HIGH-STANDARD 'U.S. SUPERMATIC CITATION M-103' .22LR, SN:11119778. Special model that was military issue and used for marksmanship training and competition. Micro sights and removable barrel weights and muzzle brake! The condition is 99% with mint grip\$349.00

- 40) JAPANESE 'TYPE 94' 8mm, SN:48008, mfg:2/1944. A really nice honest example with even matching magazine! Near perfect grips and bright bore. Finish is 99% also!!!!\$195.00
- 41) LUGER 'ERMA BABY' 7.65/.32ACP! Made in very small numbers as most were in .380! This is the very small version unlike the big current Stoegers. New and very scarce\$159.00
- 42) DWM 'BORCHARDT' 7.63B, SN:1631. The first truly successful automatic pistol and also the true 'father'.of the Luger. This is the much scarcer DWM version and is complete with the stock and special cheekpiece. Magazine is unmatched being number:1147. Bore is nice and bright with great rifling. Grips and stock are nice with only the slight normal dings. Condition is a strong 97% with beautiful blue and straw colors. Only a few minor areas of spotting (not pitting). A superb example! (ANTIQUÉ NO FFL)\$4395.00
- 43) LUGER 'DWM 1900 COMMERCIAL' 7.65P, SN:46XX. Very early production that is 'Germany' marked for export. Bright bore and overall would rate at 97% with normal honest wear. Grips replaced with Swiss type and it does have a small ding on the sideplate.\$895.00
- 44) LUGER 'DWM 1902 CARBINE' 7.65PC, SN:218XX. One of the true 'Classic' firearms that is one of the most sought after Lugers ever made. Condition is simply outstanding with a beautiful set of 99% perfect wood. Even the horn buttplate is uncracked! The bore is perfect and the blueing is superb with a 98%+ to 99% finish! Even the sling swivels are unmarred! Straw colors are faded slightly. And is complete with the correct mag. that has the 'Flaming Bomb" proof. This example is totally correct and honest and the only flaw is that the stock is 1 digit off the serial number of the gun. That should be easy to live with though considering the condition! And included with this special carbine is a soft tan canvas carrying case that is fleece lined with leather trim and has separate compartments for the stock and pistol. And also 2 scabbard type holsters of leather, one of which has a belt loop . And the condition of the cases are almost perfect. From a very old collection this outfit would be hard to improve on!!\$8995.00
- 45) LUGER 'DWM 1906 NAVY' 9mm, SN:6139. Another hard to find variation and complete with the stock, holster, straps and dual spare mag. pouch! Early grip safety with the rear gripstrap marked:WD 215. And even a matching magazine! Blue is 97%+ but there is some light pitting. Correct 'altered' safety but most unusual is the fact that the lower 'Gesichert' marking is still visible! Only one I've seen like this! Nice grips have a chip at the safety. Stock is not matched being number:7908. The leather holster rig is the nicest I've seen and most often if even present is rotten! The cleaning rod is missing. The bore is is bright and has great rifling. A really nice outfit!!!\$2995.00
- 46) LUGER 'DWM 1906 NAVY' 9mm, SN:1287. This one really needs help! Good points: Nice and bright good bore, 'Germany' marked under barrel, all markings are crisp, and it comes with a correct unnumbered Navy mag. Bad points: Mismatch non-Navy toggle assembly, and the grips are well worn, ground stock lug, tweaked triggerguard. No pitting at all to speak of and this would be a nice one to restore, gripstrap marked:WW 171.Help\$495.00
- 47) LUGER 'DWM 1920 DATED POLICE' 9mm, SN:703XX. Typical Police with sear safety and cut for the mag. safety. Matching except for the grips, breechblock and extractor, that are serial number:53. 98%+ finish with a slight rub at the muzzle. Bright mirror bore and nice sharp grips except for the usual chip at the safety. Nice honest 1920\$349.00
- 48) LUGER 'DWM 1920 SWISS COMMERCIAL' 7.65P, SN:23XXi. Scarce short barrel model with the grip safety! Swiss Cross on chamber and 'Germany' marked. For export sales most think in Switzerland. Perfect bore and it has been restored beautifully. When received the blue was 'missing' from the barrel and chamber? A superb scarce contract gun!\$1495.00

