The Troy Savings Bank—a bank of proved strength—is the ideal depository for your funds.

It has been the guardian of the people's savings for nearly a century and is a purely mutual institution conducted solely in the interests of depositors.

Thousands of men and women have accumulated substantial accounts by regularly depositing a fixed portion—sometimes a very small amount—of their earnings every week or month; what others have done you also can do.

THE BEST ADVERTISING MEDIUM IS THE CITY DIRECTORY

**Because It Is Used the Most to Find Just Such
Information You Most Wish to Have the Public Know**

FIRST—What line of goods you handle. **SECOND**—
Where you are located. Pick up a City Directory anywhere,
and almost invariably you can tell who the progressive, up-
to-date merchants and professional men are. There are
many brands of clothing, shoes, dry goods, groceries, etc.,
and some prefer one kind, some another. What better place
to state your special brands than in the City Directory?

THE TROY SAVINGS BANK

THE BANK FOR YOUR SAVINGS

4½%
—————Established 1823

The Troy Savings Bank—a bank of proved strength—is the ideal depository for your funds.

It has been the guardian of the people's savings for nearly a century and is a purely mutual institution conducted solely in the interests of depositors.

Thousands of men and women have accumulated substantial accounts by regularly depositing a fixed portion—sometimes a very small amount—of their earnings every week or month; what others have done you also can do.

CITY DIRECTORY

Because It Is Used the Most to Find Just Such Infor-

FIRST—What line of goods you handle. **SECOND**
—where you are located. Pick up a City Directory
anywhere, and almost invariably you can tell who
the progressive, up-to-date merchants and profes-

one kind, some another. What better place to state
your special brands than in the City Directory.

The Troy Savings Bank—a bank of proved strength—is the ideal depository for your funds.

It has been the guardian of the people's savings for nearly a century and is a purely mutual institution conducted solely in the interests of depositors.

Thousands of men and women have accumulated substantial accounts by regularly depositing a fixed portion—sometimes a very small amount—of their earnings every week or month; what others have done you also can do.

THE BEST ADVERTISING MEDIUM IS THE CITY DIRECTORY

Because It Is Used the Most to Find Just Such Infor-
mation You Most Wish to Have the Public Know

FIRST—What line of goods you handle. **SECOND**
—where you are located. Pick up a City Directory
anywhere, and almost invariably you can tell who
the progressive, up-to-date merchants and profes-
sional men are. There are many brands of clothing,
one kind, some another. What better place to state
your special brands than in the City Directory.
