## LIST 217

The gun collecting fraternity lost a staunch ally when Dan Dailey died suddenly November 9, 1989. Dan was a Christian gentleman and a man of integrity and I personally feel keenly his passing. His collecting began during World War 11 when he served with the Armed Forces in an intelligence capacity. Dan was very particular with respect to the pieces he chose to place in his collection...his widow has consigned those items to me; it is with both regret and pleasure that I offer them to my clientele.
