FORWARD

A century has now passed since the first class graduated from Hoosick Falls High School. In 1873 Emma Gibson, Morgan Percy, Jacob Graves, Hattie Graves, and Welton Percy received their diplomas and entered the outside world with their memories of high school years locked securely in their hearts. Our school has undergone vast changes in a hundred years. New facilities and modern courses are now in the wider ranging curriculum. But the essence of Hoosick Falls Central School is still a part of everyone who walks through its doors. Involvement, a zest for life, and concern for all those we come in contact with make up the spirit of Hoosick Falls Central School. May this feeling be carried on for another century.

Our high school principal, **Mr. William Waterhouse**, has more contact with the students than any other member of the administration. He has the duty of insuring that matters run smoothly in the high school and the unpleasant task of "watchdog" for unruly students. Together with these jobs he also presides over assemblies, acts as one of the Student Council advisors, and is the National Honor Society advisor.

Mr. Stempek, whom we all remember from our grade school days, is largely out of contact with the high school student population. His duties include working out financial problems, substituting for absent teachers, and, of course, keeping order. We can be assured that each new class entering the high school really knows where it's at with this kind of administration.

Board Members: LEFT TO RIGHT; FIRST ROW: H. Harrison, D. Miner, C. Frazier, A. Smith. SECOND ROW: F. McGuire, I. Fisk, D. McCart. Absent: D. Sutton, R. Moll.

Our superintendent of schools, Mr. Philip Leonard, has got to be the busiest man in the school system. In addition to his appearances at board meetings, he must work out a budget for our multi-million dollar school. This year he had the additional problem of dealing with the construction of our new addition. Although Mr. Leonard is rarely seen about the school, it's comforting to know that he is there working for us.

One hundred years have brought immense changes to the American way of life. During this time, graduation from high school has become more universal but at the same time, a more complex and indefinite future faces the graduate.

Hoosick Falls, in these years, has come a long way educationally, both in facilities and curriculum. We feel you are better prepared to face the 1970's than the five graduates were trained to face the 1870's.

On behalf of all those involved in the educational process, I would like to wish the 100th graduating class a happy and productive future.

Philip Leonard
Superintendent

A time comes when a closeness grows in a person—
A closeness that encompasses his soul,
the world,
God.

It is a time when his life expands, but his spirit encloses it.
He feels strength and understanding in a sense he can't
comprehend.

There is a bond he forms with mankind in that he sees the
blending and contrasting of life's miracles.

He feels the elements of conscience,
and he responds to comprehension and incomprehension.
He experiences awe and frustration.

There is suddenly a thankfulness within him that he must
express, and a tremendous wish to explore and share the world.
His life pitches forth and throws new light on values and goals
that no matter how young or naive
are the basis of idealism and goodness that he needs to uplift
him.

This metamorphosis is as old as mankind itself, yet we stand in
awe of such creation of character. Never will this process be
altered as long as the universe preserves the soul of man.

Seniors

LEFT TO RIGHT: Leslie Hume, secretary; Debbie Manoogian, vice-president; Gerald Nason, president; Carol Brenenstahl, treasurer.

In the fall of 1969, a mass of loud, yet timid freshmen descended upon the high school. The Class of '73 had arrived. As the years passed, this class, the largest ever to graduate from H.F.C.S., took an active role in school life. The Class of 1973 is the 100th to pass through the doors of Hoosick Falls High School. In their Junior year, with the help of Miss Hulihan, they sponsored a super-successful paper drive, and presented "Imagine '73", the Junior Prom.

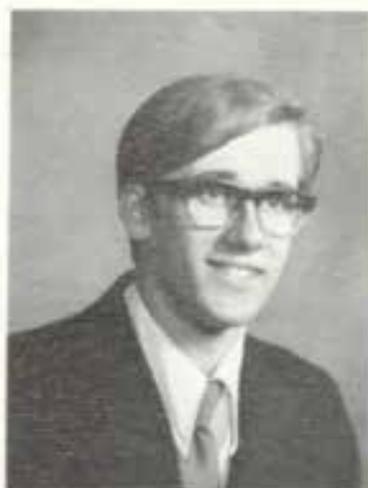

The hard work continued in 1972-1973 as the Seniors kicked off the year with a \$4000 magazine drive. With Mrs. V. as an advisor, the Seniors went on to sponsor the traditional Winter Ball and planned for their senior trip in May. The Senior Activity Group, working with Mr. Eastwick, sponsored a picnic and raised money for its various activities. The Class of '73 has indeed shown good school citizenship.