- 49) LUGER 'DWM COMMERCIAL' 9mm, SN:8245u, mfg:1929/30. A most unusual variation and in condition everyone likes, New in original factory box! Box is tattered but the legend is clear, 'Berlin-Karlsruhe-Industrie-Werke' over 'Berlin' over 'Deutsche Waffen und Munitionsfabriken'. Maroon in color. Blank chamber, DWM toggle, and it is either one of the very last DWM's or one of the first Mauser's. I recently had a P-08 Sneak with the serial number:2066u and which came with a matching numbered holster dated 1929. I would guess it was one of the last DWM's but the transition was going on at this time but it is certain that the condition is perfect! A really spectacular outfit!\$2395.00
- 50) LUGER 'byf-41' 9mm, SN:8585s, mfg:1941. This is also known as the 'Black Widow' and has the black plastic grips and the 'P.08' frame marking. Condition is 99%+ and shows almost no use or wear. One of the very best you will ever see! Correct 'fxo' mag. and is also marked 'P.08'. Mirror perfect bore and grips! Impossible to upgrade!!!\$649.00
- 51) LUGER 'byf-41' 9mm, SN:1024v, mfg:1941. Almost the twin to the above the condition is almost as nice too! Perfect bore and near mint grips, finish is 99% with only a trace of thinning at the very rim of the muzzle! Correct 'fxo P.08' magazine. Choice\$649.00 (Note: The above 2 were on the last list but didn't arrive until recently, sorry!!!!)
- 52) LUGER 'MAUSER BANNER 1941 POLICE' 9mm, SN:5764x. A really beautiful 'Banner' complete with matching magazine! Nazi Police Eagle/L proof, front gripstrap and magazine has the number:39 stamped on (?) Sear safety and about as nice as they come! Finish is a strong 98% with only the slightest holster wear. Perfect walnut grips and bore! This one is not flat new but it is hard to find these Police issues much better!!!\$1095.00
- \*Note: The following 2 pieces were recently imported by Interarms and were the result of going over almost 100 pistols! They are stamped with the importers name under the barrel but not too offensively. Both come with 2 mags. that have been renumbered to match the serial number of the pistol. They are really nice and a super value too!!!
- 53) LUGER 'MAUSER BANNER 1941 POLICE' 9mm, SN:9588x. Police Eagle/L proof, sear safety, a fine bright bore and grips! Finish is 99% but with some touchup probably. But only a trace of light frost on the sideplate, not buffed. Perfect for a restoration!!\$795.00
- 54) LUGER 'MAUSER BANNER 1942 POLICE' 9mm, SN:6654y. Police Eagle/L proof, no sear safety as these late 1942's had them omitted. Identical to above but with no frost but blue wear on the sideframe only. These 2 have not been renumbered to match as several that I looked at were! Keep that in mind when seeing imports advertised as matching\$795.00
- 55) LUGER 'KRIEGHOFF S DATE' Due in shortly, please call, as usual it will be priced right
- 56) MAUSER 'M1914 HUMPBACK' 7.65, SN:2790. This truly rare prototype model is pictured in the reference book, 'Mauser Pocket Pistols' by Pender! Condition is really beautiful with about 97% finish and a perfect grip! One of the best! Super pedigree!!!!\$1795.00
- 57) MAUSER 'M1914 WW I GERMAN ISSUE' 7.65, SN:30198. Very early production as most have a much higher serial number. Condition is 95%+ with only slight honest blue wear. Bore is perfect and the grip is fine. These military accepted pistols are scarce!!!\$249.00
- 58) MAUSER 'M1934 WW 2 GERMAN ARMY ISSUE' 7.65, SN:610XXX. Very scarce WaA655 with a test proof as also seen on the later issue HSc's! Exceptional condition too! Over 98%+ and a perfect grip and bore! Scarce but almost a rarity in this condition! Super!!\$495.00
- 59) MAUSER 'M1934 POLICE/COMMERCIAL' 7.65, SN:612XXX. Condition is identical to the above but this one comes with a correct Nazi Police proofed holster in beautiful condition! The pistol is not police marked but it came direct from the vet that way!Nice!\$395.00
