Alexandra Asderis

Lindsay Baldomar

First, I would like to thank God for giving me this second chance in life, for without You, I would not be where I am today.

Mom, even though I didn't get the chance to know you that well, you are still such an important part of my life. It is you that makes my thirst for knowledge so great - to learn, and to never stop learning. Thank you for being my guide. I love you, and never stop missing you.

Dad, even though we disagree on numerous things, I do agree with you on one thing: sending me to a place, like Hoosac, where I can grow into my own individualistic self, was the best thought ever. I would also like to thank you for teaching me how to drive (although I think I am going deaf in my right ear).

Karissa - words cannot express how grateful I feel that we have become such close sisters. Thank you for giving me advice even when I didn't want to listen, for being there to listen - or to talk, for standing up for me even if I was wrong, for always being there to comfort me during troubled times, and for all your support when I needed it the most. SWAB.

Lisa - nights out in the city of Boston were awesome. Thank you for showing a girl everything she should not be doing. Most of all though, thank you for taking serious interest and concern in my school grades, projects, and helping me prepare for college (parties).

Susie and Ethan - I will always remember the "prom fiasco"! Spending time with you both has been such a blast.

To my other sisters: Staci, Kim, Andrea, Janice - Thank you for always being there.

The Bernardo family - I know that we've had our rough times, but the good times I've spent with you, outnumber them all.

Mr. Driscoll - Thank you for taking a chance on me and accepting me to Hoosac, these five years here have been memorable.

Mr. Lomuscio - "Le mot juste," this phrase that you have taught me in AP has taken me to a whole new level in writing. Thank you for your guidance.

Mr. Martin - "Fran" will always miss the countryside at Hoosac. Take care.

Mr. Burns - I really enjoyed having you as my advisor. Words can't possibly say how much I appreciate everything you have done to help me along the way. You are truly genuine.

Mr. Foster - My first tutor. I can't believe it's been five years. It's been fun. Remember: "domestic" and "Mercedes."

Mrs. Tarburton - Thank you for helping me with all my college problems. I will be sure to keep in touch and tell you how things are going.

Mr. Moss - Thank you for helping me with my writing skills, and also with any computer problems that I've had throughout the years.

Ms. Macri - Okay, maybe I am not what it says on my pajama shirt, but it's been fun. Thank you for helping me develop my new motto.

Ms. Smith - Playing candy poker was so much fun. It was nice meeting you this year.

Mr. Horne - I enjoyed our endless conversations on ethics and politics, although they don't necessarily go well together. It was a pleasure meeting you. Let's go clubbing sometime! Keep in touch.

Mr. and Mrs. Putney - My very first dorm parents. Thank you for making Hoosac feel like home. Good luck with everything in the future.

Ms. Cummings - You made four years of learning French amusing, and Club D never a dull moment.

Mr. Off - Physics class has been interesting. I will be sure to dedicate my first novel ("short" answers) to you.

Mrs. Klein - Health class has been exceptionally fun this year. I enjoyed working on the Reality Check program. Thank you for everything.

DA Sweeney - Thank you for helping me through a lot of obstacles. It was very nice to have met you.

Mrs. Pekalski - I enjoyed all of our conversations about fitness. It was nice to meet you.

Cindy C. - It's been five years at Hoosac for the both of us, I can't believe the year is already over it went by so fast. It has been fun getting to know you. Good luck with everything in the future.

Ms. Aspiala - Thank you for opening my eyes to the world. You are truly one of the best English teachers I have had. I am glad that I had the opportunity to have met you.

Mrs. LaPorte - Thank you for handing me my mail every day...wait, I never got mail every day! Nice to meet you. Take care.

Mr. Buttenheim - AP US History was fun. Thank you for all your help and hospitality.

Lea - Hey, girl, it's been lots of fun hanging out with you! I will miss you next year. And remember, you can do whatever it is you want in life, you have a lot of potential.

Christina - We did it! We've finally graduated. I am so glad I've met you. Thank you for being there for me when I needed you the most. Be sure to keep in touch. Good luck with college.

Say - It's been really great getting to know you these past two years. Good luck with everything in the future.

Cindy R. - I know that we didn't get to hang out that much, but I was glad to get to know you this year. Remember our 'JFK Thesis.' Take care and good luck.

Ladrana - I am glad that I got to know you. We had a lot of crazy times in Dudley. Good luck with everything next year.

Jessica - I know that we didn't get to hang out that much this year, but I sure had fun hanging out with you in Dudley. Send me some men from Jamaica, will you? Good luck next year.

Holly - I will miss acting in front of the video camera in Dudley. Hanging out with you and getting to know you has been fun. Good luck next year.

Whitney - It has been an interesting year. I am glad that I got to meet you. Remember "And this one time at Harvard," and "Moulin Rouge," and remember to get the top bunk so that you have "more control." Take care, keep in touch, and I will be sure to visit you soon.

Yoo Na and Jennifer - Remember "punching bag in Tibbits." It was nice meeting you two. Good luck next year.

To all of those freshmen coming into Hoosac, if I could give you one piece of advice it would be this: Enjoy your years at Hoosac, when you graduate, you will miss it.

"And I took the road less traveled/And that has made all the difference." - Robert Frost

Mom, Dad, and Nicole- I love you guys so much. Thank you for everything. I know I'm very hardheaded but thanks for not giving up. I couldn't have done it without your encouragement.