Portrait of Mark—A Study in Grey.

The masterpiece or the mess. Only Kim can tell you.

"You'd take a picture of a cripple?"

Excitement haunts the school as the league championship game approaches.

Nothing more need be said!!

Two and a half miles is a long way to run and a man gets thirsty.

Ray puts the finishing touches on his shop project.

"Quick, he's after your candy!"

"Ooooh, that was a hard test!"

It's a soggy scene at the Stillwater game.

"Oh, go fish!"

The Three Muskateers.

The only way to travel!

Coffee Break!

"But, I ordered a girl's size 5."

Peter Gaylo concentrates on his studies
...or does he?

"Ray? Who's Ray?"

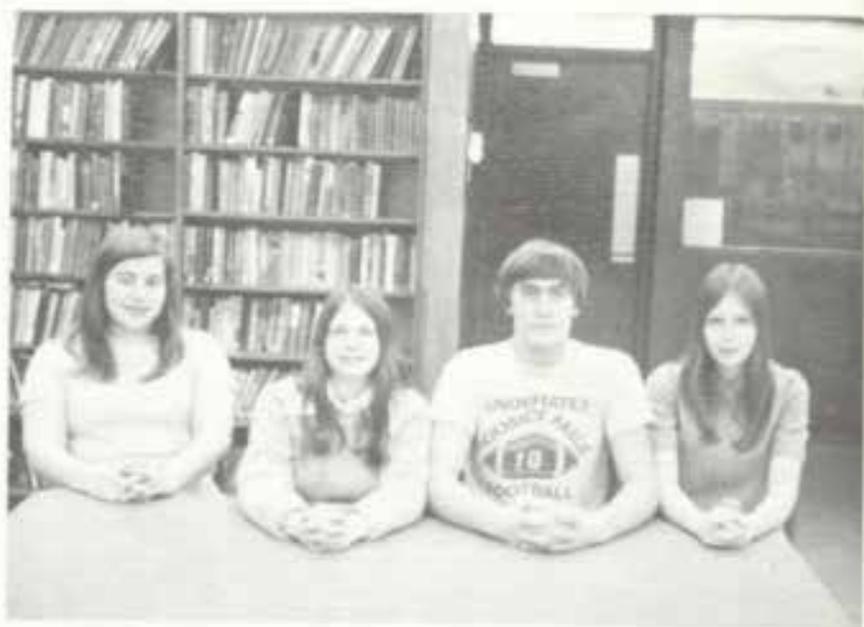

"Ceil, are you sure that's how you set a tab?"

FACULTY

Faculty

Aside from the necessary duties performed by our well loved faculty, these specialized intellects find time as well to revel in their extra-curricular activities such as preventing student disputes in the halls and joining in the spring basketball game.

Many faculty members enjoy new facilities and all enjoy the space provided by the new additions. Our science department

has been greatly improved with new lab rooms and equipment allowing more work for students on lab projects.

Our traditional Christmas initiation with the Senior Chorus welcomed our new teachers Mrs. Goldstein and Mr. Gronning.

If the faculty and students continue their close relationship and sharing of ideas as they have this year and in the past, we will all certainly benefit.

SPORTS

Varsity Football

After many years of waiting, H.F.C.S. captured its first outright league championship. This season was highlighted by the league's final game when the Hoosiers faced St. Peters of Saratoga. Both teams boasted a 6-0 record. This set the scene for a pagentry of mixed emotions, drama, and all out play that magneted over 2,000 spectators. They cried for the elimination of a team that hadn't previously been scored upon. At the close of the tight 8-6 game, emotions were mixed. For the winners, overwhelming joy, cheering celebrations, and motorcades throughout downtown Hoosick Falls. For the losers tears, frustration, regret, and a long ride home. From the crowd only one word could be heard, pealing as if from some giant bell, 1.

Football Cheerleading

Cross Country

The Hoosier Harriers brought about a major coup this year as they upset the perennial league champs, Schuylerville. The Hoosiers finished their season in a tie for the league crown. On completion of their regular season slate, the Panthers grabbed second place in the section II run in Schenectady. Hoosier cross country continued to uphold the slogan, "We're No. 1!"

