The Wilder Rural Fire Protection District's Firefighter Association exists solely to promote activities within the community, raise funds for essential equipment to perform the duties at hand, and provide a Burn Out fund for assistance to families in need. For the past 5 years, the WRFPD Firefighter's Association has been providing a wonderful Fourth of July fireworks display to the citizens of Wilder and surrounding communities. The fireworks themselves average around \$5000.00 annually to provide a 10 to 15 minute display. The firefighters involved have to travel to Montana every year to receive the display to transport as well participate in an explosive ordinance training and safety class. This cost to the association averages \$250.00 annually.

This year, the Association would like to ask for your participation in becoming a sponsor of this great community event. In becoming a sponsor, we would like to recognize your name or business to the spectators in the following ways:
