PINAL FAIRGROUNDS & Event center

at Eleven Mile Corner

Welcome:

A warm Pinal County welcome to Fall-A-Palooza of Fun! The first annual Fall Festival produced by Central Arizona Fair Association, who also brings you the Pinal County Fair.

The Fall-A-Palooza of Fun Festival at Pinal Fairgrounds is looking forward to welcoming you back after more than 18 months of closure due to COVID-19. We know that you and your family will create wonderful memories at this safe and friendly event.

As part of the Festival, we are partnering with AZ Health Zone (formerly SNAP-Ed) to bring you the culinary arts exhibits for display to our patrons. AZ Health Zone is a nationwide nutrition education and obesity prevention program funded by the United States Department of Agriculture Food and Nutrition Service. Programmatic activities engage low-income individuals and families that receive or are eligible to receive Supplemental Nutrition Assistance Program benefits. In Arizona, the SNAP-Ed program is administered by the Arizona Department of Health Services' AZ Health Zone. This public/private partnership operates throughout the state to implement community nutrition education programs and policy, systems, and environmental change interventions to encourage healthy eating, increase physical activity, and maintain appropriate caloric balance for healthy body weights. An integral partner in this statewide effort is the University of Arizona, Department of Nutritional Sciences - Cooperative Extension, SNAP-Ed (UA SNAP-Ed).

We are both excited to present this opportunity to Pinal County and hope you enjoy it as well.

Happy Cooking!

2. Exhibit building will be open to the public daily Friday, Saturday, and Sunday 9:00 AM to 6:00 PM. In departments other than livestock, exhibits must be uncovered and ready for inspection of visitors during the above hours.
3. Every exhibit must be adequately marked when brought to the fairgrounds. Exhibitors must remain with their exhibits until Superintendents accept them.
4. Two or more persons in the same family cannot exhibit the same article in the same lot.
5. Under no circumstances will exhibitors be permitted access to display cases.

6. Superintendents will make all assignment of space for exhibits.
7. When exhibit calls for a certain size, quantity, and so forth, it means exactly that.
8. Vehicles will not be allowed on the fairgrounds during the Festival. All unauthorized vehicles on the fairgrounds after 9:00 am. will be towed away at the owner's expense.
12. Exhibitors under 18 years of age must state their age on the entry form.
13. Exhibitors may enter as many exhibits as there are classes in each division, but only two exhibits per class unless stated otherwise in individual departments.
14. The exhibitor is solely responsible for making his entry. Entries improperly classified or identified will not be accepted nor judged; and entry fee will be forfeited. There will be no exceptions.
15. Exhibits may only be entered in the Festival one year, unless it is so stated otherwise.

PREMIUMS

1. The Festival positively will not pay premiums on any article not specifically mentioned in the Festival Book.
2. Judge's Books will be evidence for payment of premiums. Positively no ribbons, tags, or cards are accepted.
3. Check for premiums will be mailed as soon after the Festival as possible. If checks are not received within 90 days, the Festival Secretary should be notified. All checks must be cashed within 60 days after the date of issue.
4. January 29, 2022 is the deadline for reporting any error in premium check or check not having been received by exhibitor. After that date, no changes will be made nor checks issued.

SUPERINTENDENTS

1. It shall be the duty of each Superintendent to inform the Judge(s) of his department of the rules and regulations governing awards and to urge them to read the rules carefully before judging.
2. Each Superintendent is charged with caring for the Judges' Books of his department. He or she must see that all awards are properly entered therein, as it is only upon this record that premiums can be paid. Ribbons and tags are not accepted for payment of awards. He or she must see that the Judges' Books are properly signed.
3. All Judges' Books must be returned to the Festival Office immediately after judging is completed.
4. Each Superintendent is responsible for the final disposal of exhibits in his or her department.
5. A Superintendent may reserve the right to reject any entry which he or she may deem unworthy of exhibition.
6. A Superintendent has the right to divide or combine classes.
7. The Superintendent shall, under no circumstances, allow the Judges' Books to go from their possession, or to be inspected by anyone except authorized personnel, until entries of the Judges' decisions have been made and recorded, the records audited, and closed.