Varsity Basketball

Our varsity basketballers experienced an erratic season this year. For much of the early going, our boys were on top of the opposition. Then, in mid-season, the London flu struck, and caused some of our starters to miss key contests. The result was a losing streak that killed our chances for the league crown. But, the guys got it all together near the end and turned a disastrous season into a winning one. Things are looking up, we all expect the league title next year.

JV Basketball

One of the coaching staff's reasons for optimism in regard to next year's season is this year's J.V. squad's performance. Under Coach Greenburger's guidance, the guys piled up the victories to end the year with a winning slate. The boys not only sharpened their basic skills, but became familiar with the various offenses and defenses they will use on varsity. With many talented freshmen returning next year, the Junior Hoosiers can look forward to another fantastic season.

Cheerleaders

This year's Basketball Cheerleaders proved to be very talented in raising students' spirit. When one walked into the gymnasium, he was greeted by an earshattering scream of, "H.F. C.S.!" It could only have been those Hoosier Panthers spurring their team on to victory. Even when the morale was low and everyone was beginning to quiet down, the cheerleaders urged the students on and once again the noise was overpowering. In the school's opinion, the cheerleaders are No. 1.

Varsity Wrestling

The 1972-73 Varsity Wrestlers showed once again "who's who" in the Washington County League. With Coach Baker at the helm, the grapplers boasted a near perfect season, remaining undefeated in league competition and dropping only one non-league bout. The team captured first place in the prestigious Shenendehowa Invitational tourney, and went on to win top honors in both the Washington County League and the Section II class C tournaments. All in all, Hoosier Wrestling has built quite a reputation, and surely will remain a top contender for years to come.

The Junior Hoosiers, coached by Guy Baker, followed in the varsity's footsteps, and emerged with a 13-1 record. Consisting almost exclusively of freshmen and sophomores, our JV Grapplers defeated several larger schools. They won decisively in both matches with the Berlin Varsity, and placed high in the South Glens Falls Christmas tournament. Of course, our Junior Panthers swept the Washington County League JV tourney, and walked off with eight of a possible twelve first places. The determination, spirit, and performance of this squad ensure that our wrestling program will keep our school "No. 1" for years to come.

In the spring of '72, a determined HFCS track team set out to better last year's record. They accomplished this goal, with several new records set. Varsity Baseball

Last spring's baseball squad turned out another super-successful season. After maintaining a first place tie with Schuylerville throughout most of the season, the Hoosiers fell to second place spot where they finished the season with a 12-4 record.

In post-season play, the Panther team fought its way to the semi-finals in Section Two action. This year's season should be even better due to the many seniors on the squad.

Girls' Hockey Team

This year's JV and Varsity girl's hockey teams ended the season victoriously taking the Tri-County League championship. Miss Potrikus, their coach, led the team in a 15-0 winning streak, a great improvement from last year's record. Due to their success, the girls were presented hockey pins. Later on in the year, a girl's athletic banquet was held and the teams received recognition for their hard work and great success.

It is not the critic who counts,
Not the man who points out
how the strong man stumbled,
Or where the door of deeds
could have done them better.
The credit belongs to the man
who is actually in the arena;
Whose face is marred by dust
and sweat and blood;
Who strives valiantly;
Who errs and comes short
again and again;
Who knows the great enthusiasm,
The great devotions,
And spends himself in a worthy cause;
Who at best knows in the end
the triumph of high achievement;
And who at the worst,
If he fails,
At least fails while daring.

Our award winning Senior Band is the pride of the music department. In addition to its annual Christmas and "Pops" concerts, the band, under the direction of H. Luther Everly, marches in both Memorial Day parades. The band received another 6-A rating this year in N.Y.S.S.M.A. competition; their ninth consecutive top score. This year was the band's first year in the new band room. This room was a sorely needed facility due to the expansion of the band to over 110 people. Our band offers a great chance for many students to gain a broad knowledge of music.

A 6-A band deserves a little relaxing conversation.

Senior Chorus

"Let's hear it ladies and gentlemen!"

Wandering down the hall near the music room Tuesdays and Thursdays at noontime, one is apt to hear resounding voices raised in unison.

