Dear Potential Vendors,

Thank you for your interest in the Get Prepped Expo & Gun Show.

**Goals of the Expo:**

1. **Emergency Preparedness**-Expose attendees to the benefits of being prepared for catastrophic events such as flooding, wildfire, utility outages, and monsoon storm activities. We are offering information on both long- and short-term situations.
2. **Self Sufficiency**-Expose attendees to resources that allow them to become more self-sufficient and knowledgeable in caring for their families in uncertain times.

We invite speakers and vendors (we encourage vendors as speakers) who are skilled in specific topics to contact us for speaking or demonstration opportunities.

All product and service vendors are eligible to participate provided they align with the goals of the Expo. We reserve the right to choose a variety of exhibitors to address applicable topics. These include but are not limited to:

- Food storage and preservation (canning, dehydrating, freeze drying processes, products, procedures, etc.)
- Hunting and Survival (regulations, procedures, products, processing practices, etc.)
- Emergency services and disaster response
- Camping and outdoor equipment
- First aid and natural healing
- HAM radio and communication lines
- Solar panes and other solar power options
- Survival techniques and training

- Self defense (firearms, tasers, concealed carry, personal defense classes, etc.)
- Home defense (security systems, cameras, legalities of home defense, etc)
- Back up energy sources (solar, generator, etc.)