JUDGES AND JUDGING

1. The Judges shall read carefully the general rules and all special rules under the heading of the department or class in which they are to serve; and especially note and mark those rules bearing on the classes to be adjudicated by them. Ignorance of rules is inexcusable with a Judge.
2. Judges must not award prizes to an unworthy exhibit. It is the intention of the management that no premium or distinction of any kind shall be given to any animal or article that is not deserving. This rule must be strictly adhered to whether or not there is competition.

2021 Fall-A-Palooza of Fun Festival Exhibits Handbook

3. Judges shall report to the Superintendent any exhibitors who, in any way, whether in person or by agents or servants, interferes with them and show any disrespect to them during the judging. The Superintendent may, at his or her discretion, demand a proper apology from such exhibitor, or exclude him from further competition. The Festival may withhold from such exhibitor any or all premiums that have been awarded and expel him from further exhibiting at the Festival.
4. The Judges and persons acting as Clerks to the Judges must use special care, after an award has been made, to see that the same is properly entered in the award book, for it is upon this entry that the payment of premiums is made.
5. The Judge, Superintendent, and Clerk recording the awards of the department must sign the award book at the close of each class, immediately after all awards in said class have been made.
6. No person who is an exhibitor can act as Judge, Superintendent, or Clerk in a class in which he or she is showing.
7. If there is any question as to the regularity of an entry, or the right of an animal or article to compete in any lot, the Judge(s) shall report the same immediately to the Superintendent in charge of that department.
8. A faithful observance of all rules governing the exhibit will be required; and when in doubt as to the application or meaning of a rule, the Superintendent in charge shall construe the same. This opinion, when required by either exhibitor or Judge, must be reduced to writing and returned to the Festival Office with the Judges' Books.
9. The decision of the Judges shall be final in all cases, except where mistake, fraud, misrepresentation, or collusion, not discovered at the time of award, is apparent. In such cases, the Judge may make a decision, or with his approval, the matter may be referred to the Festival, from whose decision there can be no appeal.
10. Judging will be on the American System. Exhibitors will compete for first, second, and third place in each lot where they are exhibiting. Premiums will be paid for on only one first, one second, and one third place in each lot. This does not necessarily mean that there must be a first, second and third, etc., award made if item or article is deemed unworthy.
11. Judges are urged to consider that exhibits, in general, are exhibited by amateurs; and, if their work shows promise in any way, this should be considered in giving that exhibit an award of some kind to encourage the exhibitor to participate again next year, and to strive for better workmanship and higher award.
12. If competition does not justify the prizes for any lot, the Judge(s) have the right to omit such prizes.

PROTEST AND APPEALS

1. All protests from a decision of a Judge must be made to the Festival and filed within thirty-six (36) hours after the award has been made, it being considered that an award is made when the notation of the Judge is entered in the department's Judges' Book.
2. All protests must be made in writing and must be accompanied by a deposit of \$40 which will be forfeited if the protest is not sustained. This deposit is to cover administrative costs in handling the protest. Protest must state plainly cause of complaint or appeal, with specific charges and recital of the facts relied upon on the rule violated, naming witnesses and their addresses to whom proof is to be made.
3. The right of an exhibitor to appeal the decision of a Judge to the Festival will be only when it is charged that the award has been made in violation of the rules governing the exhibit; or when it is charged that the decision of the Judge has been influenced or interfered with by another.
4. No protest or appeal based upon the statement that the Judge(s) are incompetent or have overlooked an article will be considered by the Festival.
5. All questions in dispute or differences not covered by these rules shall be referred to the Festival whose decision shall be final.

“Healthy Choices” are low fat, sugar or salt alternatives to traditional recipes.

A healthy dietary pattern doesn't have much room for extra added sugars, saturated fat, or sodium. A small amount of added sugars, saturated fat, or sodium can be added to nutrient-dense foods and beverages to help meet food group recommendations, but foods and beverages high in these components should be limited. Limits are:

- Added sugars—Less than 10 percent of calories per day starting at age 2. Avoid foods and beverages with added sugars for those younger than age 2.
- Saturated fat—Less than 10 percent of calories per day starting at age 2.
- Sodium—Less than 2,300 milligrams per day—and even less for children younger than age 14.