Jina - My little princess. You have helped me grow so much. You won't ever know how much you mean to me. As much as I want to graduate and get out of here, there is still a huge part of me that wants to stay here with you. Baby I love you so much. Good bye

Brian, Darryl, and Pascal - Aw man I don't even have the words for you all. Four long years in this place but we made it out together. So many memories, you guys are all like brothers. Thanks for being there for me. You guys keep in touch.

Walcott- Check you in Atlanta.

Darryl- We both had the opportunity to 'Bless and Save' all of the people we did our first year.

Pascal- I have enjoyed you being my sidekick in all of our debates together. And the times when you weren't on my side, please forgive me for making you look so bad. Its been fun man.

--Ms. Stulz: I'm so glad I changed my symposium to your English tea. I loved it. Thank you very much.

--Mr. L.: You are an interesting guy. You are an excellent headmaster. I like you.

--Mr. Cochran: Thank you very much for teaching and helping me to make the chair. It was my first time to do woodcrafting. I learned a lot from it, and I enjoyed myself. The chair came out very beautiful. Thank you very much.

--Ms. Muller: I learned a lot in your life guarding training sport, and my swimming skills improved a lot. Although I changed my dorm the second year, I like you a lot. Thank you very much.

--Mr. Home: Thanks for giving my Theory of Weird a good name, 'Sanism'.

--Ms. Tarburton: Thank you very much for helping me keep all the college stuff organized. Without you I would have lots of trouble doing that. Thanks a lot.

--Mr. Burns, Mr. Martin, Mr. Burke, Ms. Lightcap, Mr. Moss and all other faculty members: Thanks a lot for every single thing that you did for me. I had a great time at Hoosac School. You are all very nice. Thank you very much.

--Kitchen staff (Mary, Claudia, and Paul): I had a great time in the kitchen. I like you guys. I'll miss you.

--Christina: We really had lots of fun together. I believe both of us will never forget these fun times. Thank you very much for all the things you did for me, especially for always being ready to rush to the swimming pool to rescue me. I will never forget the three words--ketchup, mustard and napkin. At last, I would like to tell you that 'I love you for sentimental reasons'.

--Stanislava: You're a special girl in every way. I love you but I hate you too. I hate you because you don't need to study and get good grades. But you're my baby, so I love you anyway.

--Lindsay: You are cute (maybe you'll rather I say you're hot). I will never forget you and your dance, party girl (just kidding). We should keep in touch in college. Thank you for helping me a lot. And don't always think you are fat.

--Whitney: My pantry girl, thanks a lot for always helping me. We had a lot of fun in pantry. You are sweet and I love you.

--McCullough Girls (Shana, Stanislava, Christina, A-Ram, Jina and Lauren): This dorm is great. You guys are cool. I love you all. I learned a lot from you. Thank you very much for all your help.

--Mancuso: What-Is-Up????

--Brian Walcott: I really like your hair.

--San: You did it! Congratulations! You don't have to be perfect, just do your best!

OTHER:

--What-Is-Up?

--How is your hair? (much more interesting than 'how are you')

--Sanism (San's Theory of Weird): You're weird, I'm weird, everybody is weird! When you think others are weird, they think you are weird too, because we're all different. So everybody is weird. Weird!

Mom and Dad: Thank you for giving me an opportunity at Hoosac. I love you guys.

Nancy: Thank you for everything. You're like a second mom to me.

Mikie: Heh, remember that time you fell off the back of Nurse Klein's truck? Ouch. That had to hurt. Poor boy. Anyway, thank you for keeping it interesting. You're one funny kid. Good luck in the future.

Matty: Hey, one more year to go. No matter what, you always make me laugh. Good luck next year.

Tommy: Ah, Tom. You and I have had our good times and our bad. It's a love-hate relationship. We act like brother and sister more than cousins. Oh well. Thanks for looking out for me. I know that with everything you do, you mean well. See ya.

Nickerz: You were my best friend for our first year here. You were like the big brother I've never had. Thanks for listening and I know everything will work out for you in the future. Good luck. Keep in touch.

Laurel: Try and stay away from all of the drama, okay? Haha. Don't let anyone bring you down. Stay strong.

Moll: You are one crazy girl. Your sarcasm is what I like about you. You have got a good heart and it's always in the right place. Thanks for listening to me complain about every single thing in my life. I'll see you at Yule Log next year. Have fun. "Don't sweat the small stuff."

Kaley: You are such an inspiration to me. You've taught me a lot about everything. There is so much to write but I can't put it all into words. Thanks for being a great friend. Remember spring vacation, going out to eat with your parents and playing pool. That was fun. Well, good luck with everything in your future. I'm sure we'll meet again down the road. Stay good.

Danielle: We've had some good times and some bad ones too, but it all turns out right in the end. I wish you the best.

Becca: This is what we've been waiting for since 6th grade. There's so many things that we've said we were going to put in here, but I'm sure we've forgotten about more than half of them. "No Bec, this is how you do it", "SHA". Those are the only ones I can remember now. It doesn't matter though. You know that you are my best friend in the whole world. Although we've grown apart a little, we still can read each other's minds. We're pretty immature at times, but it's cool. I'll see you at college.

J.W.: What can I say? You are a great listener, and a good friend. That means a lot to me. I'll see you at school. Keep Tommy in line.

