

Get the exposure you need for FREE at the **2019 AGRI-COUNTRY BLUEGRASS FESTIVAL**

Expose your Governmental Agency or Department, Non-profit, or community service organization (*no political or campaign booths*) to thousands of visitors at the upcoming Bluegrass Festival held at the Pinal Festival grounds and Event Center for **FREE**.

Share your services with the community

In an effort to help the community of Pinal County better understand the services available to them, the Festival offers public information booths at no cost to local organizations. This is a perfect opportunity to display and distribute information about your services. Each booth is 10'x10' and organizations may request several spaces as needed to accommodate their displays. At least one individual must staff your booth at all times.

Because we know you'll want to take advantage of this fun and exciting way of getting the word out, we have enclosed an application for a courtesy space. Since space is limited you should return your application as soon as possible. Submitting this application does not guarantee a booth space. Booth spaces are limited and are assigned on a first-come, first-served basis.

Making it easy on your help!

We understand that you need the support of your employees and volunteers to achieve your mission, however, life shouldn't be all work so we would like to invite your staff to come early or stay after their shift to enjoy the festival. Employees and volunteers will receive free admission on any day they complete a shift for your agency or organization.

In an effort to make the admission process as easy as possible, we ask that you complete the attached (required) worker roster. We will post your list at the front gate so your staff can gain admission at no cost. Of course we won't be able to allow anyone in, without a charge, who is not listed on your roster. Please be sure to include all individuals that will be assisting you.
