The Buyers Page

If you have one or more collector guns you wish to convert to cash, please read this!

Simpson Ltd. is constantly looking for quality collector guns for our customers. We are always interested in purchasing or consigning such items. Many sellers are disappointed by the prices their items bring at auctions. And, after the auction takes 15% from the seller and 10% from the buyer, they only receive a fraction of the actual selling price. Our terms are very simple: We try to pay 70% of the retail value of an item (and you get your money immediately, no waiting thirty days after an auction that occurs months after you consign the item.) Or, we consign items for a 15% fee, and guarantee that they will only be sold at a fair retail price. We sell exceptional pieces much quicker than an auction house can.

Of course, we can not evaluate pieces without seeing them. If you have a small number of items, we will pay the shipping both ways to view them. You can legally send guns to a business licensed as we are, and have them shipped back to you without obtaining a license, usually for the purpose of repair. We prefer U.P.S. When we receive the items, we will call you with a cash offer (if we are interested), or we will tell you what we think we can sell them for on consignment. If no agreement is reached, we will promptly return your items, with a check to cover you shipping cost to us (please include a receipt.) Our address is:

Simpson Ltd.
140 South Seminary St.
Galesburg, IL 61401

Please e-mail us at lugers@simpsonltd or call 309-342-5800 to let us know your package is on its way. Our Hours: 1-6 PM Tue - Sat. We are closed Sun and Mon.

For large collections, we are willing to travel to view the items. Please e-mail a complete list of the collection to lugers@simpsonltd and we will arrange to see the items, if interested.

We have been in business for over thirty five years, and are Dunn & Bradstreet rated. Please see our ads in the top collector gun publications.
