The Class of 2005 held its Junior Prom at the elegant Historic Park McCullough House on Saturday, June 5, 2004. The Grand March took place on the Veranda with invited guests enjoying the parade of stylishly dressed Juniors and their dates.

The Prom goes then enjoyed Hors D'Oeuvres on the Veranda and strolling about the gardens. This hour was followed by a delectable dinner catered by Fox Hollow Restaurant. The rest of the evening was filled with dancing to the music of Denning Entertainment.

Special thanks to Mrs. Douglas and Mrs. Nielsen, our Class Advisors, for working so hard to make our Junior Prom unforgettable.

Pudge

This page is in memory of **Karla Lillian Sicko** from all of her loving friends. One of the best ways to describe Karla is to tell you what she might be known to think or say. Perhaps the simplest way to do this is through quotes.

"Happiness is not a destination. It is a method of life."-
Burton Hills

Karla made sure of one thing during her life; she made sure to always wear a smile. She was one of the happiest, most outgoing people I've gotten to know. Maybe it came from playing Tessie in Annie Jr. "Oh my goodness! Oh my goodness!" "You're never fully dressed without a smile!" One of her favorite things was smiley faces!

"The best way to cheer yourself up is to try to cheer somebody else up."-Mark Twain

Again, Karla had the most optimistic personality that you could ever come across. She was always up for anything. A dance? She'd be there doing the best impersonation of Brittany Spears. Great Escape? "I'll bring the sandwiches!" Even if they did get soggy from the ice in the cooler. She could always make you laugh.

Karla cared most about the people who cared most about her. It just worked out that way. She had the biggest heart, the biggest smile, and the best time out of life. It's hard to say what is the most important when you want to. So again, I'll rely on a quote.

"Some people weave burlap into the fabric of our lives, and some weave gold thread. Both contribute to make the whole picture beautiful and unique."-Anonymous

Karla Lillian Sicko, little pink back-pack and all, was the gold thread that will forever be weaved into our lives.

Dedication

The 2005 Vagabond is dedicated to Mr. Frank Redden. Mr. Redden is a Hometown boy who was born at the Hoosick Falls Health Center. Growing up in Hoosick Falls, he played Little League and joined the Boy Scouts. When he was a student at HFCS, he knew he wanted to become a teacher. He graduated from HFCS in 1968, and went on to earn his Bachelor's and Master's Degrees from SUNY @ Plattsburgh.

He caught the attention of his first girlfriend, Linda Berschi, when he was President of the International Relations Club at HFCS, and married her in July 1973. Right out of college, Mr. Redden returned to HFCS and began teaching as a substitute before being hired as a sixth grade teacher. Bit (or is it byte?) by the computer bug, Mr. Redden began to introduce computers to his teaching peers, and to influence the BOE to support the integration of computers into the schools. A highlight of professional satisfaction occurred in May 2001 when he received recognition and dedication of the Authentic Science Research Program's Symposium.

During his career he has also done "on the side" teaching of Adult Ed HVCC courses and computer consulting to many area businesses and organization.

In retirement, Mr. Redden hopes to travel and also find a new "occupation" because he would be too bored "just retiring."

