## THE PARSON'S TALE

At this moment we are suffering under a pandemic, though I am not speaking only of COVID-19, the disease that has infected 6-million people worldwide (1.8 million in the US) and killed 370K people (103K+ in the US). I am talking about a far older, far more insidious pandemic, one that has exacerbated COVID-19, one that has given birth to all of the unrest, violence, and suffering of this present day. **We are suffering under a pandemic of sin.**

As a modern, progressive religionist I do not talk about sin very often. You can probably count on two hands the times I have even said the word from the pulpit in the six years I have been your pastor. So, let me say it again: **we are suffering under a pandemic of sin.**

As optimistic global citizens—and particularly as Americans—we are drawn to the idea of the fundamental goodness of people. After all, we all know good people; we all see good people doing good work; and most of us strive to be good. Yet, the sober truth of our human condition is that we are not, fundamentally, good. We are broken. Our actions break other people. Other people's actions break us. Our choices break the creation. Our fear creates broken systems. Our brokenness, the brokenness of other people, and the brokenness of the systems we create collide, coalesce, and compound into ever new heights of brokenness. **We are suffering under a pandemic of sin.**

When I say this, please hear me well, I am not talking about sin as a list “do-s” and “don’t-s” from

MATTHEW ROBERT RASURE, Minister  
(812)455-8913

God. The situation we are in is not punishment for making God angry or doing things other religious people say we ought not to do. The “sin” I am talking about is a disruption of our relationships with God's people and God's creation. As I have said before, the consequence of breaking the Ten Commandments is having to live in a world in which the Ten Commandments are broken. The consequence of not loving your neighbor as yourself, is that, eventually, your neighbor will not love you. We are part of a chain of actions started long before we were born and that will continue long after we are gone. This cycle of brokenness has spiraled through the aeons: from Cain and Abel (Gen 4), to the Slaughter of the Innocents (Matt 2), to the *São João Bautista* that brought the first enslaved Africans to Jamestown, to the *Trail of Tears*, to the furnaces of Dachau and Auschwitz. The sin is still here—striking fear into the hearts of black and brown bodies, sacrificing victims on the altars of prejudice and power, and showing callous disregard for vulnerable people in the face of an unseen virus. **We are suffering under a pandemic of sin.**

*Above all, love each other deeply, for love covers over a multitude of sins.* 1 Peter 4:8

Our hope is not in the goodness of humanity, but in the Goodness of God's love. God's love working in **our** hands, in **our** feet, and in **our** prayers has the power to mend the broken pieces of our common life and to usher in the justice we so desperately need. **We are suffering under a pandemic of sin, and love-in-action is our only cure.**

Stay strong and abide in love!

*Rev. Matt*

**MOMENTS IN HISTORY**  
**FIRST BAPTIST CHURCH, MEDFORD**  
**Summer Moments**

**1841** On July 7 a Baptist church was organized, and Robert L. Ells was chosen to be Deacon, by twelve Medford residents, three men and nine women. These were the founders of our church.

**1957** In August, the sign was placed on the lawn of our church. That same year, the church office was moved to the first floor of the Parsonage (then at 27 Oakland Street).

**1973** “We Look to Jesus” was the theme for our Daily Vacation Bible School this year, held from June 18 to June 29.

**1977** On August 1, Rev. John Perry Ryan was welcomed as our Associate Minister of Education.

**1984** A retirement celebration took place on June 17, for Pastor Louis Beckwith and Dorothy. There were many distinguished guests present. After this, the Beckwiths drove off in their trailer. However, they had to stop at the rotary under Route 93 so that Pastor Beckwith could come back to the church and collect his robe and baptismal boots.

**1991** On August 11 we traveled to Maine for “Medford Day at Ocean Park.” This was just part of the 150<sup>th</sup> Anniversary celebration for our church. Rev. Beckwith, Pastor Emeritus, brought the message at the Temple, assisted by Rev. Jack Vars, and Rev. Phillips Henderson. Following the church service a summer buffet was served to past and present members and friends.

**2012** We decided to have a Vacation Bible School in July, something we hadn’t done for quite a few years, having helped with the one at Community Baptist Church instead.

