

The Echo

ALMA MATER

When the twilight shadows gather
Out upon the campus green;
When the gold and purple dusk
Comes stealing on the scene;
Loyal sons of dear St. Mary's
Sing a hymn of praise;
To our dear old Alma Mater
And our high school days.

PRESENTED BY

The Senior Class

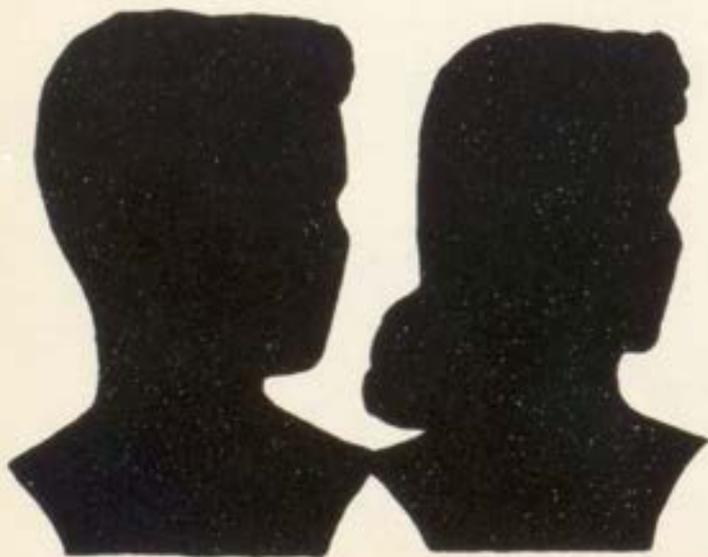

St. Mary's Academy

Heaven is our destiny! With this in mind we look to Christ-- Who is the Way, the Truth and the Life--in all our activities be they scholastic, social or spiritual. As we travel along our path in life we recognize Him as our model. His example as a magnet draws us ever onward closer to our goal.

Because He knows our difficulties and because He has loved us, even to paying the heavy price of crucifixion for us, we turn to Him in confidence and promise to strive to offer Him nothing but the best in our young lives.

May we, the Class of '59 always live Christ-centered lives following in His footsteps!

Dedication

We, the class of '59, in appreciation for the assistance, inspiration and guidance we have received from him, dedicate this yearbook to our pastor and principal, Father John J. Lamond O. S. A.

June 12th of this year marks the silver anniversary of Father's ordination to the priesthood. He has spent these twenty five years working unselfishly for the greater glory of God.

With a cheerful smile and understanding mind Father has helped not only the class of '59, but all the student body at Saint Mary's Academy. His keen sense of humor, his interest and his thoughtfulness have shown expression in many ways. Father has been particularly helpful to us, Seniors, advising and encouraging us as we proceed in the different walks of life.

It is our wish, then, to congratulate Father on the occasion of his silver jubilee, to wish him many more years in God's service on earth, and to leave--within the pages of the 1959 Echo--a permanent memory of his fine example and invaluable guidance.

THE REV. LAWRENCE J. GERRITY O. S. A.

THE REV. DONALD A. AMMERING O. S. A.

Mother of God, to you we entrust the priests of the whole world, in order that through your intercession, God will grant a generous outpouring of His Spirit, which will move all ministers of the altar to holiness and, through their ministry, will spiritually renew the face of the earth.

History of ST. Mary's Academy

Saint Mary's Academy was established in 1891 by the Augustinian Fathers of the Immaculate Conception parish in Hoosick Falls. Reverend Patrick J. O'Connell O. S. A. welcomed eleven sisters of Saint Joseph in April 1891. The deliberation and planning for the school had begun with the Reverend James D. Waldron O. S. A. who purchased the property and requested the Sisters of Saint Joseph as teachers. Father Waldron was elected provincial of the Augustinians in the United States in 1890, hence he did not remain in Hoosick Falls to complete his cherished project. Six hundred pupils were enrolled on September 8, 1891.

The first academic class completed a three year course and received diplomas at commencement exercises on June 28, 1894. The following year a four year course was introduced and from 1899 the school has been known as Saint Mary's Academy. In the first few years it had been known as Saint Mary's Academic School.

The early days of the Academy were trying ones for the priests and the sisters. Fr. Daniel Regan O. S. A. who had succeeded Fr. O'Connell was forced in 1895 to make a house to house canvas for funds to keep the school in operation. The largest corporation in the village (The Walter A. Wood Co.) was no longer the prosperous enterprise it had once been and this turn in economic conditions had caused a population decrease which in turn affected the school.

The people of the village were just as generous then as they are today but so many had moved away that the finances of the parish were in serious difficulties. Those who remained rallied to the call of their pastor and the school remained in operation.

Through the years the Academy has turned out pupils who have been a credit to the teaching of the Sisters of Saint Joseph. Business and professional men and women claim Saint Mary's as Alma Mater. God has also given many vocations to Saint Mary's students and today many of her sons and daughters are serving God as priests and sisters.

At the present time it is felt that the Academy building is not adequate for the entire student body. Recent developments in the modern curriculum demand more space and plans are now underway to construct a new building for the high school department of the Academy. Land has been purchased at the corner of High Street and Parsons Avenue. It is expected that the new building will be ready for occupancy in September 1960. The Reverend George Egan O. S. A. purchased this land in 1956, a few months before he died. Reverend John Lamond O. S. A., our present pastor conducted a pledge-payment drive a few months ago to raise funds to construct the new school building. The drive was a success and soon the new Academy will rest on the hill and take its place among the landmarks of the future.

Our Sisters as counselors, teachers and friends give example and guidance so essential to a truly Catholic Education.

The beginning of the 1958-59 basketball season brought together almost an entirely new team. Brought up from last year's J. V. 's to support the only veteran Patrick Graney, were P. J. Graney, Bob Lewsey, John Labanowski, Carl Kempf, William Murphy, and John McCauliffe.

The "Purple Eagles" opened the season playing host to Berlin and won their first game by a good score. Victories over St. Joseph's Schenectady, Arlington and Berlin were mixed with losses to St. Mary's Hudson and St. Columba's. A closely played game with St. Mary's Institute Amsterdam provided thrills and heartaches as Saint Mary's found themselves on the losing side of a 76-81 score.

A Tribute To Sister Marguerite

As we depart from Saint Mary's traveling many pathways to our final goal, we shall linger for a moment to reminisce about the golden years that are engraved within our hearts. We recall with fond memories those who have guided our footsteps and with these thoughts in mind, we would like to show our appreciation in this letter.

We take this opportunity to thank you for never letting us down when we were in need of your advice. You have helped us immensely in mastering our studies. With your special zeal you have made our classes interesting and enjoyable, and most of all, you have instilled in us a love of Christ and His Blessed Mother that we shall always carry in our hearts. Most assuredly, you have guided us so that we may reach that final goal which we are striving so earnestly for.

We cannot express in words our sincere gratitude for your understanding of our everyday problems and we shall strive in the future years to live up to your expectations of us. Our work was your work; our trials were your trials; and above all, the joys that you shared with us will always be remembered.

Even though we must close this letter so soon, thoughts of your kindness stay with us. Knowing you has brightened our school days and enlightened our future.

God bless you always.

ALMA MATER

When the twilight shadows gather
Out upon the campus green;
When the gold and purple dusk
Comes stealing on the scene;
Loyal sons of dear St. Mary's
Sing a hymn of praise;
To our dear old Alma Mater
And our high school days.
