ADDITIONAL COMMENTS AND INFORMATION

PHONE CALLS As I am usually gone to gun shows on weekends and often must travel on Mondays and Fridays, your best bet is to call Tuesday-Thursday, during store hours (1:00 to 6:00 p.m.) at 309-342-5800.

CORRESPONDENCE Please try to phone instead of write. I admit to being the world's worst letter writer. If you MUST write, please send price, photos and/or accurate description of item/items for sale or trade.

FIREARMS LICENSE (FFL) is required on all shipments of modern guns. We must wait for a signed-in-ink copy from your dealer before we can ship to him. Pre-1898 firearms and non-firearms items exempt.

SHIPPING Please include sufficient shipping and insurance costs. We will ship via UPS, but must have your dealer's STREET ADDRESS. We try to ship your order within 2 business days after we receive your cashiers check or money order or credit card information and signed FFL copy.

PAYMENT Cashiers check or money order is preferred! Personal checks delay orders at least 14 days while check clears. VISA, MASTERCARD, and AMERICAN EXPRESS card orders are welcome on orders over \$25. Be advised that refunds made by credit card take extra time to process!

ILLINOIS RESIDENTS must include 7% sales tax. No exceptions! Send us a copy of your resale tax number if you are exempt.

LAYAWAYS require a 20% deposit (minimum \$20) to hold any item for 30 days. Full payment is due then or your deposit is forfeited. NO RETURNS can be made on layaway sales!

IMPORT/EXPORT SERVICES We have licenses and will do the paperwork for such business. It takes TIME and there are extra charges added for shipping and handling (usually \$25-\$50 per gun, less for quantity). Plan on 6-8 weeks minimum time for paper-work completion. Sometimes longer! We will discount 10% and pay export charges and shipping fees on orders of 5 or more Lugers.

CONSIGNMENTS We have a large following of customers and can get fair prices for Lugers. We charge 10% for consignment sales and particularly want choice mint, rare, and exotic pieces.

They are considered to be collector's items!

INTEGRITY We hope to bring some honest dealing into the Luger business. We are not gun mechanics, refinishers, parts switchers, upgraders, etc. We sell guns as we get them and attempt to describe them to the best of our ability. Refinished, restored, and renumbered guns, or outright FAKES are part of nearly every large collection. We try to describe them for what they are!

WE WANT YOUR LUGERS. IF YOU HAVE DUPLICATES, ARE THINKING ABOUT SELLING YOUR COLLECTION, OR HAVE A SINGLE PIECE TO SELL, CALL US OR SEND THE ITEMS TO US U.P.S.
