Are you ready
for a change?

We always hear it....nothings new... same old, same old....or that's what we have always done.

Well not this year!

We have watched the change in our world through global warming to international conflict. There has been a change in our country from a weakened economy to a President that broke down racial barriers. We have seen the change in our school, from principals to construction. We have even seen the change in you....one more year older, wiser, and taller. So here is your book. It is not the same old same old. It reflects what is going on in the world around you...change. Look through its pages, see how people have changed in just a short year, and think about how you have changed in your piece of the world.

Dedication

Miss Isabel McGuire

Miss. McGuire has been a high school math teacher here at HFCS for years. Her excellent teaching skills combined with her great sense of humor makes for a welcoming feeling in her classroom.

Miss McGuire devotes much of her time to being the advisor of National Honor Society where she supervises peer tutoring, the judging of the Halloween Parade, and Christmas Wish among many other activities.

Miss McGuire enjoys attending the many boys and girls sporting events that take place through out the year. Big games call for her to wear the all famous blue wig. She can always be counted on to be festively dressed for homecoming week and holidays.

Miss McGuire has found time to travel to Ireland, Italy, Alaska, Colorado, and California. When she is not busy teaching, traveling, organizing an NHS event, or attending sporting events, Miss McGuire enjoys spending time at her camp on Hedges Lake with her family and friends.

Because of everything Miss McGuire does for the HFCS community within and beyond these walls, we would like to thank her and dedicate the 2009 Vagabond to such a wonderful person...you Miss McGuire.

This year the National Honor Society was kept very busy. They did their annual judging of the Halloween Parade in town, worked at a pasta dinner for Chris Luciano, helped at the fall festival, and worked the concession stand at the youth football games on the weekends. They also had one of their most successful Christmas Wish Collections ever. At the Tapping Ceremony in March, 37 new members were inducted. Congratulations to all the new inductees and to the graduating seniors!

This year's Student Council at HFC was very busy. Mrs. Mabey took over as advisor. The club kicked off the year by organizing Spirit Week and hosting the annual homecoming dance. SC sold carnations for Valentine's Day and donated money to various areas of the school to start clubs and make improvements. The club is currently planning the annual Red Cross Blood drive that will be held in May.

Sports Section

This year the school's entire athletics program underwent many changes, one c college level weight and cardio room that is available to everyone was added. Additionally, the Wrestling Team was moved from their old practice spot in the cafeteria to their own wrestling room. The gym floor was also refinished. Thank you to all who were involved to help make these positive changes.

The Varsity Girls' Basketball team fell to Hoosic Valley 48-33 in the sectional semi-finals, but the girls' played their hearts out at the end of the season.

The Varsity Girls' Soccer team got off to a good start by winning their first three games. They hit a few bumps along the way, but recovered in time for the post-season. They beat Hoosic Valley and Albany Academy.

These wins lead to what seemed like an annual match up- Hoosick Falls vs. Stillwater in the Section 2 Class CC Sectional Finals in which the girls could not prevail. The team ended their season with a record of 13-7-1. Good Luck to Seniors Kayla Bird, Jackie Kimball, Meaghan Wood, Carly Pine, and Shawnee Webster

One man can be a crucial ingredient on a team, but one man cannot make a team.
-Kareem Abdul-Jabbar

With 10 seniors on the team the Boys Varsity Basketball Team was bound to accomplish all that they wanted. The team opened up the season strong at the Rensselaer Tournament winning both games, in overtime and taking home the Championship. Once again the Team won the annual Hoosier Holiday Tournament. The biggest win of the season came against at the time ranked 6 in Class B Tamarac. The boys fell to Schuylerville and Mount Anthony twice and Hoosic Valley once. The boys won the Wasaren League title for the 1st time since 2002! Getting a bye in the first round of sectionals, the boys played Corinth in the Quarterfinals and won by 21. Unfortunately in the Semi-Finals the boys lost in an edge-of-your-seat game, to Stillwater by 2. This was a great season for the boys! Congratulations to all of the seniors!!

The JV Boys Basketball Team had a great season finishing with a 18-2 record losing only to close rival MAU. The team roster was made up of Ryan Hand, Max Goldstein, Mike Brewster, Quinn Rasmus, Will Luke, David Ciuk, Sean Dingman, Alex Lilac, Tanner Williams, Matt Gormley, Josh Mulready, David Couch, Ryan Hyde, Aaron Perkins, and John Hayden. Many Thanks to Linda and Jack Fitzsimmons of Barbecue Lanes!!!!

The Varsity Bowling Team finished with a match record of 12-1-1. They finished 2nd in the Southern Division of their league and placed 2nd at the Adirondack League Tournament at which Joe Wolfrum had the high triple of "615". Their biggest victory was winning the Section II C-D Tournament beating 26 teams for their second title in three years. At Sectionals, Joe Wolfrum had the high game of "290" which was the highest of all Section II bowlers and qualified to bowl on the Section II State team which competed in Rochester.

Corey Callahan (Captain), Jake Colliano, Joe Wolfrum, and Justin Carter were named to the First Team League All-Stars and Danielle Pelletier (Captain) and Mitchell Andrew were named to the Second Team League All-Stars. Jake Colliano had the high game for the league with a great "300" game.

Even though we missed out bowling for the league championship by one half of a point to Schuylerville, our victory at Sectionals was a great way to end a great season. The team worked very hard to improve their game throughout the season. Good luck to the seniors which will be greatly missed next season: Corey Callahan, Danielle Pelletier, Justin Carter, and Brett Sargent.

Environmentally conscious consumers use items such as reusable cloth shopping bags and Klean Kanteen water bottles that don't leak harmful chemicals like BPA.

Changing our World

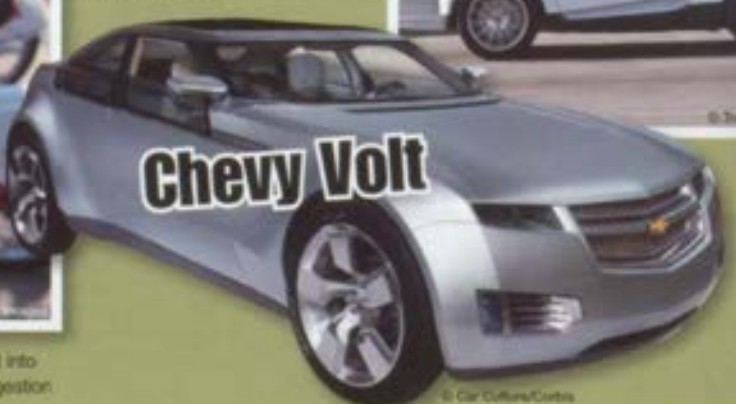

Public bicycle sharing systems, already popular in Europe, roll into American cities like Washington, D.C., to help fight traffic congestion and reduce pollution.

Tight money and high gas prices push auto manufacturers to investigate super fuel-efficient and electric cars. The Chevrolet Volt is an early contender and the tiny "Smart" car is already on American roads.
