EXHIBITORS

1. Any exhibitor who, for the purpose of defrauding or misrepresentation, makes any fraudulent entry in the name of another exhibitor for the purpose of exhibiting, will be permanently barred from the show or any future participation in any event held in connection with the Pinal County Fair and proof of ownership may be demanded at any time at the discretion of the General Superintendent.
2. Exhibit building will be open to the public daily Wednesday and Thursday from 4:00 p.m. - 9:00 p.m. and Friday and Saturday 10:00 a.m. - 10:00 p.m. Sunday from 10:00 a.m. - 7:00 p.m. In all departments, exhibits must be uncovered and ready for inspection of visitors during the above hours.
3. Every exhibit must be adequately marked when brought to the fairgrounds. Exhibitors must remain with their exhibits until Superintendents accept them.
4. Two or more persons in the same family cannot exhibit the same article in the same lot.
5. Under no circumstances will exhibitors be permitted access to display cases.

6. Superintendents will make all assignment of space for exhibits.
7. When exhibit calls for a certain size, quantity, and so forth, it means exactly that.
8. Exhibitors may enter as many exhibits as there are classes in each division, but only two exhibits per class unless stated otherwise in individual departments.
9. The exhibitor is solely responsible for making his entry. Entries improperly classified or identified will not be accepted nor judged; and entry fee will be forfeited. There will be no exceptions.
10. Exhibits may only be entered in the Fair one year, unless it is so stated otherwise.

PREMIUMS

1. The Fair positively will not pay premiums on any article not specifically mentioned in the Fair Book.
2. Judge's Books will be evidence for payment of premiums. Positively no ribbons, tags, or cards are accepted.
3. Check for premiums will be mailed as soon after the Fair as possible. If checks are not received within 90 days, the Fair Secretary should be notified. All checks must be cashed within 60 days after the date of issue.
4. June 10, 2022 is the deadline for reporting any error in premium check or check not having been received by exhibitor. After that date, no changes will be made nor checks issued.

SUPERINTENDENTS

1. It shall be the duty of each Superintendent to inform the Judge(s) of his department of the rules and regulations governing awards and to urge them to read the rules carefully before judging.
2. Each Superintendent is charged with caring for the Judges' Books of his department. He or she must see that all awards are properly entered therein, as it is only upon this record that premiums can be paid. Ribbons and tags are not accepted for payment of awards. He or she must see that the Judges' Books are properly signed.
3. All Judges' Books must be returned to the Fair Office immediately after judging is completed.
4. Each Superintendent is responsible for the final disposal of exhibits in his or her department.
5. A Superintendent may reserve the right to reject any entry which he or she may deem unworthy of exhibition.
6. A Superintendent has the right to divide or combine classes.
7. The Superintendent shall, under no circumstances, allow the Judges' Books to go from their possession, or to be inspected by anyone except authorized personnel, until entries of the Judges' decisions have been made and recorded, the records audited, and closed.

JUDGES AND JUDGING

1. The Judges shall read carefully the general rules and all special rules under the heading of the department or class in which they are to serve; and especially note and mark those rules bearing on the classes to be adjudicated by them. Ignorance of rules is inexcusable with a Judge.
2. Judges must not award prizes to an unworthy exhibit. It is the intention of the management that no premium or distinction of any kind shall be given to any article that is not deserving. This rule must be strictly adhered to whether or not there is competition.
3. Judges shall report to the Superintendent any exhibitors who, in any way, whether in person or by agents or servants, interferes with them and show any disrespect to them during the judging. The Superintendent may, at his or her discretion, demand a proper apology from such exhibitor, or exclude him from further competition. The Fair may withhold from such exhibitor any or all premiums that have been awarded and expel him from further exhibiting at the Fair.

2022 Pinal County Fair Exhibits Handbook

4. The Judges and persons acting as Clerks to the Judges must use special care, after an award has been made, to see that the same is properly entered in the award book, for it is upon this entry that the payment of premiums is made.
5. The Judge, Superintendent, and Clerk recording the awards of the department must sign the award book at the close of each class, immediately after all awards in said class have been made.
6. No person who is an exhibitor can act as Judge, Superintendent, or Clerk in a class in which he or she is showing.
7. If there is any question as to the regularity of an entry, or the right of an article to compete in any lot, the Judge(s) shall report the same immediately to the Superintendent in charge of that department.
8. A faithful observance of all rules governing the exhibit will be required; and when in doubt as to the application or meaning of a rule, the Superintendent in charge shall construe the same. This opinion, when required by either exhibitor or Judge, must be reduced to writing and returned to the Fair Office with the Judges' Books.
9. The decision of the Judges shall be final in all cases, except where mistake, fraud, misrepresentation, or collusion, not discovered at the time of award, is apparent. In such cases, the Judge may make a decision or, with his approval, the matter may be referred to the Fair, from whose decision there can be no appeal.
10. Judging will be on the American System. Exhibitors will compete for first, second, and third place in each lot where they are exhibiting. Premiums will be paid for on only one first, one second, and one third place in each lot. This does not necessarily mean that there must be a first, second and third, etc., award made if item or article is deemed unworthy.
11. Judges are urged to consider that exhibits, in general, are exhibited by amateurs; and, if their work shows promise in any way, this should be considered in giving that exhibit an award of some kind to encourage the exhibitor to participate again next year, and to strive for better workmanship and higher award.
12. If competition does not justify the prizes for any lot, the Judge(s) have the right to omit such prizes.

PROTEST AND APPEALS

1. All protests from a decision of a Judge must be made to the Fair and filed within thirty-six (36) hours after the award has been made, it being considered that an award is made when the notation of the Judge is entered in the department's Judges' Book.
2. All protests must be made in writing and must be accompanied by a deposit of \$20 which will be forfeited if the protest is not sustained. This deposit is to cover administrative costs in handling the protest. Protest must state plainly cause of complaint or appeal, with specific charges and recital of the facts relied upon on the rule violated, naming witnesses and their addresses to whom proof is to be made.
3. The right of an exhibitor to appeal the decision of a Judge to the Fair will be only when it is charged that the award has been made in violation of the rules governing the exhibit; or when it is charged that the decision of the Judge has been influenced or interfered with by another.
4. No protest or appeal based upon the statement that the Judge(s) are incompetent or have overlooked an article will be considered by the Fair.
5. All questions in dispute or differences not covered by these rules shall be referred to the Fair whose decision shall be final.