The senior high chorus is once again back at work, faithfully rehearsing for upcoming concerts. Each year they successfully participate in both the Christmas and Spring concerts. They perform under the guiding hands of Mr. Pederson and Mrs. Canzeri. Along with this, members join other schools in participation in All-State and All-County choruses.

Our fall play, "How to Succeed in Business Without Really Trying" most certainly did succeed; of course, everyone did try hard. Mr. Pedersen's directing combined with the efforts of our accompanists, stage crew, as well as the actors themselves, all contributed to the final result: two excellent performances.

Last spring, the drama club presented a Neil Simon production, "Plaza Suite". Actually, three separate one-act stories. The show ran for two nights under Mrs. Clintsman's professional directing.

"My daughter's wedding day, and I can't even use the john!" complains Roy Hubley (Charlie).

"Two vodka stingers and she's mine!" goats George.

Student Council

This year the organization sponsored a winter carnival, a Sadie Hawkins Dance, and other extra activities. Their largest project was revising the old constitution to a newer, stronger one. Also they changed the elections of class officers to a more democratic system. This organization is growing stronger and taking a larger part in school problems while being wisely advised by Miss Hulihan and Mrs. Von Haggin.

1973 Student Council Officers: Rita Domine, Secretary; Amy Moseley, President; Celia Niles, Vice President; Ruth Gilson, Treasurer.

The Society in its entirety.

Honor Society

Traditionally one of the smaller organizations in our school, the National Honor Society expanded last year to include over 30 members. The Honor Society's contributions are little known. In addition to a donation to the Health Center they sponsor a yearly dance. We sincerely hope that this organization will become more active in student life.

"My fellow Americans, let me say this about that."

Junior Prom

As the spring of 1972 rolled around, again began the long period of dreams and fantasies in the minds of the student body. By May 19, the class of '73 was ready to present "Imagine '73", a glorious combination of clouds and sky and a splendid wash of color for a rainbow archway. These lent themselves to one of the brightest and loveliest junior proms. This could have only been achieved by the enthusiasm of the class of '73 and the sincere help of Mrs. Frazier and Miss Hu'ihan.

The erection of the rainbow made "Imagine '73" a reality.

The highlight of the evening was when Carol Pine yielded her crown to Kay Marsh.

After the crowning of Kay Marsh as queen, she and her escort, Howie Wright, led the Grand March.

Mike Stansfield and Sue Carl happily wound their way through the archway of arms.

FTA

This year Future Teachers started off on a bright note with a tea welcoming all the teachers back. Carol Brenenstuhl is our president and along with vice-president Tina Andrew, they plan informing monthly meetings on various vocations to help members decide on their future plans. Brian Rousseau, as treasurer, keeps our club going with funds to give the special class a Christmas party.

Acting as recording and corresponding secretaries are Celia Niles and Ruth Gilson. Amy Mosley as historian keeps the community informed on our activities by write ups in the Standard Press. We help serve the community by working with the King's Daughters on toys for children at Christmas time, and each winter a spaghetti supper is popular with the community.

An interesting guest seems to have caught the attention of these FTA members.

Advisor William Gaillard discusses plans for Open House.

Yearbook Staff

The staff of *Vagabond II* has been one of the busiest organizations in school this year. Through the days and nights, over the weeks and months of 72-73, pictures have been snapped, layouts have been prepared, pages and pages have been written. Pencils have been chewed, headaches have been borne, and deadlines have been met in order to present the best in *Vagabond II*.

Certain advisors end up doing some of the work!

1973 Yearbook Editors: Chris Gaines—photography editor, Holly Tilley—Editor-in-Chief, Dave Casey—literary editor, Celia Niles—layout editor.

With people like Anna on layout, deadlines were no problem.

Ceil and Holly confer with Mrs. Hutchins on the senior layout.

Walter serves as lookout as the girls pretend to work.

We, the Class of 1973, wish to dedicate this edition of Vagabond II to the memory of John Hayden Jr., a deceased alumnus. Jack would have graduated with us, and his absence from our ranks leaves us with a great sense of loss. Far from being forgotten, Jack's active sports life stands as a tribute to him. Also, the new scoreboard, erected in his honor, ensures that he will be remembered at every sports contest for years to come. Jack was a varsity football player, and took part in varsity wrestling and baseball also. It is with great pride that we leave this yearbook as a memorial to Jack Hayden.
