THE SPIRIT OF '86

Hoosick Falls
Central School
Hoosick Falls, N.Y.

DEDICATION

In the past it has been traditional for the graduating class to dedicate their yearbook to one or two people whom they felt made their years at Hoosick Falls special. We the class of 1986 in our own tradition of breaking all the rules, would like to dedicate our yearbook to the people who we feel helped us the most, our Parents, for without parental guidance, discipline, and caring we would not be where we are today.

You were there on our first day of school, easing our fears, and your dedication has grown with each and every day. With this yearbook we thank our very first teachers, our PARENTS.

We would also like to give special recognition to two of the most dedicated teachers at Hoosick Falls Central; retiring after this year are Mr. Calvin Pedersen and Mr. Rich Turi. Farewell and Good Luck in the future.

Thank You All,
The Class of 1986

Growing Up

*Time to turn my gaze away
From fantasies and dreams,
Childs' games must fade away
And visions too, it seems.*

*The time has come to face the world
Of life and love and pain,
All my windows I must open
to face the sun and rain.*

*No hands to hold when in doubt
No lap to crawl in and hide,
No blanket to hold and squeeze so tight
No mother at my side.*

*It's my turn now to walk the road
With all uncertain ends,
With none there to guide me
Through all the bumps and bends.*

*Will I make it? Will I fall?
Will I break down and cry?
I can't be sure I'll make it through,
But I'll do my best to try.*

B a s e b a l l

The 85 team ended its season with an 8-10 overall record, and a 7-8 league record. After losing 10 players to graduation, the team worked hard and with the pitching of Junior, Kenny Stevens, and the batting abilities of Seniors Wayne Magisano, and Michael Kowalik, their season ended better than anyone expected. Way to go guys!!

People say it's just a smalltown school
 And partly this is true,
 Not knowing about the spirit that lives
 here all year thru.
 The bricks surround the outside, the
 lockers line the in,
 However there is something else that
 burns deep within,
 Each day it shows us new things, while
 Remembering the old, it

Pushes for the very best and
 Reaches toward each goal.
 Inside our small Hoosier school
 Dedication is said to thrive, but
 Every student knows it's true,

JUNIOR BAND

As of this year the Junior band has completed a three year program to build for itself a uniform. It is a known fact that a uniformed group has a esprit de corps that effects its public image. The bright blue and white shirt, pants, ascot and cumberbund represents about an \$8,000 investment of which the band earned \$6,000. This speaks highly of the bands feeling about itself.

The junior band members perform at Christmas (brass choir) in town and at the Health Center. The band performs an annual Christmas, Spring and Pops Concert and also attends the New York State Competition for bands. Each year it shares the joy of music with the clients of the ARC program in Pittstown and this year has played in the "well" at the Empire State Plaza in Albany.

Parade season finds the band both in Hoosick and Hoosick Falls for the important Memorial Day ceremonies commemorating the servicemen of our country.

Active participation in music means that these band members work very hard to make music enjoyable and to share the gift of music with others. For this they are to be commended.

HOMECOMING 1985

1985 was a year not only for breaking tradition, but also for making tradition. With the leadership of Student Council President, Jennifer Sheldon, Senior Class President, Brooke Niles and the support of Principal Mr. Hunter and Teacher Mrs. Decker, H.F.C.S. put on the very first annual Homecoming. The week started with each class decorating a section of the school with a prize going to the class with the best theme, The Sophomores. The entire student body and some courageous faculty members participated in "Dressing to a Theme" each day of the week. From Beach Day to Blue and White Day the turnout was fantastic! The faculty and administration could not believe the overwhelming student participation. As the week continued the coming weekend events took on more importance. With the Hoosick Falls Police Department, Rescue Squad and Fire Department leading the way the Homecoming Parade wound its way through town. Following the parade a powder puff football game was played featuring the seniors against the juniors. The cheerleaders Kin, Devon, Paco, Bobby, and John did an amusing job of entertaining the spectators while cheering on the seniors to a losing cause 6-0 to the jubilant juniors. The student body and spectators were in high spirits as the Homecoming football game began. Gas filled balloons with special tags were sold to people and then released at halftime with the hope some would be reported as found. The football team added to the spirit with a great win over a tough Whitehall team. No Homecoming would be complete without a Queen and King and their court. The honor of first Homecoming king and queen was bestowed upon seniors Thom McMahon and Jennifer Sheldon. The whole week of events was brought to a fitting conclusion with a Senior Formal. Overall the week was a success and we challenge the returning classes to surpass the accomplishments of HOMECOMING 1985.

SENIORS

SENIORS!

This year's theme, "The Spirit of 86," is one that embodies the feeling of all. It is an emotion that encompasses not only the minds of Seniors, but also the dreams of Freshmen. It was this diversity that enabled the whole concept to develop into this yearbook, a special one that tries to capture an emotion, a feeling, a moment that will never be forgotten or ever be quite the same.
