**RE: LETTER OF RECOMMENDATION**

To whom it may concern,

I am writing this letter to highly recommend the services of Alexei Krapivka, President of City Select Realty. I had a very short timeframe in which to find an apartment before starting my new post in Manhattan, and Alexei was incredibly efficient and affable. He found me the perfect rental, exactly what I was hoping for.

I would not hesitate to recommend Alexei and will be certainly using his knowledge and services again for my next home.

Sincerely,

A handwritten signature in black ink, appearing to read 'BAshbridge', written over the printed name and title.
