The Troy Savings Bank—a bank of proved strength—is the ideal depository for your funds.

It has been the guardian of the people's savings for nearly a century and is a purely mutual institution conducted solely in the interests of depositors.

Thousands of men and women have accumulated substantial accounts by regularly depositing a fixed portion—sometimes a very small amount—of their earnings every week or month; what others have done you also can do.

HOOSICK FALLS

LOCATION—Hoosick Falls is located in the rolling country 25 miles east of the Hudson River. It lies mostly on the north bank of the Hoosick River and derives its name from the falls of the river at this point. It is 25 miles to Troy, 33 to Albany, 41 to Schenectady, 23 to North Adams, 60 to Greenfield, 165 to Boston, 14 to Bennington, 63 to Rutland, 121 to Burlington, 170 to New York. Hoosick Falls is rich in historic lore, a few miles to the east is the site of the famous Battle of Bennington, the Indian tribes traversed this country on their way to and from the Hudson River.

INDUSTRIAL—Hoosick has had a famous history industrially, here the great Walter Wood Mower and Reaper Machine plant was located and the decline of this industry was a hard blow. However, Hoosick Falls is recovering and now is entering upon the most vigorous industrial era of its history. There are some fine old substantial industries making paper, paper making machinery, underwear, sweaters, shirts and collars, cigars, dresses, heaters, iron and brass castings, metal stampings, paper boxes, carbonated beverages, brushes, dairy products, furnaces, agricultural machinery parts, radio equipment, lumber, grain products. A number of new industries have come to Hoosick Falls in the past few years making a variety of products that promises to substantially increase the industrial prestige of Hoosick Falls within the next few years. The Hoosick River furnishes a good power here.

MISCELLANEOUS—The population covered by this Directory which is contiguous to Hoosick Falls is 12,883. Hoosick Falls township had a population in 1920 of 6,858. In 1925 had increased to 7,262 so that evidently it reached bottom in its decline in 1920 and is at the present time growing. Hoosick Falls is well paved and issued bonds for \$400,000 to do the work. There are good schools: 6 public schools in Hoosick Falls proper and an equal number in balance of township; there are 3 parochial schools and 1 private school. There are 15 churches. It is on the main line of the Boston & Maine Railroad with stations at Hoosick Falls, Hoosick, Hoosick Junction, East Buskirk, and Eagle Bridge; the Rutland Railroad has stations at Hoosick Junct., North Hoosick and Walloomsac; the Delaware & Hudson has a station at Eagle Bridge. The Hoosick Falls & Bennington Street Railway has been abandoned.

ADVANTAGES—Hoosick Falls offers splendid opportunities for residence and business. With its well paved streets, plenty of natural building room, beautiful terrain, three railroads within the township, a good outlying territory for agriculture and trade, water power, remoteness from other trading centers, good banking facilities, a well balanced industrial structure, an alert citizenship looking for new industries and with progressive ideas, it is decidedly on the upgrade.

The business that is up-stairs in some building or off the beaten trail can overcome its location—Can put itself on the Main Street of Public Attention by advertising in the City Directory.

Your advertisement entitles you to be listed in heavy type under all of the classifications of your business in the new City Directory now being compiled. This makes your business **STAND OUT**. Thousands of people consult this buyers' guide every year.

Thus, for a very small sum you can be located on

The Best Advertising Medium is the City Directory

**Because it is used the Most to Find Just Such Information
You Most Wish to have the Public Know**

FIRST—What line of goods you handle. SECOND—
Where you are located. Pick up a City Directory any-
where, and almost invariably you can tell who the pro-
gressive, up-to-date merchants and professional men are
There are many brands of clothing, shoes, dry goods, gro-
ceries, etc., and some prefer one kind, some another. What
better place to state your special brands than in the City
Directory?
