# BLOCKS

The most building that we have done with our blocks has happened in the last four years. High School has been quite the experience for most of us. We've managed to survive those dreaded classes no one wanted to attend, two Regents weeks a year, and the cafeteria food. We've dressed up for spirit week year after year and danced away four homecomings, prom, and senior ball.

The next four years were littered with learning to read, multiplication tables, cursive writing, field days, playing the recorder and realizing that school is not all fun and games.

Fifth and sixth grade brought some new excitement. We were given lockers, ate in the big cafeteria for the first time, and had to "switch classes". The end of sixth grade marked the end of elementary school, meaning half of our school building blocks were stacked.

Middle school arrived, giving us a whole new feeling of freedom and a lot more work in order to continue building our blocks.

# THE

Way back on that first day of kindergarten, we began building the blocks to our future. That first day of school seems so long ago. Those were the days, the days of the cootie corner in the cafeteria, plenty of recess on the playground (the old wooden one), and homework that consisted of coloring sheets and copying the alphabet.

Those days are long gone, but over the past thirteen years we've done a pretty good job of building our blocks in the right direction, and we even managed to have some fun along the way.

In Kindergarten most of us met each other for the first time, we competed in our own Olympic Games, learned to

# Prom 2009

Once Upon a Time...The Class of 2010's Prom was held at the Hubbell Homestead on June 6th, 2009. Grand March took place at the school, dinner was served upon arrival at the homestead, and the night was danced away. At midnight, dancegoers returned to the school to enjoy a hypnotist and bouncy-bounces in the gym until it was time to depart for a day at Six Flags New England.

# 2009 GIRLS' VARSITY SOCCER

The Girls' Varsity Soccer team finished the 2009 campaign with a record of 14-3. This was expected to be a great season for the ladies; the team consisted of 6 seniors with a lot of experience. The Panthers started out the season by beating Brattleboro in the MAU tournament, but lost to Burr and Burton in the Finals. The Panthers then went on a tear though the Wasaren League winning 11 straight games and finishing 1st in the league with a 13-1 record with the only loss coming at the hands of rival Stillwater. The team was awarded the top seed in the Section 2 Class CC tournament, but 8th seeded Chatam shocked the ladies 1-0 bringing the season to a close. Goalie Kelsey Rogers broke the shutout record finishing with 45 in her career. The team was very young and will look to repeat as league champions in 2010.

The 2009 Boys' Varsity soccer team had high expectations for the 2009 campaign. The team finished tied for 3rd in the Wasaren league with Greenwich. The team was 2 points out of second and 2 wins out of first. The team was lead by Seniors Zach Delurey, Andy DiDonato, and Ray Crobok. The Panthers started the season 2-4, but they went 7-1-1 to finish out the season with the only loss being 1-0 to Tamarac. Then in sectionals Senior Andy DiDonato stepped up and scored 2 goals in a 4-1 win over #2 seeded Chatam. The season came to an end in the sectional semi-finals with a hard fought 3-1 loss to Schoharie. The team looks to improve even more next year and win a League Title.

# 2009 FOOTBALL

The 2009 Football team was expecting this to be a rebuilding year. For the first half of the opening game against Schuylerville it looked like it could be a long season. The second half of that game had a different feel to it and that's when the Panthers' run began. The team reeled off 11 consecutive victories including a win over rival Cambridge for the "Jug" on homecoming night. The most exciting moment, though, came in the Class C sectional Championship game against Chatam, when Junior Quinn Rasmus kicked a 39 yard field goal with 2.9 seconds remaining in the game for the win. After winning a lopsided game in the Regional Finals, the boys season came to a heart breaking end in the State Semi-Finals with a 1 point loss to Bronxville.

# 2009 FIELD HOCKEY

The 2009 Field Hockey team was a mix of experienced players and unexperienced players. Expectations at the beginning of the season was to win sectionals, but the Ladies went above and beyond their goal and advanced to the Class C State Semi-Finals. Freshmen Frankie Pearson, in her 1st varsity season, had 14 shutouts, and Junior Sam Skott scored 23 goals to tie Coach Campbell for the single season record. The Panthers won the first game of their annual tournament 7-0 over Columbia, but dropped the Championship game 1-0 in OT to MAU. After getting a game winning goal from Karley Morin in the Section Semis, the Ladies beat Schuylerville for the Section 2 Class CC Title. The team then beat Greenwich 3-2 in the Section 2 Class CC/C Championship game and advanced to regional play. After two 1-0 wins in regionals over Bronxville and Pine Plains the Lady Panthers Captured the Regional Title.

