THE TROY SAVINGS BANK

The Bank for Your Savings

ESTABLISHED 1823

The Troy Savings Bank—a bank of proved strength—is the ideal depository for your funds.

It has been the guardian of the people's savings for nearly a century and is a purely mutual institution conducted solely in the interests of depositors.

Thousands of men and women have accumulated substantial accounts by regularly depositing a fixed portion—sometimes a very small amount—of their earnings every week or month; what others have done you also can do.

Open your account today with \$1.00 or more.

January 1st, 1923

ASSETS over \$15,000,000.00

When You Place Your Ad in the City Directory

You are not only talking to all persons looking for goods in your line, but you are backing up all the other advertising you are doing or have done. Many times every day people are looking you up in the directory who have seen your advertisement elsewhere. The representation in the directory is your closing argument—should it be WEAK? We believe there is only one business answer to this.
