The graduating class of 1977 has grown up through one of the most turbulent and eventful times in history. Beginning our formal education in 1964, one year after the assassination of President Kennedy, our school years were filled with many "first's". The civil rights movement of the early sixties changed lifestyles all over America and resulted in the assassination of Martin Luther King Jr. In 1968, we saw the development of the NASA program and most of the U.S. watched Neil Armstrong and Edwin Aldrin Jr. walk on the moon in 1969. We were old enough to understand the mechanics of war when the U.S. became involved in Vietnam. Many of us were introduced to the pain one feels when a family friend or relative dies in a war that seems to be accomplishing nothing. During that period, the problem of draft resisters and deserters became widespread problem that is yet to be fully solved. AS overpopulation and famine became greater problems throughout the rest of the world, we lived in a stable and relatively disasterfree community. The seventies ushered in higher crime rate and inflation along with higher standards of living in most of America. Then came one of America's greatest shocks in years: the Watergate scandal. This touched every American's life revealing the corruptness of our government, all the way up to the President. Following Nixon's resignation, we were confronted with the energy crisis which affected us by limiting our heat and lights in school and at home.

Whatever surprises the future has in store for us, we are prepared for the worst. (and the best!)

FACULTY

Faculty

Despite its necessary duties of maintaining discipline and control, the faculty has attained a good relationship with the student body at H.F.C.S., rarely perceived at other schools. It is a common occurrence to observe a student and a teacher absorbed in a conversation on any subject. This harmony was clearly shown by the good sportsmanship of Miss Eddy, Miss Wadsworth and Miss Cicero at the Christmas initiation assembly. Because of the superb quality of our faculty, we are sure that this relationship will remain in the future as close as it has in the past.

SAE

The S.A.E., formerly called the F.T.A., is a dedicated group of students who are a service organization to our school. The members volunteer their time to assist a teacher who may need to have a small child helped by the relationship and assistance of an older one. This assistance may be emotional or academic or both. The S.A.E. as a group provides for a christmas party for Mr. Pusch's class complete with a visit from santa. The gifts are provided by the S.A.E. with a big boost from the American Legion Auxillary. This year the S.A.E. provided candy stuffed stockings for 45 families under the Kings Daughters program.

A major project each year is the fund drive to sponsor Maria Mara "our" Indonesian orphan. Through persons and groups such as the S.A.E., an orphan has food, clothes, medical care and an education. This will be the fourth year of our sponsorship. To raise funds two cake sales, many bake sales and a spaghetti supper are held each year in addition to the "basketball" dances.

At the end of each year a trip is taken. In the past Boston, Washington D.C., Shelburne, and Montreal have been visited. Plans are still tentative for this year.

Junior Band

The Hoosick Falls junior band consisting of seventh and eighth graders is probably the most active junior band in our county. The band performs within the school a Christmas, Spring and Pops concert in addition to assemblies. Within the community they perform annual programs at the Hoosick Falls Health Center, Hoosick Grange and bi-centennial celebrations such as, The Fourth of July parade in 1976 and the village celebration coming on August 7, 1977. The Junior band parades in the Memorial Day celebrations in Hoosick and Hoosick Falls in addition to opening the various baseball and softball seasons in Hoosick Falls. The Junior band of '76-'77 will do what was begun by last year's band and that is the cutting of an LP record of the Pops concert performance. Last years record sold 140 copies and this one should sell even more. In addition to all of the above local activities many band members take part in the all county band, too. The Junior band this year will be preceded by a color guard while on parade.

Members of the brass section played Christmas carols throughout the village and at the Health Center just before Christmas.

Senior Chorus

The Senior Chorus, composed of students in grades 9-12, offers the students at H.F.C.S. a chance to participate in yet another facet of the musical program. The Senior Chorus spends many hours rehearsing for the various selected assemblies held throughout the year. Some of these include the ever popular Christmas concert and the All-County Chorus, which was held at H.F.C.S. this year.

Mr. Pedersen directs a senior chorus program.

Clarinet Choir

Since the last issue of the Yearbook, the Clarinet Choir has added another "A" rating from the contest judge to its already long list of "A" ratings. The Clarinet Choir is an ensemble of clarinet players who rehearse on a weekly basis. An annual concert is held at Saint Mark's Church in Hoodsick Falls and this year's concert featured Diane Brandlik (Class of '76) as a soloist.

The Clarinet Choir will return to Hoodsick for a concert in May and featured soloist will be Bonny Amidon, who graduates after performing six years with the group, and H. Luther Everly of our staff.

The Clarinet Choir will perform again at the New York State School Music Association Contest for a rating in May.

Kim and Bonny take a break.
