Dedication

The Hoosick Falls community is comprised of many unique and dedicated professionals. These individuals enlighten and enrich the lives of students and staff alike every day. One would be hard-pressed however, to find anyone who personifies this sense of community more than the witty, talented, and devoted Mrs. Kim Hayden.

Kim Kovage was born to Nancy and Charles Kovage on September 10, 1962. This bright and energetic youngster was quick to find outlets for her boundless and contagious energy. Among her many interests and activities were field hockey, figure skating, Girl Scouts, cheerleading, marching band, and singing. Her love for music continues to this day as evidenced by her activity in any band that may be in need of a strong trumpet. Her love of singing (as evidenced by impromptu a cappella renditions of various tunes in the hallway throughout the day) continues through service to community choirs.

Mrs. Hayden's love for the sciences developed while she was in high school and was further nurtured and cultivated at Trinity College. After her 1985 graduation, she accepted a teaching position at Hoosac School, and later taught at Ravena Coeymanns-Selkirk CSD and Mount Anthony Union. Her career at her alma mater, however, began in 1999 by teaching 8th grade at Hoosick Falls. In her twelve year career here, numerous students have had the distinct pleasure of developing this same love and sense of wonder that her field elicits. Mrs. Hayden's unique teaching style, which incorporates a mastery of her content, compassion, humor, and love for her field, has enriched the lives of students who have had the great fortune of sitting in her classroom.

This dedication to her profession is surpassed only by her devotion to her family. Anyone within her circle quickly learns that her family is her greatest pride. She and her husband John have three children (Kathleen, John, and Alice) who are a constant source of gratification. She especially enjoys time with her family by summering at her sister's home in Cape Cod. Any conversation with Mrs. Hayden quickly turns to her family and any number of possible new adventures or projects they may be undertaking. This industrious family somehow manages an amazing balance between lofty personal goals and a strong commitment to their community.

Always active, Mrs. Hayden divides any free time she may have between her love for horses, scrapbooking, cheering for school sports, and predicting snow days with a towel on her head and a Magic 8 Ball. No matter your mood when you interact with Mrs. Hayden, you are sure to leave her with a smile on your face and a fresh perspective. Thank you, Mrs. Hayden for your devotion to our school and your upbeat presence. You enrich our experiences here every day with your passion for science and your endless enthusiasm in all you do.

Mrs. Kim Hayden

The Panthers came into the 2011 season under heavy doubt of repeating the spectacular performances of previous years. Opening their first game at Corinth, the Panthers rolled to a 54-13 victory. The next three games were won in impressive fashion with wins over Stillwater, Mechanicville, and Tamarac. Next on the list was Greenwch, Superior play by the Panthers during the second half led them to victory by a score of 54-14. The Panthers rolled through the rest of their schedule finishing 7-0 in the regular season. With blow out wins over Taconic Hills and Waterliet, the Panthers advanced to the Class C Superbowl. For the third straight year they earned the title as Section II Class C Champions. After avenging last year's loss to Saranac Lake, the squad took a trip to Kingston. After an excruciatingly close game, the Panthers lost for the first time that season, one point short of the elusive state championship game. Despite the loss, the season as a whole was a success. This team broke multiple team, school and individual records. The Panthers are losing fourteen seniors who will be greatly missed.

The Girls Varsity Soccer team began its season incredibly strong and with one goal in mind: states. They won the Mount Anthony Lady Patriot Tournament for the second year in a row by first beating Burr and Burton Academy by a score of 3-2, and then trampling over Brattleboro six goals to one. Falling only to Wasaren League Co-Champions Hoosic Valley by a score of 1-0, the Lady Panthers stormed their way through league, sectional, and regional competitions. The girls headed to Cortland for the state final four, and there they did not disappoint. After beating the previously undefeated Tully Black Knights by a score of 4-0 in the semi-final, the team's ultimate dream was just one step away. In the final game against Friends Academy, the Lady Panthers gave it their absolute all. Despite their best efforts, the score remained tied at 0-0 after regulation and four overtimes, and the Hoosic Falls Lady Panthers Soccer team was declared New York State Class C Co-Champions. The girls ended the season with an overall record of 20-1-2. They outscored their opponents 108-14 which set the school record for most goals in a season. Senior Meaghan McKee also broke the school record for most career goals with a total of 64. Meaghan and the rest of the seniors, Maritza Gonzalez, Emma Fricke and Alyssa Surdam, wish the team the best of luck with its future seasons.

This year's boys soccer team had a turbulent start to its season; they lost their first two games, but were able to capture their first win by beating Christain Brothers Academy, a Class AA team. They proceeded, taking their next two opponents into overtime, eventually falling to Stillwater and tying Hoosic Valley. Mid-way through the season, their record was a shaky 2-4-1. In the second half of the season, they went on a six-game winning streak. They ended the regular season with a loss, and although their winning streak had ended, they had high hopes going into post-season competitions. In the first sectional game, this determined team took Galway into four overtimes and a penalty kick shoot-out that resulted in a Panther victory. They moved on to beat Waterford 3-2, and continued to the sectional semi-finals for the third straight year. There, they valiantly fought #1 seeded Maple Hill, but in the end they lost 1-0. The boys are looking forward to a successful 2012 season, and they hope to move past sectional semi-finals.

