.

Else our lives are incomplete,
Standing in these walls of Time,
Broken stairways, where the feet
Stumble as they seek to climb.

Build today, then, strong and sure
With a firm and ample base;
And ascending and secure
Shall tomorrow find its place.

Thus alone can we attain
To those turrets, where the eye
Sees the world as one vast plain,
And one boundless reach of sky.
— Longfellow

SENIORS

Seniors

SENIOR OFFICERS: Bruce Baertschi — President, Pete McGuire — Secretary, Mrs. Von Haggin — Advisor, Fran Cabana — Treasurer, Laurie George — V. President.

The senior class, one of the smallest to graduate from this school, has had two major events to raise money for the trip at the end of the school year. Last year, as Juniors, the class members raised over two hundred dollars on a very successful paper drive. They continued to increase their treasury by having this year's magazine drive, almost achieving their goal of thirty-five hundred dollars. This exceeded the previous senior class which was larger. Mrs. Von Haggin, the class advisor, has worked very hard with them for the past year.

The Vagabond staff, divided into four sections — photography, layout, literary, and business — is headed by the Editor-in-Chief. Working with her are the editors of each section. They and their staffs work together, trying to produce the best possible yearbook; and it is not unusual for many of these dedicated people to spend evenings, weekends, and vacation time struggling to meet deadlines. Two advisors assist the staff in decision making, as well as in the work. Miss Eddy works with the layout and literary staff, while Mr. Peckham handles the photographic end. The goal of all these people is to put together a yearbook which will serve for pleasure, information, and will, in years to come, bring back many happy memories.

This fall's musical production, produced by the Drama Club, was "Bye, Bye Birdie." Many long hours after school and Friday nights, combined with the help of Mr. Pedersen, Mrs. Pedersen and Mrs. Canzeri made it possible. There were many laughs involved as "Spanish Rose" tried to capture the heart of Albert Peterson.

STAFF

Faculty

Along with the moments of frustrations, the H.F.C.S. teachers had moments of joy and laughter. Laughter rang through out the auditorium when this year's new teachers, Miss Eddy, Miss Potrikus, Mr. Bero, and Mr. Geers, were initiated in December. The initiation consisted of

acting out parts of "Up on the Housetop" sung by the Senior Chorus. Shouts of cheer and laughter were also heard in the gymnasium as the Faculty All-Stars played the Harlem Diplomats in a basketball game. Although the faculty lost, the game was full of excitement.

The teachers and students at H.F.C.S. have a good relationship rarely found in other schools. It is not unusual to see teacher and student engrossed in a conversation on any subject. We hope this relationship will continue in years to come.