Katie: 4 more years.

Whitney: Good luck with prefect and good luck in the future. I'll make sure to come and see you at the Vineyard!

To the new coming day students: Keep this place on its toes!

Mr. Olfie: You are hilarious.

Mr. Martin: You are the day student's favorite person at Hoosac. Thanks for everything.

Mr. Cochran: English was my favorite class. Thanks for the rides up in the morning.

Mr. Burke: You're a great guy.

Aaron: You're the best thing since sliced bread. I'll always remember Yule Log when you wrote my name with pine needles on the floor. Very creative. Or that time at your house when you asked me out. You make me smile and that's a rare thing most of the time. You are my everything, and you know you mean the world to me. I'm looking forward to our future together. You know I'll always be your princess, cupcake, muffin, angel, goddess, biscuit. I love you.

Mom and Dad: I don't know how to begin, and where to start since there is so much to say. Maybe a huge T H A N K Y O U will be a good beginning? Thank you for all the care and love you have given me for the past 18 years. Thank you for the sleepless nights you have spent over my bed. Thank you for all the white hairs on your head. Thank you for the patience you had with my teenage years. Thank you for not giving up on me. Thank you for believing in the better. Thank you for giving me the chance to prove myself. Thank you for guiding me in the right way. Thank you for listening. Thank you for giving me a shoulder to cry on when I was brokenhearted. Thank you for all the advice you have given me. Thank you for the good-morning and goodnight smiles and kisses. Thank you for the laughter we have shared together. Thank you for the great moments, now being warm memories. Thank you for being my best friends. Thank you for letting me trust you with my secrets. Thank you for being true to me. Thank God for the decision to let me be your daughter. OBICHAM VI! For me:

Don't quit when the tide is lowest
for it's just about to turn;
Don't quit over doubts and questions,
for there's something you may learn;
Don't quit when the night is darkest,
for it's just a while 'till dawn;
Don't quit when you've run the furthest,
for the race is almost won;
Don't quit when the hill is steepest,
for your goal is almost nigh;
Don't quit when you are not a failure,
until you fail to try.

Alex: Hey honey! Thank you for taking the time to listen! Thank you for giving me a smile when I needed it! Thank you for the hugs when I cried! Thank you for being my friend! I LOVE YOU!

Frances: I love you sweetie! I hope you'll still remember me when you become a star, and we could still have our study hall chats together. Thank you for always being there for me.

p.s. I am sorry for how things turned out to be in the end of the year, and I wish this B.S. didn't happen. I didn't mean to hurt you...

Branden: I told you, you are just big on words!

Radi: 'Don't ever stop loving, don't ever stop believing, don't ever stop dreaming your dreams' I just felt like writing this quote to you. Don't ask me why :) Take care sweetie!
p.s. And don't forget- you are my best friend!

Ben: '...you can go as far as your dreams can take you...'

Lea: I'll send you some of the pix you took of me!!! I'll miss you! Take care, and don't forget to have fun wherever you go!

Holly: '...if you strongly love something, let go of it. If it comes back to you--it will always be yours, if not-- it has never been!' Remember this, sweetie. :-> Have a nice life. :->

Geoff: I am sorry for how everything turned out! I missed you all these months, but I didn't have the courage to come and talk to you. I just want you to know that I still care about you (even though it might sound strange).

Badr: I'll keep my promise someday. :->

Miss. Smith: Thanks for being such a great dorm parent! I am looking forward to the hike next spring break.