*These historical moments are excerpts from the monthly articles for the Carillon by our last church historian, June Sturgeon.*

**PLANTING BOXES IN FRONT OF 34  
OAKLAND STREET**

One of the great blessings of the Pentecost Season (celebrated Sunday, May 31 this year) in New England is that it also coincides with planting season. The two planting boxes on the front lawn of the Church Parish House (34 Oakland Street) are available for volunteers to claim. You can plant anything you'd like (flowers, herbs, vegetables, etc.) to help to beautify our lawn and to share the bounty with the neighborhood. If you'd like to volunteer, let Rev. Matt know.

**UNITED BAPTIST WOMEN OF  
MEDFORD NEWS**

We look forward to a restful summer, and hope that by the fall, the situation will have improved enough that we can experience a “new normal” for our United Baptist Women’s activities. At this point, we have no idea what that will be, so we cannot make concrete plans yet.

We expect that we will be able to have a Board meeting, even if with social distancing and masks on Wednesday, September 9 at FBC Medford, either at 34 Oakland Street where we usually meet, or in Memorial Hall to enable better more social distancing. We will work on plans for our program year.

We would hope to have a fall dinner in October with a mission-themed speaker. More on that in the September issue of the Carillon.

All our White Cross and American Baptist Women reports have been filed. We mailed the 10 Birthing Kits to Maryland, from which they were sent to the Congo. Betty sent a \$200 donation to International Ministries for mission work in Haiti, and submitted what was needed to complete the 8 Steps of Giving for American Baptist Women of Massachusetts. Thanks to all who helped with this in any way.

Enjoy your summer. I hope to see you in the fall!

Bev Mattatall, UBWM President

If you wish, please pick up a copy of the summer edition of The Secret Place, a devotional booklet, they are in the Tiny Library, located on the lawn of the Church Parish House, 34 Oakland Street. These are provided by the Diaconate, free of charge.

**THE RETIREMENT OF DR. NANCY CRANDALL, DIRECTOR OF MUSIC**

The First Baptist Church of Medford would like to thank Dr. Nancy Crandall for many years of faithful and outstanding service since 2006. Dr. Crandall brought to our church mastery of the organ, and a deep passion for the way scripture and music mingle in the service of worship to create an experience of beauty and inspiration. For her deep commitment to the church and enormous contributions to our well-being and flourishing, the Director of Music Search Committee has offered her the honorary title of *Organist Emerita*. She will always be welcome in our church, and, especially, at our organ bench.

Dr. Crandall graduated with a degree in organ literature and performance from Eastman School of Music of the University of Rochester in the class of the late Russell Saunders. She has taught music in Kingsway College, Oshawa, Ontario, Canada, Greater Boston Academy, Stoneham, MA and as a Musical Specialist in the public school districts of Lawrence, MA, and Worcester, MA.

Dr. Crandall studied Choral Conducting at Royal School of Church Music, Croydon, England.; Music Analysis and French solfege’ at the American Conservatory, Fontainebleau, France (w/ Nadia Boulanger and Annette Dieudonné) and Longy School of Music, Cambridge, MA; Theory/Analysis Lessons with Dr. Arthur Komar, Boston , MA; Choral Directing/Voice Building at Lehrgang für Chorleitung und Chorische Stimmbildung, (Choral Directing/Voice Building) St. Moritz, Switzerland; Education Through Movement: Foundation at High/Scope

Educational Research Foundation; and Vocal production at McClosky Institute of Voice, Boston, MA; She holds Kodály Level I, II & III certificates from Kodály Institute, New England Conservatory of Music.

She studied piano and organ under Virginia-Gene Rittenhouse, Frank Araujo, Barclay Wood, George Faxon, Emory Fanning, and Russell Saunders.

When safe social distancing protocols permit, there will be a retirement celebration for Nancy in the future.

**DIRECTOR OF MUSIC SEARCH COMMITTEE**

A search committee was formed to begin looking for our next Director of Music. The committee is led by Rev. Rasure, and includes the following members: Ruth Kline, representing the Music Committee, Pat Latham and Darlyne Rogers, representing the Diaconate, Bev Mattattall and Douglas Rogers, representing the Choir. The committee will provide an update when there is information to share.

=====

**PLEASE CONTINUE TO SAVE PULL TABS**

The Board of Missions, Outreach and Social Concern (MOSC) continues to collect the pull tabs from soda cans and other canned products to donate to the Shriners Children’s Transportation Fund. Removing the tabs and bringing them to church is a small way we can all help.