# 2009-2010 BOYS' BASKETBALL

The 2010 Boys' Varsity Basketball Team was the defending League Champs and did not know how this season would turn out due to the loss of keys seniors. The Panthers won their annual Holiday Tournament and went 13-1 in the Wasaren League with the only loss coming on a last second shot by Hoosick Valley. The team was seeded 2nd in Sectionals behind Maple Hill. After beating Waterford at home, a game in which senior Kevin McMahon scored his 1,000th career point. The team beat Mayfield, and 3rd seeded Voorheesville by 17 point in the Semi-Finals. The boys' then faced their biggest task of the season, facing #1 seeded and defending Section 2 Class C Champs Maple Hill. It took overtime and a game winning shot for Maple Hill to beat the Panthers. Kevin McMahon and Alex Lilac were named to the Class C Section 2 All-Tournament Team. The Panthers look to repeat as League Champions in 2011.

# MESSAGES FROM HOME

Alex,  
Once upon a time, not so long ago, a young boy graduated from Kindergarten. We constantly embarrassed this boy, and quarreled endlessly over homework. This handsome boy went to formal dances and had an Australian adventure. He became known as #38, "beast mode" on the football field. Now we proudly give to the world a fine young man! "Drive" forward with a purpose and score those touchdowns in life!  
Your biggest fans, Love Mom and Dad

Andrew,  
Years from now you will be more disappointed by the things that you didn't try than by the things you did--take the shot. Explore! Dream! Discover! Your future is as bright as you choose to make it. J-E-T-S Jets, Jets, Jets!  
We love you a "zillion", Mom, Dad, Matt and Alex  
PS: Remember to call your mother

Congrats Ashley!! We're very proud of you.  
Love you,  
Mom, Dad & Chelsea

Briar,  
Congratulations! We are so happy you are graduating this year and going to college. My wishes for you have always been to be yourself and become whatever it is you want to be. Now it is time to study hard at college and go for it. We love you,

Love you,  
Mom, Dad & Chelsea

Deanna,  
You have grown up so fast and are a beautiful young lady. You have so much to offer this world so follow your dreams and strive for the goals you have set for yourself. I will miss you when you are away at college but when its finished it will be worth it, a successful career.  
Love, Mom, Jim and Bryanna

Eric,  
Your humor and determination is astounding. What more can we say except "5th gear to the bar and pancake whip it!" We love you,  
Mom and Dad

Sam.  
A new journey is just beginning, enjoy each step along the way. We are so proud of the amazing person you have become. Always be yourself and you will succeed in all you do.  
Love, Mom and Dad

Dear Patrick,  
We wish you success in all of your future endeavors, whether it be diesel/auto mechanics, motocross racing, tractor pulling, or just plain having fun. Good Luck!  
Love,  
Grandpa & Grandma Tomlinson

Dear Patrick,  
YOU DID IT!  
Congratulations on your graduation at HFCS, I am very proud of you. One of the biggest lessons in life is in understanding that if you don't atleast try, you will never know what you are capable of. Hard work, faith in yourself, support from your family and friends, and a positive outlook, make it all worthwhile. Never give up on your dreams or let anyone or anything stand in your way. Good luck at UTI as your pursue your talents and dreams.  
Love always, Mom

# MESSAGES FROM HOME

Congratulations Stephen, you have overcome many obstacles in life. I'm very proud of the great young man

you have turned into. Whatever path you choose to take in I will always be there for you!

Love always,  
Mom

Taylor, I want to tell you how very proud I am of you and the man that you have become. Anything

you put your mind to, you can achieve. Remember, that I will always be there for you. Now go out there and "just do it!!"

I love you, Mom

Zach, "The greatest results in life are usually attained by simple means and the exercise of ordinary qualities. These may for the most part be summed in these two:

common-sense and perseverance." You are on the path to a great future. We are proud of you.

Love,