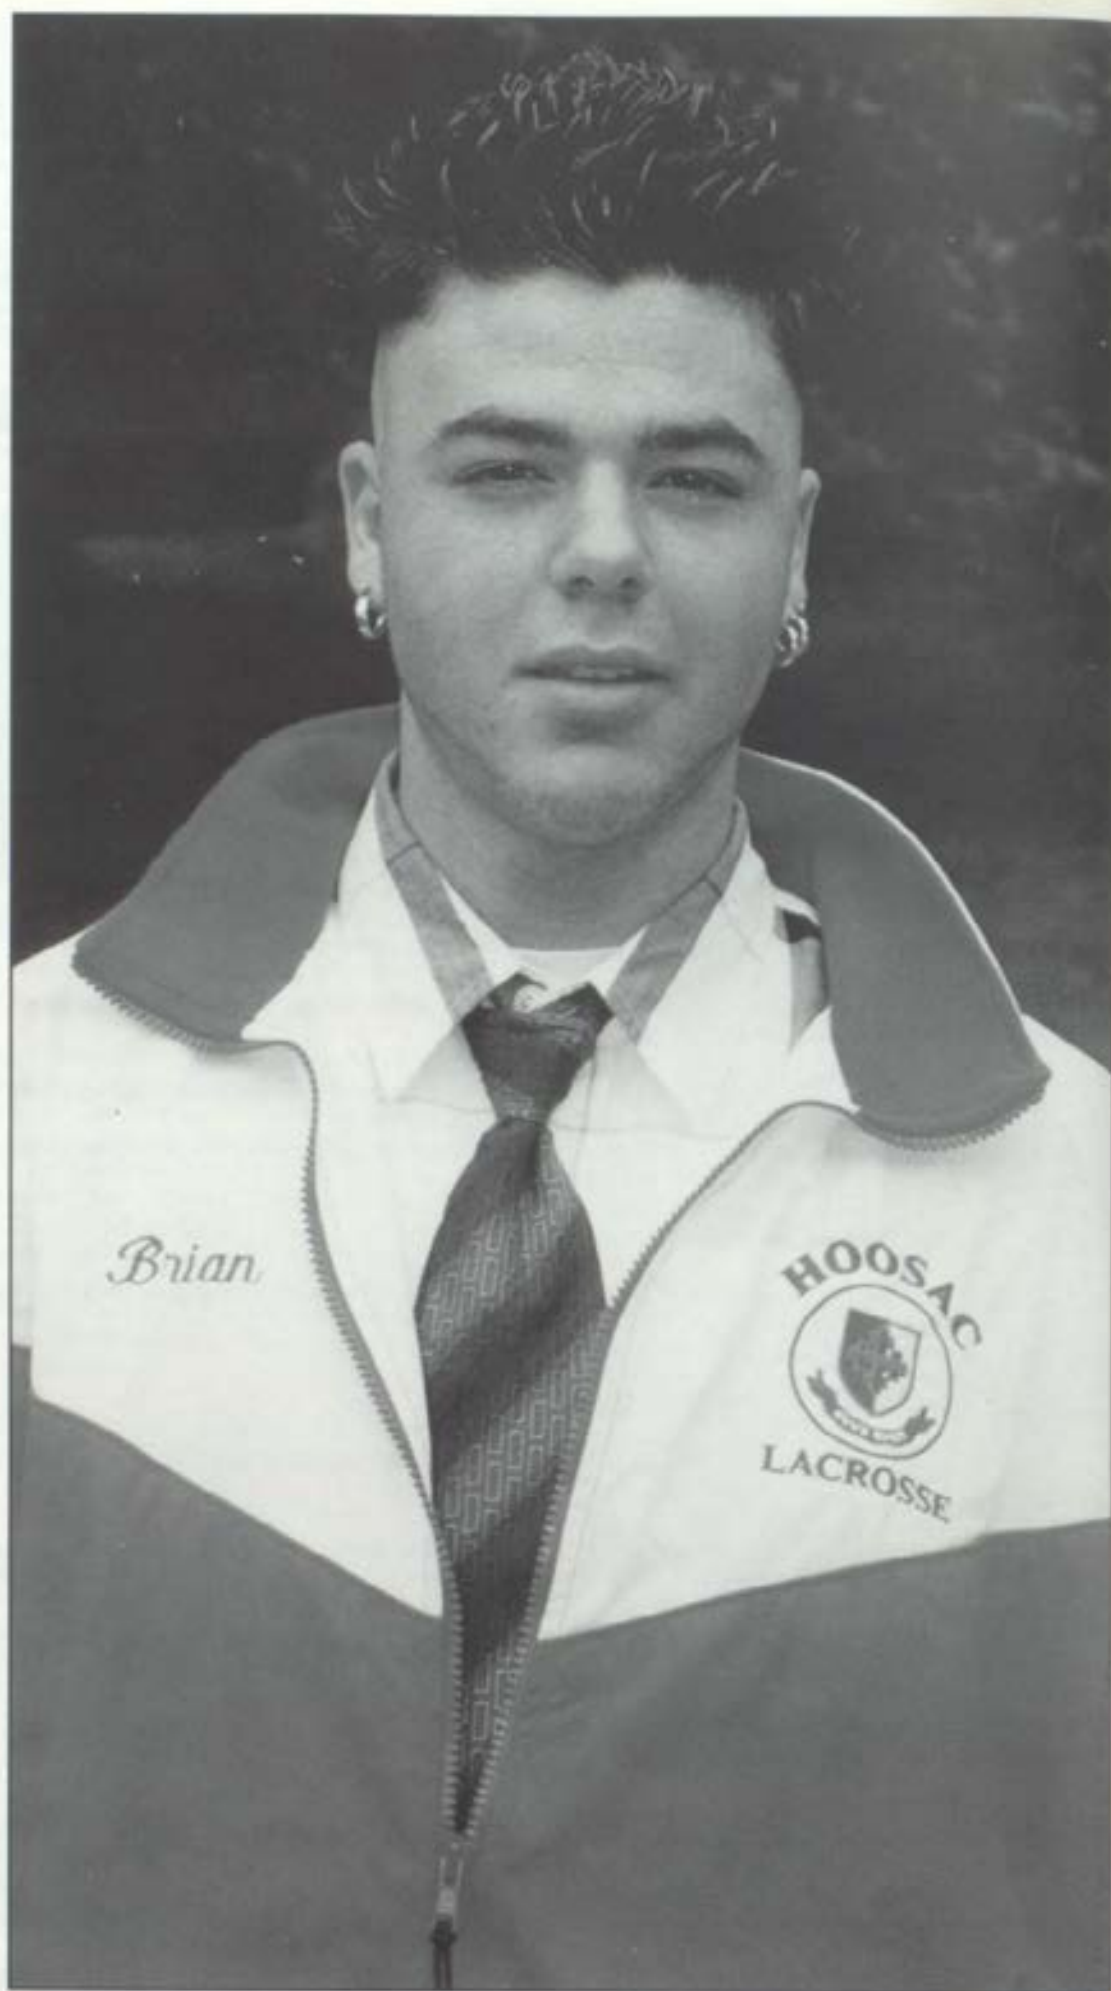

Mrs. Stulz: Thank you for everything! Our dinners were one of the best times I have had in Hoosac. I can't wait to see you in Bulgaria.