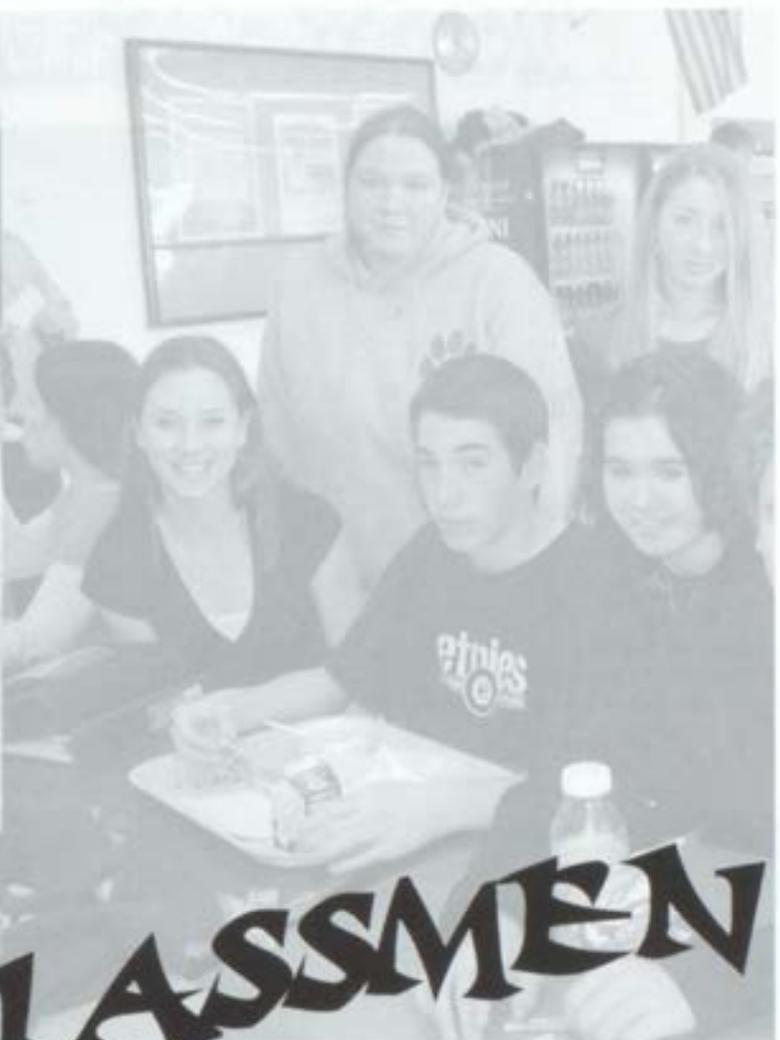

Frank is a "Mr. Fixit" at home with no task unsolvable. He is also the father of Casey Redden, a member of the Junior class, and Scott, age 27.

Thank you, Mr. Redden, for the instrumental role that you played in making HFCS "wired" for the new millenium.

The team was led by sophomore Chris Ryan, who qualified for the Section II C-D Tournament and shot a good score of 86 for his first time at the tournament. He also shot a score of 86 at the Wasaren League Tournament. Other key players who improved this year were: Alex Thomson, Josh Magisano, Brett Patten, Billy Redick, Ed Bouplon, Andrew Morin, Corey Callahan, Zach Hall, Justin Carter, Nick Hunt, and Buddy Coloia.

The Varsity Field Hockey team finished the season with a 16-1 record. The ladies kept the tradition of winning the Wasaren League for the 6th straight year in a row. They also won their home tournament against Columbia. The season ended in the semi-finals of sectionals against Corinth. It was a great fight for both teams, but Hoosick Falls couldn't pull it off in a round of strokes to determine the win. **1st Team Wasaren League All-Stars:** Brittney Case, Jena Matte, Samantha Mulready, Jessica Abramovich. **2nd Team:** Courtney Stevens, Shannon Steller, Mary Kay Bornt, Casey Stroffoleno. **Honorable Mention:** Amber Cottrell, Bea Thomson. Although the Boys' Varsity Soccer team did not have a strong season in terms of wins and losses (5-14), the team was very successful in other ways. They learned the importance of team spirit and attitude, to take pride in their effort regardless of outcome, and to never given in to adversity. Indeed, with each ensuing match, the team strived to be better and to respect and support each other's improvement.

Tony Martinez was named to the 1st Team WASAREN All-Star and to Section 2 All-Star Team. Five players, Bryan Nielsen, Bryan Burns, Jason Holmstedt, Lukas Gaucher, and Adam Bugbee were Honorable Mention WASAREN LEAGUE All-Stars. For the 7th season in a row, the Boys' Varsity Soccer team was awarded the NYSPHSAA Scholar Athlete team award

The 2004 version of HFCS Baseball was another successful season with many memorable wins and individual achievements. The team finished in 2nd place in the tough WASAREN League behind Schuylerville with a 9-5 record. We were 15-11 overall, with the season ending on a tough loss in the sectional semi-finals to Greenwich by a score of 3-2. Memorable games included: a 13-9 win over the host in the Saratoga Catholic Tournament in which junior Tim Bornt was named MVP after pitching the first 6 innings of both games; a stirring 9-8 win at Doubleday Field in Cooperstown over Mechanicville in which Tim Bornt had the walk off game-winning RBI; a 5-0 home sectional win over Watervliet on a 3-hit shutout by senior Billy Nash.

