## A Message from the Principal:

After another productive school year, the faculty and I hope you have learned more about yourself and are more confident in your ability to take on life's challenges. The pace of life has increased; however, the mindset to be successful has remained constant over time. It is my hope for all of our students that they will adopt the following mindset:

- **Be Courageous and Positive**- It is understandable to initially feel defeated, but view these moments as a challenge. Positivity attracts positivity, plus positive people are more fun to be around.
- **Don't Be Afraid to Fail**- Learn from your mistakes. Experience is a good teacher if you take the time to reflect. Successful people recognize that failing offers the opportunity to learn how to do things differently. Don't stop learning. Persevere, don't give up on yourself. Quitters rarely make it.
- **Keep a Sense of Perspective**- It is easy to get caught up in the moment, especially when emotions are running high. All good things come in time if one recognizes the things they can control and change. Trying to control things or change people will only bring about more frustration.
- **No one can make you feel inferior without your consent** (a quote from Eleanor Roosevelt).

As you may notice the common thread in these messages is that you have the ability to choose how you respond to others and life's challenges.

The faculty and I are proud of all that you have accomplished in and out of the classroom this year.

Thank you for making your school community proud.  
With Panther Pride, Stacy A. Vadney, Principal

## 2016

### National Honor Society Teacher of the Year

In Memory of

# Damir Wade

3.4.02 - 12.9.16

"Damir was an amazing person and great friend. He had a remarkable sense of humor and put everyone before himself. He was a talented runner and loved music. He often brought many people together, and avoided judging his peers. He always stood up for what he believed in. I've learned so many things from being his friend, including how to laugh at any situation and that there is so much more to someone than what meets the eye. Damir will live on in our hearts forever as the person who could brighten anyone's day."