Mr. Horne: 'Don't ever be afraid to try to make things better-- you might be surprised at the results.'

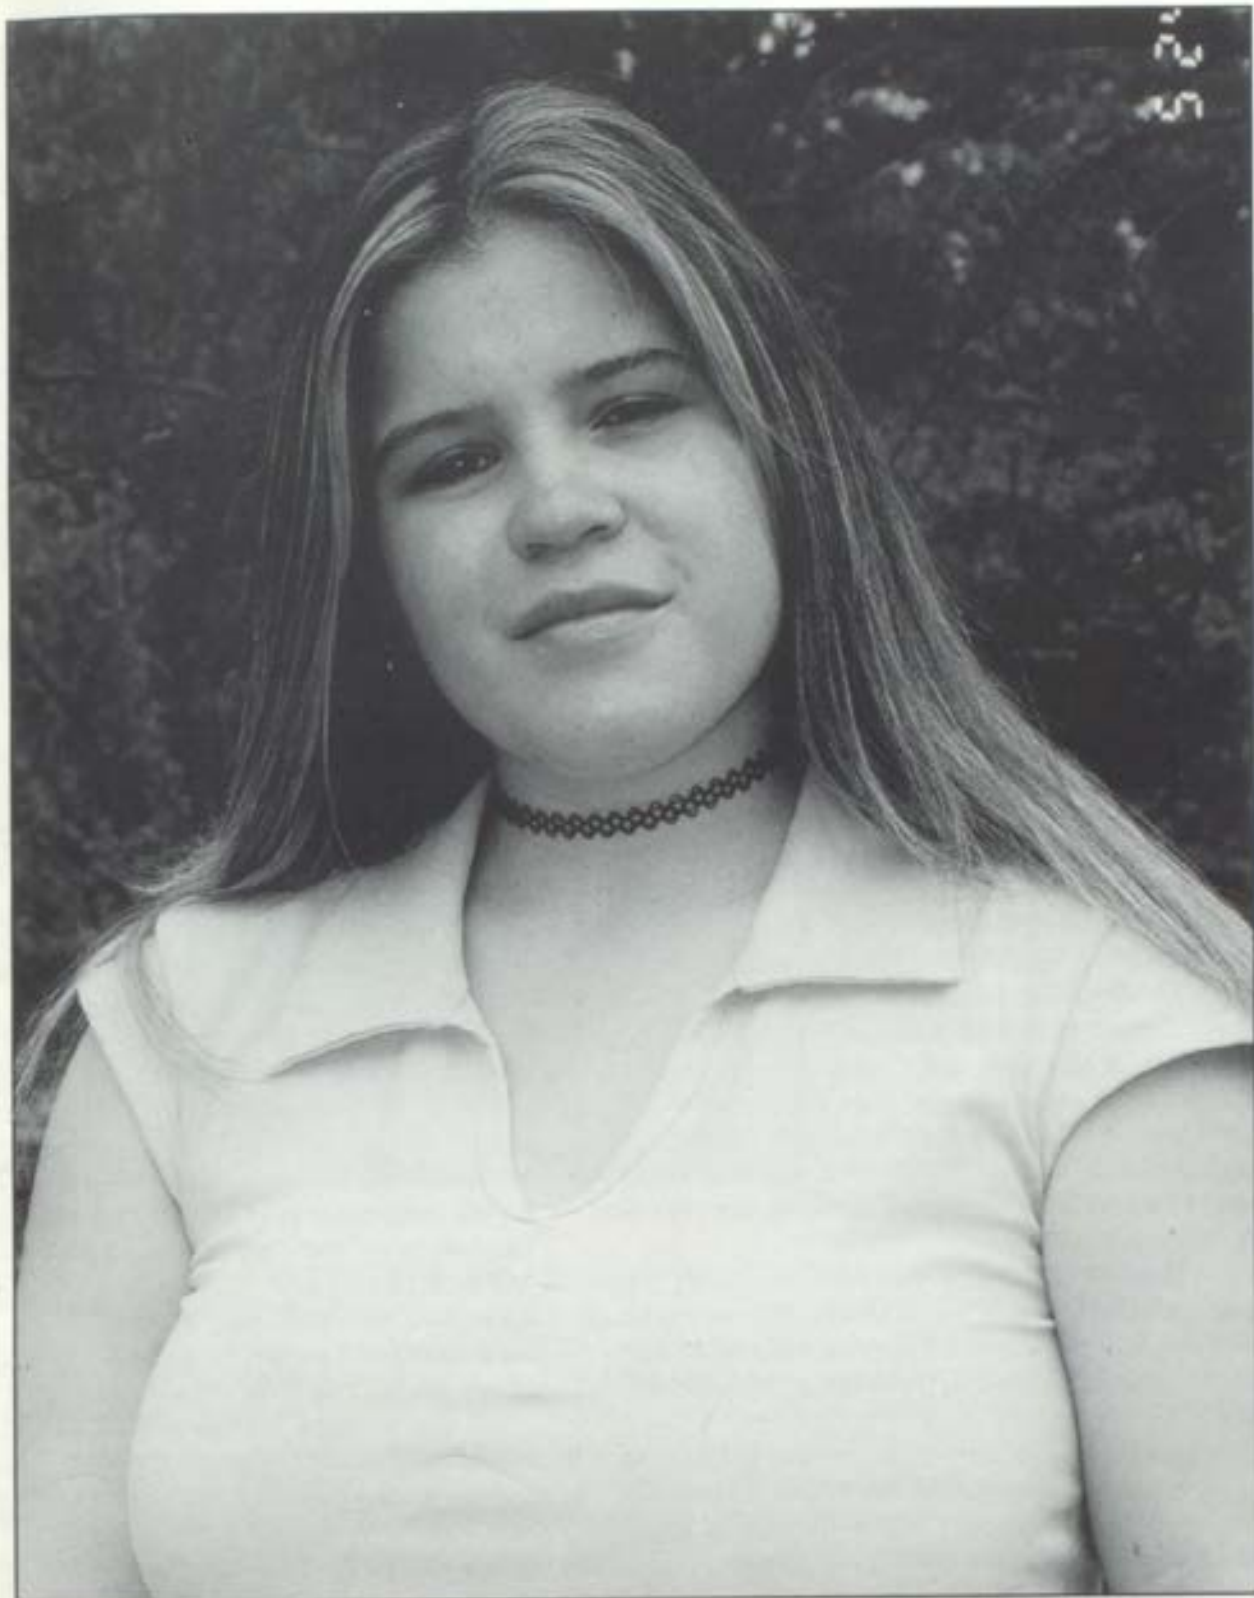

Mrs. Tarburton: Thank you for everything! I couldn't have made it without you.

Mary, Paul, Claudia: I had lots of fun working with you guys! Thank you!

I don't know where to start or what to say. If you have been there with me you should know the stories, and the surprising things seen.

Mom and Nicole- Thanks for the support and encouragement. You both have always been there for me even though I can be a difficult brother and son at times, but that's me and no matter what you still love me.

Badr- You're a good person and friend. It was fun chillin with you in the dorm. You'll find that special girl soon... just be patient.

Yusuke- Youz G. You're the first non-American roommate I have had, but we were still able to communicate and understand each other better than anyone else.

Ken, Ryan, Soo Hyuk, Matt-Lavino should be the same popular dorm just like it was when I was here. Don't let some new kids take it over.

Cocklin, Alan, Dilk, John Kim, David, Idaho (Jordan)- It has been mad fun this year and a crazy one.

Miss Muller- Don't let your dorm drive you crazy.

Our relationship has had its good and bad times. To answer your question you wrote in the poem, "Yes, I did love you," and "will I go through the years again?" "Yes." Don't be a stranger. You can always call.

If I didn't write, don't worry about it. If we were friends, you know the stories, and you know me, so you know this page is not the last that you'll hear from me.

YOU ALL MADE MY TIME HERE WORTHWHILE:

MOM & DAD: I don't know how to thank you guys enough! Firstly, for sending me here- I know it wasn't cheap, but I also know that it was exactly what I needed. I had a rough first couple of years in HS, but because of your willingness to send me off to boarding school, the past two years have been ones of immense change and growth. Thanks for all your support and love. I couldn't have done it without you guys.

HOME FRIENDS: Thanks for your support while I was away. I'm sorry I couldn't KIT with you more, but I really missed you!