Seniors Billy Nash, Chad Wysocki, and Bill Hyde were all named first team WASAREN League All-Stars. Bill Hyde also set the school record for most RBIs in a season with 43. Honorable mention for the league were seniors Steve Zakrzewski, Jim Weeden, Ryan Yetto, and JT Allen; juniors Kenny Bulson, Drew Guillaume, Tim Bornt, and sophomore Kris Moseley. The 2004-2005 Boys' Varsity Basketball Team surprised everyone in what was thought to be a rebuilding year. They stayed in the hunt for the WASAREN League Championship right down to the last minute of the season finale. In front of a capacity crowd on senior night, the team lost to Stillwater in a classic game. Seniors Tom Kozaczak, Eric Hanlon, Tim Bornt, and Bryan Burns provided valuable leadership for a team that had few experienced players back from the previous season. They used a rotating wave of players, subbing fresh guys in every 2 minutes, that full-court pressed all game. The team finished in second place with a record of 11-3 and had an overall record of 16-6.

Tom Kozaczak and junior Jason Poore were named 1st Team WASAREN League All-Stars. Honorable Mention went to Eric Hanlon, Tim Bornt, and sophomore Rolly O'Brien. Jason Poore and Tom Kozaczak finished first and second all-time for steals in a season, while Eric Hanlon finished second all-time for blocks in a career. Other members of the team were junior Derek Miller, Luke LaCroix, Matt Douglass, Chris Bartlotta, and Eric Manning, and sophomores Shawn Yager and Tom St. Hilaire.

Other highlights included: a season-opening victory over state ranked Class B power Spa Catholic; Jason Poore hitting 2 foul shots with 5 seconds left to give us a one point win over league favorite and state semi-finalist Hoosick Valley; 108 points in a win over Berlin at the Hoosier Holiday Tournament which we won for the 7th straight time; a big road victory at Mt. Anthony.

“ QUOTABLE QUOTE ”

75th Anniversary

"In spite of proverbs to the contrary, opportunity knocks many times. May your responses to these opportunities for self improvement and social service bring each of you true and abiding happiness."

- 1935 Vagabond

"The baseball team of Hoosick Falls high elected Kasmer Stempek to captain this year's nine. The team includes many veterans and is trying to better last year's record of 13 wins and 2 defeats."

-1939 Vagabond

"We're from a school of great renown,
Oh, Hoosick Falls is its name.
We've got a team you cannot down,
We're out to win the game.
We're here to see the fun begin,
We'll stay until it's through,
And cheer and sing until the din
Is heard in Kalamazoo."

- 1941 Vagabond

"The year 1945 will long be remembered as the year in which the world freed itself from the yoke of tyranny. The biggest job yet remains, that of winning the peace. With your youthful minds free of prejudices, your tolerance, and your determination to make the world a better place in which to live, you have a definite contribution to make in this tremendous task. Youth won the war, and youth must win the peace."

- 1945 Vagabond

"No two of you will succeed in the same way, nor to the same degree, but each of your lives can be successful if your main goal is to make the world a little better because you lived in it. The world needs so many more people with kindness, integrity, and good will in their hearts that you must not fail."

This year the National Honor Society offered their services to the school and community in many ways. The NHS continued to tutor fellow students, raised enough money to help clothe 83 local children at Christmas, and still had time to help judge the local Halloween parade! HFCS DRAMA CLUB PRESENTS...

"All together now!"

West Side Story performed in the 2003-2004 academic school year at Hoosick Falls Central by the Drama Club proved to be a dramatic presentation of two very different and feuding worlds. Although there was tension between the Sharks and Jets, the cast and crew got along great off the stage. It was a true performance of talent by our "Shining Stars of the Stage" here at HFCS. ~ Lisolette Jones

The brains behind the set

The Music Man Jr. came to Hoosick Falls in the Fall of 2004. It included a cast and crew of over 96 people. The auditorium was nearly full each night it was performed! Everyone wanted to see the hats filled with fruits, wagons filled with band instruments and a song filled with "Shipooopi!". It was a play well performed and there will be many great plays to follow through the years. ~ Lisolette Jones

Not cool at all. That's wrong on many levels.