When you are able to again bring your redeemable soda cans and plastic (only—no glass, please) bottles to church, please remove the pull tabs and place them in the separate collection bucket placing the returnables in the boxes. Please bring redeemable items only.

### **FROM THE DIACONATE. . .**

Observations from our sage local shepherd:  
“Far, far off are the days when we can:

- Greet our beloved friends with kisses, hugs and handshakes,
- Be together without masks and gloves and temperature check-ins,
- Sing together – the aerosol cloud produced by singing spreads up to 20 feet,
- Eat together or even chat casually while lingering in the pews
- Touch a hymnal or thumb through a pew Bible
- Pass the Communion vessels or the offering plate.”

When we decided, on March 15<sup>th</sup>, that we would become a community that convenes virtually, we had no idea how this would turn out. Since that day we have continued to have weekly Sunday services; twice weekly prayer services; and certain business and committee meetings – all with leadership from Reverend Matt and all with the grace and effort of the FBC Medford community.

Our virtual Sunday services generally include 45 households - an estimated 70 souls present. Music continues to play a vital role in Sunday worship; produced by Reverend Matt and provided by the Director and Fellows of our Choral Fellows and Scholars program – special thanks to Gina, Logan and Erin, Laura and Sam. Our services continue to be graced with leadership from our affiliate pastors, Greg Sakal, Florence King and Rand Peabody; Children’s stories – produced by the Frazier-Booth Family: Kimberly, Mary Lorraine and Mike; and from members of the congregation acting as responders for the congregants.

Our Wednesday & Friday Prayer services engage about 20 households – 30 souls; and provide an opportunity for more personal engagement, reflection and fellowship.

At the Diaconate meeting, held virtually on May 19<sup>th</sup>, the committee determined that we will continue to meet virtually, through Labor Day Weekend. Sunday Worship will continue to be celebrated at 11:00 a.m.; Wednesday and Friday Prayer services will continue at 8:00 p.m. on those days. We are also preparing for a “virtual communion” service; details for that will be included in an upcoming FBC Update – emailed twice weekly – on Wednesdays and Saturdays.

As we move into summer, the Diaconate request that you please:

- attend Worship & Prayer services when you can, and pray with us
  - take some time call, write, send cards to your friends – at FBC and beyond
  - sing along with the hymns, exercise your voice in the privacy of your own home
  - go outside, breath in the fresh air and enjoy God in nature
  - consider what you might contribute to Worship – a prayer, a reading, an audio and/or video segment
  - walk in the sunshine – and maybe even the rain
  - share your celebrations & concerns
  - ask for assistance if you have a need
  - offer your assistance as your skills & your circumstances allow
  - pray
- . . . and make lemonade!

Stay Well!

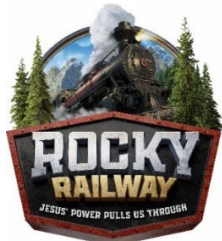

Ruth Kline, Co-Chair of the Diaconate

## BOARD OF CHRISTIAN EDUCATION

We will recognize our high school and college graduates on Sunday, June 7, during the Zoom worship service at 11:00 a.m. and in the breakout rooms after worship. We are grateful to Kimberly Frazier Booth who will prepare a special Children's Chat and include graduates of all ages (kindergarten, elementary and middle school too). If you haven't contacted Kim yet with information about your "graduate" yet, please do so as soon as you read this, and no later than Thursday, June 4.

Children's Day will be celebrated on Sunday, June 14, during the Zoom worship service at 11:00 a.m. Sadly, there won't be any skits, songs, prizes or plants this year. Tricia Voner and Karen Miller will prepare a special Children's Chat. They will be reaching out to church school families with a special question for each child to respond to, and their answers will be incorporated into the Chat.

Unfortunately, we have decided to postpone our in-person Vacation Bible School until next summer. We have all the materials we need for "Rocky Railway, Jesus Power Pulls Us Through," and will save them for next year!

The Board met on Tuesday, May 26 via Zoom to discuss plans and possibilities for our Christian Education program going forward. It is not yet clear if we will be able to have church school classes in person in the fall. More on that in the September issue of the Carillon.

The Board decided to offer a Virtual Family Game Night sometime in early July. It will be

via Zoom. We felt that we should wait at least a few weeks after school ends before trying this, as many kids are "zoomed out." Jodi, Wendy and Barbara will work on that. Look for information in the weekly FBC Updates. We will also reach out to families individually.

