## GILLESPIE BROTHERS

MAIN AND CLASSIC STS., HOOSICK FALLS

---

The success of the most prominent mercantile house is largely due to development rather than the launching forth on the sea of trade with extensive capital. We may see this demonstrated in many trade centers, particularly in the midst of our flourishing town where the establishment of Gillespie Brothers is pointed out as the outgrowth of the little store on John street. Year by year the business of this concern has grown and now controls the entire first floor and a large portion of the second floor of the Cheney Block, Main and Classic streets, having a front of 75 feet on Main street for the display of the various department stocks, divided among Dress Goods, Domestics, Notions, Carpets, Linoleums, Matting, Men's, Women's and Children's Clothing, Millinery, Hats and Linens. The Stein-Block Clothing, Eldora Shoes for ladies, W. L. Douglas and the Crossett Shoes for men and Maloney Bros.' Shoes for children.
