**RE: LETTER OF RECOMMENDATION**

To whom it may concern,

I am writing to highly recommend the services of Alexei Krapivka, President of City Select Realty. My situation was unique as a graduate student, yet Alexei went above and beyond to ensure I was satisfied. He helped me find the perfect apartment and exactly what I had hoped to rent.

I absolutely would recommend Alexei to my friends and anyone looking for the very best in professional services. Without a doubt would retain his services again for my next home.

Sincerely,

J. Anderson Harp, Jr.