LINDSAY: I don't even know how to begin. You and me, we've been through it all. From the moment I met you on my tour, I knew this is where I belonged. I still can't get over the fact that we went to Schodack at the same time and never knew it; wow! It's like fate! You really made my time here worthwhile, amiga. I wouldn't have stayed sane without you; who else would I have vented to all those times?! I guess all there is to say is thank you. Thanks for being my best friend and faithful supporter, and know that I'm always here for you. Even if you don't decide between your guys, you'll still do well in life! Oh, and one more thing- CHILL, amiga! Love you forever. BFF.

SAN: There's so much to say, so many memories we've shared... what to start with?! Firstly, I'd like to thank you upfront for making sure I was on time to places. You know time's not my strong suit, and I don't know that I could have done it without you. Just remember: Boston, Sweethearts >), Dirty Dancing (our favorite movie girl), meeting the Truongoms, that you're a "little sis" now (lol), Realty Check!, Sanism (weird theory), hanging out in the nurse's office 24/7, NYC with Lir, Beauty and the Beast, being "sisters" for 3 weeks, doggie school, O'Doul's (fake beer), Equal (yuck! how can you eat that stuff?), Mrs. Klein's "presents", Sam! What ISup?, Jet Li, Easter baskets, napkins, mustard & ketchup (yeah baby!), makeup for a night (Halloween), and that we'll be BeSt FriEnDs FoR LiFe!! Love ya babe! I'll really miss you! Have a great summer at home.

STANISLAVA: I couldn't have hoped for a better roommate this year. I consider myself extremely lucky to have met you and can't wait to come visit you in Bulgaria this summer!! I hope you get to go to college in the US like you want to, but if not, we'll still def KIT. I want to be friends with you always. Never forget what we've shared, both the good and the bad. I think we've really grown together. I had THE best year with you! Thanks for listening to all my problems, and I was glad to listen to yours. After all, what are friends for? I love you! Lekanochit!

LEA: Hey Leanna, what's up? Lol. I've shared a lot of fun times with you. Thanks for helping me through some rough times, you were a great big sister and friend to me. I wish you good luck in whatever you do in life, and I'll always remember nights spent at "Club D", you and Holly "corrupting" me, being an honorary member of Dudley, hanging out at Tibbits, and just chillin and having fun!! Love you! KIT.

