CLASS OF '82

SAINT MARY'S ACADEMY

4 PARSONS AVENUE
HOOSICK FALLS, NEW YORK 12090
(518) 686-4314

Dear Graduates:

First of all, I congratulate each of you on this milestone achievement in your lives. Each of you realizes what you have done to earn the honor of graduating from St. Mary's Academy. Some of you have made outstanding efforts and are graduating with honor; others have not achieved this distinction but have worked faithfully and diligently to be able to graduate with confidence. And then there are a few who have 'squeaked through' and these, I am sure, are graduating with great gratitude. To one and all, I extend congratulations on your success.

I also commend your parents who have stood behind you during your high school years. They have made significant contributions to your well-being and education. In fact, they have enthusiastically joined a century of Catholic parents who have sacrificed to enable their children to enjoy the blessings of a Catholic education. The whole enterprise of Catholic education is distinctive by the element of sacrifice it has entailed. To your parents and families I say a special word of thanks for the support that they have supplied and exhibited during your years at St. Mary's Academy.

And now, you go forth - to college, to work - and you are swept up into the vortex of a continually changing world. I would hope that your high school experience has been meaningful and helpful in your continuation to grow in understanding yourself, in understanding your environment, in understanding the complexity of the society in which you live and work, and in understanding the people who contribute to that complexity. This understanding is at once a wondrous accomplishment and a wonderful challenge. It is the first step needed to lead a life in this world which can be full and significant, dedicated and valuable.

On a more personal note, I am grateful for your support and affirmation during this past year - your last year and my first year at St. Mary's Academy. It is not easy for me to see you go forth from St. Mary's Academy, for we have grown to be close friends, caught up in the same goals: your academic, spiritual and character development. And we have shared many joyful and moving moments and a tragedy.

To each of you I say from my heart - GO FORTH and spread His word through your example and speech.

God love you and keep you,

Brother Bernard

DAVID ...

As our high school days at S.M.A. come to a close, and we begin to plan our futures, one thing will always remain close to our hearts. The memory of you, David, and the happy times that we spent together. Someday we will all meet again in a happier place.

*We love you,
The Class of '81*

David M. Cuddihy

Cud

"Whenever we see your smilin' face we have to smile ourselves, because we love you!"

Facing Graduation

*Faces of old and faces of new
People we know and people we knew,
Growing together then drifting apart
Always an ending and now a new start,
At graduation we all grow nearer
And all of our friends seem so much dearer,
And as we say our final goodbye
One last embrace and one more cry,
A "keep in touch" and a "promise I will"
A "remember when" but better still,
A place in my heart you'll always stay
That is what's said as we go our own way.*

Shari

"What lies behind us and what lies before us are tiny matters compared to what lies within us."

John

"It's better to be silent and be thought a fool, than to open your mouth and remove all doubt."

Cu

"Is a dream a lie if it don't come true or is it something worse?" (Bruce Springsteen)

Sheila

"Photographs and memories of times which passed my way. Sometimes when I'm thinking back, I wish those times would stay."

Doodle-bug

"Small people have the biggest hearts."

Mim

"Life is short and we never have enough time for gladening the hearts of those who travel the way with us. Oh, be swift to love! Make haste to be kind."

Gail

"True friends are like diamonds, precious but rare. False friends are like autumn leaves, found everywhere."

Mary

"You should not judge a person by their cover, but only by what is deep down inside."

Sandy

"For memory has painted a perfect day, with colors that never fade. And we find at the end of a perfect day, the soul of a friend we've made."

David

"I'm rollin' thunder, power and rain. I'm comin' on like a hurricane. Bright lightnin' flashin' across the sky, you're only young but you always cry."
AC/DC

Kim

"Live your life well today, look back at yesterday and smile as you find happiness in the visions of tomorrow."

Dottie

"A task worth doing and a friend worth having makes life worth living."

Jim

"Success is a reality, for all those trying there will be no denying."

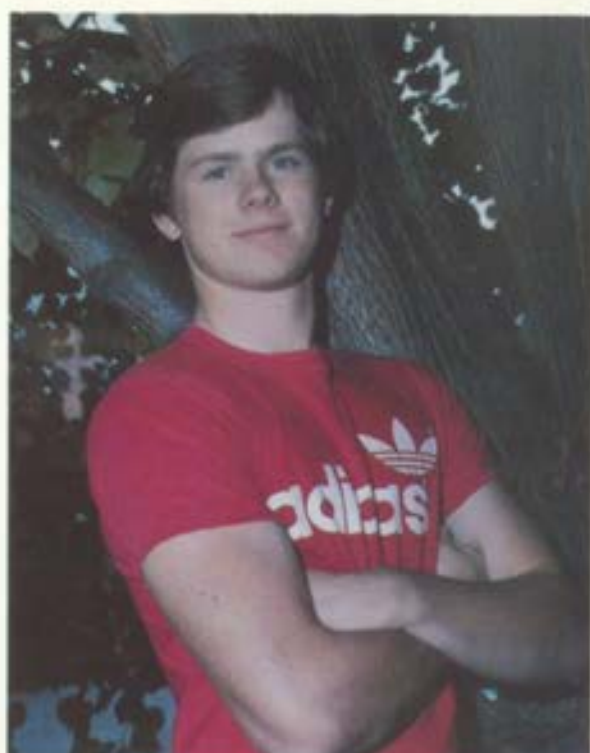

Mull

"Because I've seen what I've seen, because I've been where I've been, I am who I am ... ME!"

Diane

"The human spirit is stronger than anything that can happen to it."

Jamie

"The only way to have a friend is to be one."

Patsy

"Hope for the best, be prepared for the worst, and take what comes with a smile."

Cathy

"If my mind can conceive it, and my heart can believe it, I know I can achieve it."

Margaret

"Friendship isn't something you experience; it is something you remember."

Paul

"Don't count the days, make the days count"

Didi

"Hold fast to your dreams. Don't part with your illusions. When they are gone, you may still exist, but you have ceased to live."

Peter

"I'm not afraid to face the light, I'm not afraid to seek truth in the night. I'm going nowhere fast, and my works of the day create my past."

"Autographs"

OUR ALMA MATER

*When the twilight shadows gather
Out upon the campus green
When the gold and purple dusk comes
Stealing on the scene,
Loyal sons of dear St. Mary's
Sing a hymn of praise
To our dear old Alma Mater
And our high school days.*

*When the last big game is over
And the last roll call is heard,
As the end of life draws near us
All with joyous words.
We shall come to Alma Mater
In our dreams again
With a prayer for dear, Saint Mary's
And a sweet "Amen."*

1981
