TERMS OF SALE & GENERAL INFORMATION

- PHONE CALLS: As I am often gone to gun shows on weekends and often must travel on Mondays and Fridays, your best bet is to call Tuesday-Thursday during store hours (1:00-6:00) at (309) 342-5800 if you wish to talk to the owner.
- CORRESPONDENCE: Please try to phone rather than write. I admit to being the world's worst letter writer. If you MUST write, please send asking price, clear photos, and/or an accurate description of the item(s) you have for sale or trade.
- FIREARMS LICENSE (FFL): is required on all shipments of modern guns. We must wait for a signed-in-ink copy from your dealer before we can ship to him. Pre 1898 firearms and non-firearms items are exempt.
- SHIPPING: Please include sufficient shipping and insurance costs. We will ship via UPS, but MUST have your dealer's STREET ADDRESS on an FFL. We try to ship your order within 2 business days after we receive your cashiers check, money order, or credit card authorization and signed FFL copy. Due to changes in UPS regulations, the price of shipping a pistol will be a minumum cost of \$30.00
- PAYMENT: Cashiers checks or money orders are preferred, or Visa,

 MasterCard, and American Express cards. Be advised that refunds
 on credit card purchases take extra time to process.
- **ILLINOIS RESIDENT:** Must add 7.25% sales tax to your purchase. There are no exceptions to this! Send us a copy of your resale tax number if you are exempt.
- IMPORT-EXPORT SERVICES: We have licenses and will do the paperwork for such business. It takes TIME and there are extra charges added for shipping and handling. Usually \$25-50 per gun, less for quantity. Plan on 6-8 weeks minimum time for paper work completion, Sometimes longer! ACTUAL SALE PRICE MUST BE NOTED ON EXPORT FORMS. \$1000.00 minimum order. All export costs and Import costs (if guns are returned) and any related costs-duty, storage, brokers fees, etc., are the responsibility of the buyer. No COD returns will be accepted. Please return by Air Parcel Post on overseas returns. Direct questions to import-export@simpsonltd.com, check our website for more details or call us and ask for Mike.
- <u>CONSIGNMENTS</u>: We have a large following of customers and can get fair prices. We charge 15% for consignment sales and particularly want choice mint, rare, and exotic pieces.
- GUARANTEE: Money will be cheerfully refunded on any item you are not happy with, (EXCEPT LAYAWAYS) but please call before returning an item. Returns must be made within 3 DAYS OF YOUR RECEIVING THEM and they must be in the same, unfired condition as received. Sorry but there is no guarantee on firing condition of any item and we cannot refund money on items which have broken parts because of firing or attempting to fire.

The Buyers Page

If you have one or more collector guns you wish to convert to cash, please read this!

Simpson Ltd. is constantly looking for quality collector guns for our customers. We are always interested in purchasing or consigning such items. Many sellers are disappointed by the prices their items bring at auctions. And, after the auction takes 15% from the seller and 10% from the buyer, they only receive a fraction of the actual selling price. Our terms are very simple: We try to pay 70% of the retail value of an item (and you get your money immediately, no waiting thirty days after an auction that occurs months after you consign the item.) Or, we consign items for a 15% fee, and guarantee that they will only be sold at a fair retail price. We sell exceptional pieces much quicker than an auction house can.

Of course, we can not evaluate pieces without seeing them. If you have a small number of items, we will pay the shipping both ways to view them. Your can legally send guns to a business licensed as we are, and have them shipped back to you without obtaining a license, usually for the purpose of repair. We prefer U.P.S. When we receive the items, we will call you with a cash offer (if we are interested), or we will tell you what we think we can sell them for on consignment. If no agreement is reached, we will promptly return your items, with a check to cover you shipping cost to us (please include a receipt.) Our address is:

Simpson Ltd. 140 South Seminary St. Galesburg, IL 61401

Please e-mail us at lugers@simpsonltd or call 309-342-5800 to let us know your package is on its way. Our Hours: I-6 PM Tue - Sat. We are closed Sun and Mon.

For large collections, we are willing to travel to view the items. Please e-mail a complete list of the collection to lugers@simpsonltd and we will arrange to see the items, if interested.

We have been in business for over thirty five years, and are Dunn & Bradstreet rated. Please see our ads in the top collector gun publications.
