THE WORLD-FAMOUS GENUINE GERMAN
LUGER
Automatic Pistol - Combination Rifle - Machine Gun
The World's Most Accurate, Most Powerful and Farthest Shooting Pistol.

No. 36—9 mm. German Officers Luger Pistol. No. 41—Holster-stock with straps. No. 35—Maxim Mlener. No. 37—Luger 32-shot Magazine. No. 37—Loading Tool for No. 37. No. 47—Carrier for 100 Luger Cartridges. No. 48—Magazine Carrier.

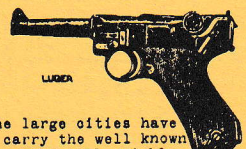

LUGER IS A GOVERNMENT GUN THE WORLD OVER

The LUGER automatic pistol is considered the world's best automatic pistol. In Europe the Luger is called Parabellum. It is used as a military arm in Germany, Switzerland, Bulgaria and Portugal while the U. S. A., Brazil, Chile, Holland, China and Russia have bought large numbers of Lugers for their troops. Uncle Sam has large quantities of Lugers. Many police departments and armies of forces in the United States are discarding all other makes of pistols and revolvers in favor of the LUGER on account of its wonderful accuracy, reliability, tremendous shocking power and penetration. With a penetration of 1/2" steel from a single stroke up to 200 deadly accurate shots per minute equalling 4 riflemen and with an unusual service range of 500 yards it is a favorite with the military and other police men in pursuing and rounding up bandits.

LUGER

Jacobson Grocery Co.,

Gentlemen:-

Some of the best stores in the large cities have found it decidedly worth while to always carry the well known LUGER and MAUSER Pistols in stock because they sell quickly, allow a good profit, and please their customers. They are ready and willing to do the same for you.

These pistols are so well known that a description of them is not necessary. Before the war men used to come in to the stores and ask for the "30 Luger Machine Gun" meaning the LUGER PISTOL because they knew it was constructed in a superior manner and that there was no other pistol as powerful. They knew just what would satisfy them.

While there was a shortage of these well known pistols during the war there is a demand for them now and you will do well to always carry them in stock so as to increase your business and add to your profits. They will sell themselves if shown or if it is known that you carry them.

30 calibre Luger- \$28.50 each delivered
25 calibre Mauser- \$13.75 each delivered
32 calibre Mauser- \$14.75 each delivered

The usual terms of 2 1/2 - 10 days or net 30 days apply. We will send one pistol or as many as you desire to order.

Thanking you for the opportunity of serving you promptly and assuring you that it will be a pleasure to add your name to our list of satisfied customers, we are

MAUSER

Yours very truly,
HUGO J. PANZER & CO. INC.