The Lady Panthers' field hockey team began their season with a nail-biting game against Mount Anthony, that ended as a one to zero loss in double-overtime. They quickly pounced back with 2-0 win at Columbia, and continued this hot streak by winning games against all of their opponents including a 4-0 win over Johnsbury. The girls didn't stop there; they triumphed over Salem 5-0 then again, 3-0. Overall, the field hockey girls trampled their opponents, losing only to Greenwich and Emma Willard, both by a score of one to zero. Following their win in the first round of sectionals against Taconic Hills, the girls were off to the quarter-finals. Unfortunately, this is where they were finally taken down, losing to Schuylerville 1-0 after double-overtime and penalty strokes. This year's team graduates six seniors and looks forward to another stunning season.

The Varsity Golf team started out the year with high expectations after losing only one senior from last year's team. Although the team encountered a rough season, there were some excellent individual efforts. Seniors Jordan Colvin and Todd Rogers were the two leaders of the team with an average of 45.2 and 45.6 respectively. Todd stood out among all golfers as he qualified for sectionals at the Schenectady Municipal Golf Course. Additionally, Jordan, Todd, Eric, and Josh all represented the Panthers at the Wasaren League Invitational. Four players tied for the most wins; Todd Rogers, Eric Bloomer, Kealan Hitt and Mitchell Andrew all ended with four wins each. The team has an extraordinary amount of young talent in Eric Bloomer, Andrew Hoag, and Kealan Hitt, which will lead to success in the years to come.

This season was one of the best ever at HFCS for boys basketball. The team had a final league record of 13-1, which crowned them champions of the competitive Wasaren League. After a heartbreaking loss against Wasaren counterpart Greenwich during the first half of the season, the boys went on a 17-game winning streak and held their opponents to a stingy 36.6 points per game. Both of these accomplishments are best-ever marks in the history of the program. When it came time for sectional competitions, the team easily defeated Cambridge in their last game at the Panther Den. After next defeating Rensselaer and later Lake George, the Panthers moved on to face Mechanicville in the sectional final. There they ultimately fell in a heart-wrenching battle by one point. Seniors Tanner Williams, Alex Lilac, Matt Gormley, Aaron Perkins, and Ryan Hyde will graduate as one of the most successful classes in Hoosier basketball history. Although graduation will take much talent and leadership from the squad, the undefeated JV team brings hope that future teams will have the potential to be just as successful.

This year's Lady Panthers Basketball team began their regular season strongly with a thrilling overtime win over Schuylerville. After two losses, they came back to win their next four games. These included wins over Catskill and Chatnam to become champions of their own Hoosier Holiday Tournament. Halfway through the season, the girls were 3-4 in league competitions. By the end of the season their overall record was 7-11, which earned them the 13th seed for sectionals. In the first round they played 4th-seeded Greenwich, a team that had previously beaten the Lady Panthers by 25+ points twice. This game was not as easy for the Witches, however. In the final minute the girls went up 44-42 and were able to stop them from scoring, ending the game with a huge upset win. The girls then played Berne Knox, whom they beat by five points, and moved on to the sectional semi-finals against 1st-seeded Hoosic Valley. The Panthers' dramatic "Cinderella" post-season ended there, with a final record of 9-12.

Despite having a slow start to the season, this year's Panthers wrestling squad came out strong and determined. After the first week, the team was behind with a record of 1-4. At the first home match of the season, the team came out on top with a 7-12 victory over Cambridge. They continued their winning streak through the rest of the league, beating Schuylerville, Granville and Tamarac in order to earn the title of Wasaren League Champions. The team continued their successes and became Section II Class C Champions for the first time since 1998. Four individual wrestlers were crowned Class C Champions at their respective weights, and six others joined them in the state qualifying tournament. As a team, these wrestlers placed second in Division II for the section, while Brad Burns and Luis Welerbach moved on to the NYSPHSAA State Wrestling Tournament for the second consecutive year. There, Luis placed fifth at the 99-pound weight class and Brad placed sixth at 160 pounds. The team graduates three seniors, and looks to continue its successes for several years.

The Panthers bowling team started its season with intense ferocity that no other teams could defeat. As the bowlers gained momentum and struck out with perfection, they effortlessly rolled over and knocked down all opponents.

Celebrating many victories including their win at sectionals and the League Tournament, the bowlers accomplished many successes. Not only did the bowling team win the league championship, it won Sectionals against all A, B, C, and D schools. The outstanding win at sectionals gave the Panthers the right to represent Section II at the State Tournament in March. A clerical error prevented the bowling team from competing, and as a result the bowling team was stripped of its titles. However, the school still recognizes the bowlers as true champions, and senior Joe Wolfrum was able to compete individually. The team wishes him and the rest of the seniors: Mikaela Marbot, Mitchell Andrew, Jordan Colvin, and Charlie Stowell, the best of luck with their future endeavors.