SHANA: Thank you so much for sharing these two years with me. I really appreciate all you've done for me in the past, and for the dorm. Our dorm has seen it all- fun times, silly times, rough times, bad times, (usually all at the same time!), but you've endured it all and have been a strong leader. I commend you for that, and thank you. You and Yuti were both awesome prefects. I'll miss you! KIT Shan.

CINDY R: Thanks for your help and advice throughout the past two years. I don't think I'll ever meet anyone friendlier than you. You've been an awesome female senior prefect as well. Good luck in whatever you do. KIT.

BRIAN W: Hi Brian, how's your hair? You were a good senior prefect as well. Good luck in the future!

ALEX: Even though it didn't work out between us, being friends was cool. I just want you to know that there were no hard feelings, and I still had fun hanging out with ya. Good luck in whatever you do! I'll miss you!

MCCULLOUGH: I've really had fun with you guys! Even though our lives are like ongoing soap operas, it was nevertheless awesome. We made a good team. I'll miss you all next year! Good luck in life.

SOME SPECIAL FACULTY:

MRS. KLEIN: What can I say? How's your hair? Lol. I hope you enjoyed the time we spent together as much as I did! You have been a great guide and friend over these past 2 years, and I cannot express my sincere thanks enough!! I will miss you SoOO much, that I'll have to come back and visit whenever I can, and bring my accomplice with me. I hope you liked all the presents from your "Sweethearts"; to this day, I still don't know who they are. :-)) So you'll just have to introduce me to Lucas one of these days... that would be fun. Don't ya think? Or should I keep wishing?! Never forget: Realty Check!, Cornell trip, DJ Dance, Sweethearts, SUNY Albany with Sam, Plum Blossom (thanks!), Four Chimneys (thanks a lot!), your stories, "car-stopping" questions, our phone calls from Boston like every other night for a week, bed rest please!!, laughing until our stomachs hurt, e-mails, and just making it through the year... with a smile, to boot!! I love you! (for Sentimental Reasons) I'll miss you!

MISS. MACRI: Thanks for being such a great advisor! You helped me through some really rough times, and also taught me about time management. I really appreciate that. I really felt like I could talk to you about anything, and whatever had to be done, would be done. I will miss you! I'll see you when I visit.

MISS. SMITH: You are an awesome teacher, and were a friend to me for the year I've known you. I felt as if I could talk to you about different things too, and that you understood me well. Thanks for showing me and Sam around Boston- we had a blast!! I hope to see you when I come back to visit. If not, good luck! I'll miss you!

MS. LIGHTCAP: I had a good two years in McCullough. Thanks for helping me grow and change. We went through some rough times, but all in all it was fun. At least there was never a dull moment. Good luck in the future.

MR. L: Thanks for everything. All of the Realty Check stuff couldn't have happened without you being a part of it. Also I had fun in your AP English class. I'll see you when I come back to visit.

MR. OLF: I will miss you incredibly. I'll miss our little talks about life, and all the teasing and joking around. Never stop being nice. It's too good a quality in you to lose. And thanks for going to lunch with me those times! I'll miss that too. I'll see you when I come back and visit though.

TO EVERYONE ELSE: I really had a great two years here at Hoosac, and even though it was rough at times, I'm glad I came. Thanks for helping me enjoy my time here, and good luck in whatever you do. Just remember- never let your dreams die, and don't dream it, be it! You'll go far in life. Bye!

-The faculty: Thanks to all the faculty and teachers for believing in me and giving me the honor of being Senior Prefect with Cyndi. What you taught me I will carry through life.

-Ms. Mac: You have been a friend and a mentor to me. You were there when I needed help and guidance. Thanks for standing beside me as a mentor during my terms of prefect ship. I will miss you and never forget the things you told me. Good luck with next year's hockey team.

-Mr. L.: It was fun sitting at the head table with you this year. Thanks for your guidance.

-Muller and Smith: Thanks for letting me stay at your houses when I just wanted to chill and relax. I loved playing cards with you guys. I hope we could get down to some card playing when I come to visit in the future. I'll miss you.

-My Korean friends: It was fun chillin' and hanging out with y'all. I'm gonna miss you. Ryan Shin, good luck next year. John Kim, keep your head up. I'll miss you especially A-Ram, Jennifer, Yoo Na, Yoon-ji, A-Eun, and Jina. Take care.

-Alec: My boy. Just keep your head up on those teams, work hard, and don't give up. Good luck, man.

-Idaho: You've changed a lot, man. Grew up and matured. Take care of yourself and I'll miss you.

-Alan: "Roommate"! Living in Whitcomb in my junior year was especially fun because I had you as a roommate. Stay funny and good luck next year.

-Kiely (Big Gip), Matty, Chris A.: This year was uniquely fun hanging with you guys. I could never forget you. Y'all were so funny. I'll miss you, man. This year I really got to know you guys individually and I'm glad I did. See you around.

-Nicole and Luciana (Sister): It's been a long time, but we did it. I'm gonna miss you because y'all looked after me like how siblings do. We had rough times in the past, but that always makes us better for it. Good luck in college, and I'll never forget you. I hope to see you again.