Depending on how it goes, we may offer some more virtual activities before Labor Day.

We talked about putting together craft kits, possibly including our mostly unused spring quarter curriculum, and other items to make goody bags with activities for our church school children to use this summer. We will let people know when those are available.

Diane Tobey & Tricia Voner, Co-Chairs

### SYMPATHY TO...

**The family of Carmella (Dolly) Ward** who died on May 18 after a long battle with cancer. She was the wife of Colin Odell Ward for 64 years, the mother of Jolene Valdez, Rita Spataro, Philip and David Ward, grandmother of seven and great-grandmother of one. She will be greatly missed in our church family.

**The family of Elsie Jacobson** who died in May. She had attended First Baptist recently and was a long-time member of First United Community Methodist Church. She had often accompanied Lucy Rexroad to early morning Lenten services at FBC.

**The family of Richard (Dick) Barry** who died on May 25. He and his late wife Sheila were longtime members of Community Baptist Church. He was the uncle of Laurie Phillips-Stanley and her family, and of Howard Phillips and his family. Dick was the brother of the late George Barry, who attended First Baptist with his friend, Shirley Myers.

**FINANCE COMMITTEE NEWS**

Due to the continued shutdown and uncertainty of the ability to meet together, we will not be having any church fundraising dinners for the foreseeable future. Hopefully we can resume in the fall.

As of the end of May, we have been able to meet all expenses and obligations in spite of the loss of rental incomes. The increase in automatic pledge payments has been a significant help in reducing fluctuations in giving. We thank those who have chosen this option.

Please mail your pledges and donations to the Church Office, 34 Oakland Street, Medford, MA 02155, Attention: Financial Secretary.

We pray that you are staying well and safe—your needs come first. If we can be of any help, please be in contact with me or Rev. Rasure, and we will try to help in any way we can.

Tentatively we will schedule the next Finance Committee meeting virtually on Monday, June 8 at 7:30 p.m.

Fred Drauschke, Co-Chair

**DONATING TO FBC USING YOUR BANK’S AUTOMATIC BILL PAY**

It’s simple and it’s free! Even though your pledge donations to **First Baptist Church** aren’t technically "bills," you can still set it up to have your bank send one-time or recurring gifts to **FBC**. **Here are some guidelines to help you get this set up with your bank.**

1. Follow the directions on your bank's website to set up a new bill or payee
2. If given a choice, choose to pay a company rather than a person.
3. In the space for "Company Name" enter: **First Baptist Church.**
4. In the space for "Company Address" enter:  
Attn: Financial Secretary  
34 Oakland Street  
Medford, MA 02155
5. In the space for "Company Phone Number" enter:  
781.396.3811

6. In the space for "Account Number" enter your first initial and your last name, for example: MRASURE
7. After you have set up First Baptist Church as a biller, it is added to your list of bills or payees and you can select it at any time and enter a payment amount and a payment date
8. You will also have the option of setting up automatic or recurring payments (this adds greater convenience but is not recommended if there is a risk of overdrawing from your account)

Bill Pay is usually a free service of your checking account, but some banks charge a monthly fee for their bill pay service which can be waived depending on account balance, etc.

The church is not charged any fees for receiving a donation through your bank’s bill pay service, so what you donate is what will appear on your annual giving statements.

**DINNERS TO GO**

Do you miss the meals from our Church Kitchen? Starting on Wednesday, June 10th a free, fresh and ready to eat “to-go” meal will be available for pick up at the church. We are doing this on a trial basis for four Wednesdays (June 10/17/24 and July 1). Pick up will be at 6:00 p.m. You can call the church kitchen phone at 781-396-3821 when you are in the parking lot behind the church. Delivery will be through the handicap entrance door. We will try to arrange to have someone at the door on the lookout. To start, on June 10 we will serve meatloaf, roasted potatoes, a vegetable and a simple dessert. We will announce what will be served for the following week in the Wednesday FBC Update or when you pick up.

**Reservations are required. They must be made no later than 6:00 p.m. on Mondays two days prior to pick up!** Contact Barbara and Fred Drauschke with any questions **or** to make a reservation:

fmdrauschke@comcast.net, 781-662-8978.
