Dedication

Chris Fleming

Among the many professional, dedicated and highly respected educators at the Hoosick Falls Central School, is Coach Chris Fleming.

He was born and raised in Granville, NY where he played football in high school growing up, and was coached by Mr. Facin on the Granville basketball team!!!

After graduating from Granville High School in 1994, he attended SUNY Cortland where

he majored in Physical Education for his Bachelor's Degree. Mr. Fleming went on to earn his Master's Degree from Russell Sage College.

This is Chris Fleming's 14th year working as a high school Physical Education teacher at HFCS, a job that he absolutely loves.

Coach Fleming has been a part of the football program since he started working at HFCS. He is currently the Defensive Coordinator, and he coaches JV basketball. Coach Fleming is truly

committed to his coaching positions, and this is clearly demonstrated in working with his students.

Chris Fleming has been married for 9 years to his wife Sarah Fleming, who is a kindergarten teacher at the elementary school. They have two beautiful children: Aiden, who is 7, and Addison, who is 4.

Chris Fleming and his family reside in Hoosick Falls. When he is not teaching or coaching, Chris Fleming is an avid fisherman who loves the outdoors.

Acknowledgments

Pam Fricke

Mrs. Fricke started teaching at HFCS in 1989. She and her husband, Gordon, have two daughters. Emma is a sophomore at Hobart & William Smith Colleges, and Hannah is a senior at HFCS. Mrs. Fricke graduated from HFCS and was in the first Spanish class offered here. She has traveled to Spain several times, with and without students. She loves to be immersed in the culture there and to be able to communicate in Spanish with the people she encounters in her travels. Mrs. Fricke loves photography, particularly portrait photography. In the summers she works at a summer camp in New Hampshire.

Mike Lilac

Coach Lilac is a Stillwater native who, after graduating from Cortland St. in 1989, started teaching at HFCS in the Spring of 1990. He was a varsity assistant football coach before coaching the modified football team for 22 years. Coach Lilac started out with JV Boys Basketball, and this is his 18th season as the Varsity coach. It is also his 24th year as the Varsity Baseball Coach at HFCS. He has also served as Athletic Coordinator for 16 years. Coach Lilac lives in Hoosick Falls with his wife Katy, a graduate of HFCS. They have 2 children: Alex is a sophomore at Cortland St. and Hannah is a senior at HFCS.

Kathy Crannell

Ms. Crannell has fond memories of the long and winding road that brought her to Hoosick Falls for her job interview 22 years ago. Her plan to find a job closer to home in Queensbury has been thwarted year after year as she has waited for each new group of students to graduate. Ms. Crannell confesses that she really enjoys working with students at Hoosick Falls. Among Ms. Crannell's many interests are her love of sewing, camping and gardening. She makes Elizabethan and Victorian dresses, and she belongs to the Society for Creative Anachronism (SCA). Every week Ms. Crannell shares a "sister day" when she and her sister have lunch at a restaurant and do a little shopping.

William Brown

Mr. Brown first walked into HFCS back in September of 1961 as a third grade student. He is one of seven children, all of whom graduated from Hoosick Falls. He developed a love of music at an early age, appearing on stage at five years old. By the time he was in ninth grade, he knew that he wanted to be a music teacher. His travels have taken him from Hoosick, where he grew up, to West Palm Beach, Florida for his first teaching job in 1976. Later he became part of the U.S. Army band in Germany and eventually made his way back to his home town where he has been teaching for the past 23 years. He thoroughly enjoys his job at HFCS and has no immediate plans of retiring.

Denise Hoag

Mrs. Denise Hoag graduated from Hoosick Falls Central School in 1977. She then graduated from St. Lawrence University in 1981 with a double major in Math and Economics (Phi-Beta-Kappa). She received her Masters Degree from The College of St. Rose. Mrs. Hoag is in her 23th year of teaching mathematics at HFCS. Her passion is math and she strives to instill it into all her students. Her enthusiasm is contagious in the classroom. She is married and has two children ages 16 and 20. Andrew is a junior here at HFCS and Emily is a sophomore at Syracuse University. In her spare time she enjoys walking, reading, shopping, and dining out.