-Lea and Holly: Lea, I'm glad to be your friend over these past few years. It was fun while it lasted. See you around. Holly we didn't chill that much, but it was fun when we did. Good luck in college.

-Cindy C: EFC, you're one funny girl. Take care of yourself and good luck in college.

-Cindy R.: I am glad I got to know you. We had some funny times to remember. I thought you were really nice and don't change. Best of luck in college, and keep in touch.

-Jessica: I loved to annoy you because you were so fun to be around. I felt we kind of connected as friends in a unique way and I'll miss you. Have fun next year.

-Ladrana: Well, it was fun being together. Even though we went through a lot I think it made us stronger and wiser people for it. I wish things didn't go awry as they did, but that's life. I'll never forget you. Keep singing beautifully. I wish you the best of luck and blessings in your singing career. Good luck. Keep in touch. Te quiero!

-Tiara: Thanks for braiding my hair. Have fun next year.

-Iva: It was fun talking to you and hanging out. Have fun in college and the best of luck

-Steve and Geoff: You two were the craziest, funniest dudes I have met in a long time. Good luck next year and have fun.

-John C. and Dilk: Good luck next year in college. I'm just glad we chilled and got to have fun over the years. Take care.

-Johnny U.: Man, I remember living back in those Whitcomb days and you were so young and new, and you were fun to be around. You've matured a lot. Take care of Hoosac next year. Don't forget to check me in Florida.

-Badr: Badr, take care of yourself next year. It was fun back in Whitcomb. Everywhere you go you make the place fun and live. I'm going to miss you.

-Pascal: My first roommate. We came a long way. From the day we meet up in Whitcomb we were like brothers. Each year we matured and rose above every challenge. But I think our first two years were the best. You're my boy for life. I'll miss you bro'. Keep your head up and be strong, kid. Thanks for letting me chill at your house like every break. You have to come visit me in Florida. Good luck in college. One love kid!

-Dorian: Oh man, when we first met we did not click at all. We were like hating each other in the beginning. But we had a lot in common. Jokes all day made people think we were crazy. But we had lots of fun. Everyday we had a new undercover joke and codes for everything. We had fun over the years at Hoosac and in ATL. We had each other's back when trouble went down. See you in Atlanta and good luck in college. You were glad to "break bread with the god". Come chill in Florida.

-Darryl: Four years, kid, I remember first seeing you in the gym and Pascal, Dorian, and I thought you were a junior our first year. We first became cool back when the Squealery was the Squealery. A lot has changed over those years, for the good and for the bad, but I think we became better for it. Good luck year, man. Keep in touch and see me in Florida.

-Ross: How's the weather?

Mom: Neither this page nor this book could ever give me enough room to explain or show my love for you. You have been so much to me over the years. My friend, my sister, my counselor, and my savior and this is what makes you the most important thing to me. I would not be who I am and never be where I am and will be without you or your believing in me. You have worked and continue to work so hard to be the best mother to me, Shena and Dorian. So thank you for EVERYTHING. The fights, the disagreements, the punishments, and even the curfews you gave me after I turned 18 (and thought I was a grown woman), because those things help me grow and make me strong. No one can and will never be able to compare to you. I will soon make you proud. I love you.

P.S. The check is in the mail!

Mommy Lydia: Usted es la razon por la que soy Nicole. Usted tomo el cuidado de mi e hizo una segunda madre a mi cuando no podria mi madre verdadera. Gracias por tomar el cuidado de mi y tratarme como su propia hija. Espero eso un dia que puedo tomar a cuidado de usted la manera usted tomo el cuidado de m. Te amo siempre. Tu Hija, Nicole

Shena and Dorian: My two little men (and brothers), I have had fun with the both of you. Thanks for laughing with me, crying with me and growing with me. Dorian, when you get old enough to read this you will know exactly how much I love you. Grow up and make us proud. Shena, I see you becoming the man that Mom wanted you to be, strong and independent. If you ever need anything, call on your sister, I will have it for you. Love you both.

Myrna, Joey, Wallace, Olgita, Vinny, Gloria: My disFUNctional brothers (and sisters) from another mother! Thanks for taking me, Shena, and Dorian in as we were your little brothers and sister. You never made us feel different and we love you for that. I am who I am because of you all have helped me become Nicole, whether it was Wallace with his sermons or Myrna with her talks, you all have helped me and I appreciate it with all my heart. Thanks for everything. P.S. We're moving out of Baruch soon, watch me!

Tiffany: Thank you for always being there for me. Through our fights, disagreements, and disappointments, we still remained friends and you always remained true. Don't let anyone, especially anyone here, tell you who you are or what you will be. Don't let anyone get you down or make you feel less about yourself. You shape who you are. Remember to call me whenever you need me. Thanks for the phone calls checking on me to make sure I did not go crazy at this place. Thanks for the late night talks. Thanks for just being a friend. Love ya.

As you say your good-byes to embark on new adventures, always dare to scale the heights of new mountains and discover new horizons. We look back with joy; We look forward with excitement. It seems like only yesterday when you first started preschool. Remember the bunnies and the marble run, Little League, Lighty, Hockey, and soccer. You were a fast learner and very good at everything you did. You have brought much joy to our life and we love you very much. Good luck at Merrimack!

Love always,

Hold fast your dreams!
Within your heart
Keep still, secret spot

Where doubt and fear are not.

Within your heart,
For Little dreams to go!