Lest We Forget

Isabel McGuire

October 5, 1965 - March 13, 2014

Isabel McGuire was a beloved math teacher who was truly dedicated to her students. She was passionate about her job. Sadly, Isabel was diagnosed with cancer and lost her fight in March this year. Her laughter was infectious, and even through her illness she came to school and bravely soldiered on. She made light of her condition by wearing a pirate hat when her illness forced her to wear an eye-patch. Miss McGuire received her teaching degree from SUNY Potsdam. Beyond her education, Isabel loved all of her students and supported them in every way possible. You could always see her spurring her students on at sporting events, plays, or concerts. She will truly be missed, but let her joyous smile and attitude be a model for how we live our lives moving forward.

Good Night sweet prince (& princess),
And flights of angels sing thee to thy rest!

from Hamlet (Act 5 Scene 2)

- Shakespeare

Harold "Hoss" Jones

May 14, 1957 - February 25, 2014

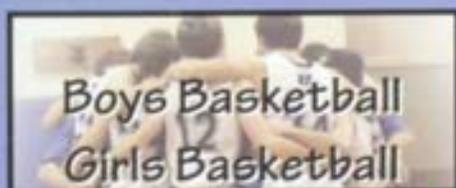

Harold Jones was a bus driver at Hoosick Falls Central School for 15 years. He loved being around the students he transported, and he was well-loved by both students and adults alike. He served the community in other ways too such as volunteering at the North Hoosick Fire Department and the Buskirk Fire Department. "Hoss," as he was fondly-known, will be truly missed by the Hoosick Falls staff and students, as well as the Hoosick Falls community.

Girls Soccer

Girls Soccer had another dominating year. Coming back from winning another state title in 2012, the girls were determined to get a third. The only problem was that this year, they were a Class B not a Class C. That didn't phase the girls though, they still had a strong season and went on to sectionals to become Section 2 Class B Champions. The girls had an overall record of 17-3. The girls had a terrific season and the seniors ended their careers strong by adding another Sectional Championship to the list.

Boys Soccer

The Hoosick Falls Boy's Soccer team had one of their best seasons of all time in 2012, going all the way to the State Final Four, and followed it up in 2013 with another strong season. The boys opened the season with a 3-0 home win against Chatham, and didn't let up from there. They went undefeated all the way through September, only losing twice in October to Ichabod Crane and Amsterdam, two tough, larger opponents. Their only league loss of the season came to Stillwater late in October, which put Schuylerville two points ahead of them, just falling short of the league title. In a tough Class B Sectional tournament the boys won their opening round game 3-1 over Cairo Durham, but fell 1-0 in their quarterfinal game to Broadalbin Perth. They ended the season 11-3-4, with Drew Phillips leading the team in goals, and Max Haar leading the team in assists. Congratulations to the boys on a great year and all the seniors on great careers.

The 2013-2014 Boys Varsity Basketball Season was the first one since 1934-35 to go undefeated in league play, 14-0. The WASAREN League Champions finished the season with 19 wins and 2 losses. Their only regular season loss was at MAU, which they avenged the last game of the season at home in front of a raucous Senior Night crowd. Playing up in the very competitive Class B sectional tournament they were awarded a home first round game, beating Coxsackie 73-28. Next up was a Quarter-Final game vs Schalmont which they won 56-48. They made it back to the Glens Falls Civic Center before losing a heart-breaker by 2 points in the Semi-Finals to Broadalbin-Perth. 1st Team All-Stars were Andrew Hoag, & Mark Hackett. 2nd Team All-Star was Austin Pitt. Honorable Mention were awarded to Will Bradley, Levi Brewster, and Noah Chani. NYS Academic All-State was awarded to Mark Hackett and Austin Pitt. Scholar Athlete Representative was Justin Lynch and the team was awarded the NYS Team Scholar Award. The team will lose seniors, Levi Brewster, Justin Lynch, and Ryan Perkins, but with several veterans returning, next season looks to be just as promising.

Wrestling

The Wrestlers left it all on the mat this year. Yielding a combination of experience in it's sex seniors and youth in its standout rookies, the team completed the season with an overall record of 12-13. The grappler's had quality victories over the WASAREN League foe Granville as well as Ravena. With regard to the post-season, six Panthers placed at the Sectional Tournament. Michael Matatt ended his career in style by earning his 100th career victory. He joins senior, Luis Weierbach and only a dozen other Hoosick Falls wrestlers in the 100 club. Sophomore, Noal Foster, and senior Luis Weierbach went on to the State Tournament. There, Nolan aquired several victories. Luis made it to the finals again. This time, he lost by one devastating point. This group of wrestlers dedicates their season and its numerous accomplishments to a fallen alumni and wrestler, Stephen Colvin. Let us remember, "On the mat, as in life, we are never out of the fight."
